The Company's shares are listed on the Main Board of The Stock Exchange of Hong Kong Limited (the "Stock Exchange").

The Group is principally engaged in the manufacturing and trading of toys and gifts items, exploration of natural resources and the investment in various potential businesses including fruit plantation, leisure and culture.

2 BASIS OF PREPARATION AND CHANGES IN ACCOUNTING POLICIES AND DISCLOSURES

Going Concern

The Group incurred a loss of approximately HK\$44,673,000 for the six months ended 30 June 2021 and as at 30 June 2021, the Group's current liabilities exceeded its current assets by approximately HK\$193,239,000. These conditions indicate the existence of a material uncertainty which may cast significant doubt on the Group's ability to continue as a going concern and therefore, the Group may not be able to realise its assets and discharge its liabilities in the normal course of business.

In order to improve the Group's financial position, the directors of the Company have been implementing various measures as follows:

- (1) The Group is in negotiation with financial institutions to obtain sufficient new borrowings;
- (2) The Group is in negotiation with its creditors to extend payment due dates; and
- (3) The Group is actively considering to raise new capital by carrying out fund raising activities including but not limited to rights issue, open offer, placing of new shares and issuance of convertible bonds.

Taking into account of the above-mentioned measures, the opinion of the directors of the Company with respect to sufficiency of the working capital of the Group remains as stated in the annual report for the year ended 31 December 2020 dated 31 March 2021. Accordingly, the unaudited condensed consolidated interim financial statements have been prepared on a going concern basis.

The unaudited condensed consolidated interim financial statements have been prepared in accordance with Hong Kong Accounting Standard (“HKAS”) 34 *Interim Financial Reporting* issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”) and with the applicable disclosure requirements of Appendix 16 to the Rules Governing the Listing of Securities of The Stock Exchange of Hong Kong Limited (the “Listing Rules”).

The unaudited condensed consolidated interim financial statements do not include all the information and disclosures required in the financial statements, and should be read in conjunction with the Group’s annual financial statements for the year ended 31 December 2020.

Except as described below, the accounting policies used in the preparation of these unaudited condensed consolidated interim financial statements are consistent with those set out in the annual report for the year ended 31 December 2020.

The Hong Kong Institute of Certified Public Accountants has issued a number of new or revised standards, interpretations and amendments to standards which are effective for accounting period beginning 1 January 2021:

Amendments to HKFRS 9, HKAS 39 and HKFRS 7, HKFRS 4 and HKFRS 16	<i>Interest Rate Benchmark Reform — Phase 2</i>
---	---

The adoption of these revised accounting standards does not have material impact on the Group’s unaudited condensed consolidated interim financial statements.

3 ESTIMATES

The preparation of interim financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing these condensed consolidated interim financial statements, the significant judgements made by management in applying the Group’s accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial statements for the year ended 31 December 2020.

On 8 June 2016 and 19 July 2016, the Company and a director of the Company received from Mr. Guo Jingsheng (“**Mr. Guo**”) a writ of summons and an indorsement of claim issued by the High Court, respectively, against the Company as borrower and the director of the Company as guarantor for the outstanding amount of borrowing including interests of approximately HK\$13,921,000.

A deed of settlement (the “**Settlement Deed**”) was made between the Company, the director of the Company and Mr. Guo on 29 April 2019. Pursuant to the Settlement Deed, the Company would issue 80,000,000 ordinary shares of the Company at HK\$0.10 per share (the “**Shares**”) for the settlement of HK\$8,000,000 as partial settlement of Mr. Guo’s debt of approximately HK\$17,600,000 as at 29 April 2019.
