PROFIT WARNING

This announcement is made by Silver Tide Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors of the Company that, based on preliminary review of the unaudited consolidated management accounts of the Group, the Group is expected to record an unaudited net loss within the range of approximately HK\$20.0 million to HK\$25.0 million for the six months ended 30 September 2021 (the “**Period**”) as compared to a net profit of approximately HK\$12.9 million for the six months ended 30 September 2020.

The Board is of the view that such expected net loss was mainly attributable to the aggregate effect of the following:

- (a) decrease in revenue due to competitive project pricing arising from intense market competition and the delay of certification of the Group’s certain work done by the relevant main contractors as the relevant main contractors require additional time for certification of work done involved in several variation orders of the relevant projects; and
- (b) increase in cost of sales recorded from certain projects undertaken by the Group during the Period due to unexpected additional subcontracting costs incurred to deal with unexpected delay of work progress and changes to the on-site arrangements.

The information contained in this announcement is only based on the Board's preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2021 and the information currently available, which have not been audited or reviewed by the Group's auditors or the audit committee of the Board and may be subject to adjustments. Shareholders and potential investors of the Company are advised to refer to the details in the interim results announcement of the Company for the six months ended 30 September 2021, which is expected to be published in November 2021 in accordance with the Listing Rules.

Shareholders of the Company and potential investors should exercise caution when dealing in the securities of the Company.

By order of the Board
