### **POSITIVE PROFIT ALERT**

This announcement is made by Twintek Investment Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders and potential investors of the Company that, based on the information currently available to the Board, and the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2021 (the “**Period**”), the Group is expected to record a consolidated net profit of not less than HK\$8.5 million for the Period, representing an increase of not less than 30% as compared to the consolidated net profit of approximately HK\$6.5 million for the corresponding period in 2020. The expected increase in consolidated net profit is mainly attributable to, among other factors: (1) the increase in sales of gypsum block products for the Period; and (2) improvement in the overall gross profit margin during the Period, as the gypsum block products have a higher gross profit margin when compared to timber flooring products.

The Company is still in the process of finalising the consolidated financial results of the Group for the Period. The information contained in this announcement is only based on a preliminary assessment of the information currently available to the Board, including the unaudited consolidated management accounts of the Group for the Period, which have neither been reviewed by the audit committee of the Company nor reviewed or audited by the Company’s auditors. The actual results of the Group for the Period, which are expected to be announced in late November 2021, may differ from the information contained in this announcement.

**Shareholders and potential investors of the Company should exercise caution when dealing in the shares of the Company.**
