INSIDE INFORMATION – POSITIVE PROFIT ALERT

This announcement is made by New Ray Medicine International Holding Limited (“**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (“**Stock Exchange**”) (“**Listing Rules**”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (“**Directors**”) of the Company (“**Board**”) wishes to inform the shareholders of the Company (“**Shareholders**”) and potential investors that, based on a preliminary review and analysis of the latest available unaudited consolidated management accounts of the Company, it is expected that the Group will record a net profit of approximately HK\$1.1 million for the six months ended 30 June 2021 (“**1H 2021**”) as compared to the unaudited net loss of approximately HK\$36.4 million recorded by the Group for the six months ended 30 June 2020 (“**1H 2020**”).

The expected turnaround from a net loss to a net profit for 1H 2021 was primarily due to (i) the increase in the gross profit due to the increase in the sales of the Group’s major product under the second generation of Cephalosporins (二代頭孢產品) (1.0g); and (ii) the absence of impairment losses in respect of the Group’s interest in Saike International Medical Group Limited (“**Saike International**”) for 1H 2021, while there was an impairment loss of the Group’s interest in Saike International of approximately HK\$22.2 million for 1H 2020.

The Company is still in the process of preparing and finalising its unaudited consolidated financial statements for 1H 2021. The information contained in this announcement is only based on preliminary assessment made by the Board with reference to the information currently available, which has not been reviewed or audited by the auditors of the Company and may be subject to change. Shareholders and potential investors are advised to refer to the details of the Group's financial results for 1H 2021, which are expected to be published on 31 August 2021.

CONTINUED SUSPENSION OF TRADING

Trading in the shares of the Company (“**Shares**”) has been suspended with effect from 9:00 a.m. on 6 October 2017 by the Stock Exchange as directed by the Securities and Futures Commission in accordance with a direction under Section 8(1) of the Securities and Futures (Stock Market Listing) Rules. As disclosed in the announcement of the Company dated 8 January 2020, the Stock Exchange has withheld exercising its right to delist the Company although trading in the Shares remained suspended on 31 January 2020. As such, trading in the Shares will continue to be suspended until further notice. The Company will endeavour to resume trading in the Shares as soon as practicable.

The Company reminds the Shareholders and potential investors that they should refer to the announcements published on the respective websites of the Stock Exchange and the Company for any information relating to the Group.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.

On behalf of the Board
New Ray Medicine International Holding Limited
