PROFIT WARNING

This announcement is made by Pangaea Connectivity Technology Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2021 and the information currently available to the management of the Group, the Group expects to record around 30% decrease in revenue for the six months ended 30 September 2021, as compared with the corresponding period in 2020. The Board considers that the decline in revenue is mainly due to (i) severe shortages in supply of semiconductor ICs in the market; and (ii) slowdown of 5G project in the PRC, which affected delivery schedule of certain products of the Group during the six months ended 30 September 2021. The Group also expects that the profit attributable to shareholders of the Company will significantly decrease by around 90% for the six months ended 30 September 2021, as compared with the corresponding period in 2020. The Board considers that the decline in profit is mainly due to (i) the decrease in revenue as mentioned above; and (ii) the share based payment expenses of approximately HK\$12 million incurred as a result of the share options granted under the shares option scheme of the Company as disclosed in the Company’s announcement dated 20 April 2021. Despite the above, the Group’s financial position remains strong.

The information contained in this announcement represents a preliminary assessment based on the information available to the Board as at the date hereof and such information has not been reviewed by the independent auditor of the Company. The Company is still in the process of collecting information and has not finalised its accounts, nor has it begun to prepare its interim results, which are subject to further review and assessment by the Audit Committee and the Board. Therefore, the Group’s interim results for the six months ended 30 September 2021 may be different from the information set out in this announcement. Shareholders and potential investors of the Company are advised to refer to the Group’s interim results announcement which will be published in November 2021.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
