PROFIT WARNING

This announcement is made by Wai Chun Bio-Technology Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on preliminary assessment of the unaudited consolidated management accounts of the Group and the information currently available to the Board for the six months ended 30 June 2021 (the “**Management Accounts**”), the Group is expected to record a decrease of 60% to 80% in the net profit for the six months ended 30 June 2021 as compared to the corresponding period of the year 2020. The decrease in net profit was primarily due to the increase in finance costs which was caused by the increase in interest expenses of convertible bonds and the increase in income tax expenses because one subsidiary in the PRC fully utilised the unused tax loss brought forward in last year.

The Group is still in the process of preparing the interim results for the six months ended 30 June 2021, the information as set out above is only based on the preliminary assessment by the Board on the information currently available to it, including the Management Accounts, which have not been finalised. The interim results of the Group for the six months ended 30 June 2021 are expected to be published by the end of August 2021.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
