消防安全演練

「安全第一、預防為主」是安全生產基本方針，企業必須把預防事故作為安全生產工作的著眼點和落腳點，進行主動的、超前的管理。消防安全在物業管理中重中之重，貫穿全年工作。

2020年，項目義務消防隊通過「日檢查、月培訓、季訓練」提高員工處理突發火災事件的能力，預防火災發生。同時，我們邀請居民共同參與「群防群治服務中心」定期組織的家庭防火安全宣傳，對消防器材使用進行了講解示範。在此基礎上，我們聯合政府消防部門給業主進行了現場演練，同時對火中逃生注意事項進行宣講。參加消防演練的社區居民紛紛表示消防安全工作與居民的生活息息相關，並對小區的消防工作表示認可。

FIRE SAFETY DRILL

“Safety Foremost and Prevention Orientation” is the fundamental principle of safe production. An enterprise must put prevention of accidents as the starting point and focus of safe production work, and conduct proactive and advanced management. Fire safety is the top priority in property management work throughout the year.

In 2020, the voluntary fire team of the project improved the ability of our staff at dealing with contingent fire events through “Daily inspection, monthly training and quarterly practice”, to prevent the occurrence of fire. Meanwhile, we invited residents to jointly participate in the home fire safety publicity activity organised regularly by “Group Prevention and Cure Service Centre”, to explain and demonstrate the use of fire equipment. In this regard, we conducted an on-site drill for property owners jointly with the governmental fire department and at the same time, publicised the important points during the escape from fire. Community residents who participated in the fire drill considered that fire safety work is closely related to their life and recognised the fire work in the community.

疫情防控措施

Epidemic Prevention and Control Measures

疫情期間，在全國的正榮服務小區：

During the epidemic, at the communities of Zhenro Services across the country:

打造品質服務 CREATING QUALITY SERVICES

在疫情期間，正榮物業管理的小區裡，有一群「逆行」的平凡英雄，他們或是放棄回家探親的機會，或是提前返回所在的崗位。他們夜以繼日、齊心協力，以責任之心之行，守護社區，抵禦疫情，為廣大業主帶去安心。

During the epidemic, there was a group of “retrograde” ordinary heroes in the community managed by Zhenro Property. They either gave up the opportunity of going home to visit relatives or returned to the position ahead of schedule. They worked together day and night and acted with a sense of responsibility to protect the community and fight against the epidemic, bringing peace of mind to the property owners.

為控制疫情擴散，強化園區管控，客服主管帶領客服人員為業主家人採購防疫用品、時蔬、肉類，並在小區設立臨時菜市場，為業主家人提供生活便利，面對行動不便的業主，則將蔬菜送到其家中。

In order to control the spread of the epidemic and strengthen management and control in the park area, the customer service supervisor led the customer service staff to purchase epidemic prevention supplies, seasonal vegetables and meat for the property owners' families, and set up a temporary vegetable market in the community to facilitate the life for the property owners' families. Door delivery of vegetables are available to the property owners who are disabled.

此外，她還每天使用酒精或 84 消毒液對單元大廳、園區遊樂園、公區設施、地下車庫、扶手把手、電梯轎箱、電梯按鈕等業主頻繁接觸的位置，進行無死角覆蓋消毒，為的就是保障小區衛生安全，讓業主過個安心年。

Furthermore, she also used alcohol or 84 disinfectant to disinfect unit hall, amusement park, public facilities, underground parking lot, armrest handle, lift car, lift button and other places that property owners touch frequently with no-dead-end coverage, to protect the health and safety of the community, letting owners to celebrate the Spring Festival peacefully.

新春佳節期間，因新型冠狀病毒肺炎的出現，導致許多行業被迫停業延期復工，但物業一線員工依然堅守崗位，衝在疫情防控的第一線，曹師傅就是其中的一員。

During the Spring Festival, a large number of industries were forced to suspend operation and postpone resumption of work due to the COVID-19 outbreak, but frontline property personnel still stuck to their posts and rushed to the front line of the epidemic prevention and control. Mr. Cao was one of them.

為做好排查工作，門崗師傅主動前往門崗參與疫情防控工作。如今，正值返工高峰，園區人員流動性增大，曹師傅則參與到針對人員出入的重點部位，進行消毒。

To ensure investigation work, the staff working at the gate took the initiative to participate in the epidemic prevention and control work. Nowadays, during the peak of returning to work, the mobility of people was increasing, thus, Mr. Cao disinfected the key areas where people may enter and exit.

又由於疫情突然，形勢嚴峻，口罩、護目鏡等物資嚴重不足，曹師傅一人扛起，親力親為，繼續堅守崗位，同他身後的正榮物業一線員工一起，構築起小區疫病防控的第一道防線！

Given the sudden outbreak of the epidemic and its severe tendency and insufficiency of materials, such as masks and goggles, Mr. Cao took up all the work on his own and continued to stick to his post, working together with frontline personnel of Zhenro Property behind him to build the first line of defense for epidemic and disease prevention and control of the community !
