INTRODUCTION

proposed at the Annual General Meeting which will be convened for the purpose of considering and if thought fit, approving, inter alia:

- (a) the grant of the Share Issue Mandate and Repurchase Mandate to the Directors to issue new Shares and repurchase Shares;
- (b) extension of the Share Issue Mandate; and
- (c) re-election of Directors.

A notice of the Annual General Meeting is set out on pages 14 to 18 of this circular.

SHARE ISSUE MANDATE AND REPURCHASE MANDATE

At the last annual general meeting of the Company held on 14 August 2020, the Directors were granted a general mandate to allot and issue Shares and a general mandate to repurchase Shares. These mandates will expire at the conclusion of the Annual General Meeting. The Directors propose to seek the approval of the Shareholders at the Annual General Meeting by way of passing ordinary resolutions for the granting of:

- (a) the Share Issue Mandate to issue Shares up to a maximum of 26,277,828 Shares representing 10% of the Shares in issue as at the date of passing of the relevant resolution; and
- (b) the Repurchase Mandate to repurchase Shares up to a maximum of 26,277,828 Shares representing 10% of the Shares and in issue as at the date of passing of the relevant resolution.

According to Rule 13.36(2)(b) of the Listing Rules, the Directors may seek the approval of the Shareholders in general meeting a general mandate to issue Shares not exceeding the aggregate of 20% of the number of Shares in issue as at the date of passing the resolution. The Directors, however, consider that the Company shall require only up to a maximum of 10% of the number of Shares in issue and therefore the Directors only propose to seek approval of the Shareholders to grant the Share Issue Mandate to such extent in the Annual General Meeting.

Whilst the Directors do not presently intend to allot and issue any Shares nor repurchase any Shares, they believe that the flexibility afforded by the Share Issue Mandate and the Repurchase Mandate, if the ordinary resolution granting it is passed, would be beneficial to the Company.

LETTER FROM THE BOARD

As at the Latest Practicable Date for determining such figures, the number of the issued shares of the Company was 262,778,286 Shares. Subject to the passing of the ordinary resolution approving the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of passing of such resolution, the Directors would be authorised to repurchase up to 26,277,828 Shares representing 10% of the number of Shares in issue during the period up to the next annual general meeting in 2022 or the expiration of the period within which the next annual general meeting of the Company is required by law to be held or the revocation or variation of the Repurchase Mandate by an ordinary resolution of the Shareholders in general meeting of the Company, whichever occurs first. Depending on the shareholding structure of the Company at the time when the Repurchase Mandate is exercised, it is possible that the exercise of the Repurchase Mandate fully (or almost fully) would reduce the level of public float to less than 25% of the total number of issued Shares. However, the Directors have no intention to exercise the Repurchase Mandate to the extent that would result in the level of public float to less than the minimum public float requirements as prescribed under the Listing Rules.

Extension of the Share Issue Mandate

A resolution as set out in resolution no. 9C of the notice of the Annual General Meeting will also be proposed at the Annual General Meeting authorising the Directors to extend the Share Issue Mandate by the addition thereto of an amount representing the aggregate number of Shares repurchased by the Company under the authority granted pursuant to the Share Repurchase Mandate provided that such extended amount shall not exceed 10% of the total number of Shares in issue at the date of passing of the resolution no. 9C of the notice of the Annual General Meeting.

Reasons for Repurchase

Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the value of the net assets of the Company and/or earnings and/or dividend per Share.

Funding of Repurchase

Repurchases pursuant to the Repurchase Mandate would be financed entirely from the Company's available cash flow or working capital facilities. Any repurchases will be made out of funds of the Company legally permitted to be utilised in this connection in accordance with its Bye-laws and the laws of Hong Kong and the applicable laws of Bermuda, including profits otherwise available for distribution.

LETTER FROM THE BOARD

Under Bermuda law, repurchases may only be effected out of the capital paid up on the repurchased Shares or out of funds of the Company otherwise available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose. Any premium payable on a purchase over the par value of the Shares to be purchased must be provided for out of funds of the Company otherwise available for dividend or distribution or out of the Company's share premium account.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited financial statements as at 31 March 2021) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

Disclosure of Interests

None of the Directors, and to the best of their knowledge, having made all reasonable enquiries, none of their close associates, has any present intention, if the Repurchase Mandate is approved by Shareholders and exercised, to sell any Shares to the Company or its subsidiaries.

No Core Connected Person has notified the Company that he has a present intention to sell any Shares to the Company, or that he has undertaken not to sell any Shares held by him to the Company, in the event that the Repurchase Mandate is granted by the Shareholders at the Annual General Meeting and is exercised.

Share Repurchase made by the Company

There have been no repurchases of Shares by the Company during the six months prior to the Latest Practicable Date (whether on the Stock Exchange or otherwise).

Directors' Undertaking

The Directors have undertaken to the Stock Exchange that they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda so far as the same may be applicable.

Takeovers Code Consequences

If as a result of a repurchase of Shares a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

LETTER FROM THE BOARD

For the purpose of determining the relevant figures, as at the Latest Practicable Date, United Vision International Limited (“**United Vision**”), the single largest Shareholder is holding 141,533,828 Shares representing approximately 53.86% of the entire issued Shares. Assuming the Repurchase Mandate is exercised in full and there is no issue of new Shares by the Company, the shareholding of United Vision will be increased to approximately 59.85% of the entire issued Shares and therefore no obligation would arise in accordance with Rule 26 of the Takeovers Code. Apart from United Vision, the Directors are not aware of any Shareholder, or group of Shareholders acting in concert who may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code in the event that the Directors exercise the power to repurchase Shares pursuant to the Repurchase Mandate.

Market Prices

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during the 12 months preceding the Latest Practicable Date were as follows:

	Share prices

2020

Shareholders' Approval

All repurchases of shares by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate or by specific approval in relation to a specific transaction.

LETTER FROM THE BOARD
