This announcement is made by Cinda International Holdings Limited (the "Company" together with its subsidiaries, the "Group") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules") and Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the "SFO").

The board of directors of the Company (the "Board") wishes to inform the shareholders of the Company (the "Shareholders") and potential investors that, based on the preliminary review of the management accounts of the Group for the six months ended 30 June 2021, the Group is expected to record a significant increase by at least 80% in its profit attributable to equity shareholders of the Company for the six months ended 30 June 2021 as compared with that for the corresponding period in 2020 of HK$26,544,000.

The Group's substantial growth in results is mainly due to the increase in the gains from the changes in fair value of the financial assets through profit and loss held by an associated company and a joint venture company during the period, as well as the increase in the revenue contribution during the period by another associated company of the Group engaging in fund management.

The Company is still in the process of preparing the interim results of the Group for the six months ended 30 June 2021. The information contained in this announcement is only based on a preliminary review of the management accounts of the Group and the information currently available to the Board and is not based on any figures or information which has been audited or reviewed by the Company's auditors. The Company expects to announce its unaudited consolidated financial results for the six months ended 30 June 2021 in August 2021.
