## **LISTING RULES IMPLICATIONS**

As at the date of this announcement, the Company was indirectly interested in 55% equity interests in Fuchuan Mining, and LMG, a substantial shareholder of the Company holding 24.68% of the equity interests in the Company, was indirectly interested in the remaining 45% equity interests in Fuchuan Mining other than through its interests in the Company. As such, the transactions contemplated under the 2021 BOC Guarantee Agreement constitute connected transactions of the Company under Chapter 14A of the Listing Rules.

As (i) the Company has already provided financing guarantee to Fuchuan Mining with an amount of not exceeding RMB800 million under the 2020 Pledge Agreements and (ii) the 2021 BOC Guarantee Agreement and the 2020 Pledge Agreements were entered into within 12 months, the transactions contemplated thereunder are required to be aggregated pursuant to Rule 14A.81 of the Listing Rules.

As the highest applicable percentage ratio in respect of the transactions contemplated under the 2021 BOC Guarantee Agreement and the 2020 Pledge Agreements is more than 0.1% but less than 5% on an aggregated basis, therefore, such transactions shall be subject to the reporting and announcement requirements but exempted from circular and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

## **FINANCING GUARANTEE**

We refer to the announcement of the Company dated 18 December 2020 in relation to the financing guarantee provided by the Company to Fuchuan Mining under the 2020 Pledge Agreements with a total amount of not more than RMB800 million.

Pursuant to the Financing Guarantee Authorization, on 30 November 2021, the Company entered into the 2021 BOC Guarantee Agreement with BOC Luanchuan Branch, pursuant to which the Company agreed to provide guarantee to Fuchuan Mining with a maximum guaranteed principal balance of RMB185 million as well as relevant interests and expenses under the 2021 BOC Loan Agreement, provided that the total amount of liability under the 2021 BOC Guarantee Agreement shall not exceed the upper limit of RMB200 million.

## **Reasons for and Benefits of Financing Guarantee**

According to the Financing Guarantee Authorization, the total guarantee amount of Financing Guarantee provided or to be provided by the Company to Fuchuan Mining should not exceed RMB1 billion. The provision of Financing Guarantee will help Fuchuan Mining raise funds to support its daily business operation and new projects development and further improve its production capability and profitability, contributing to the overall strategy layout of the Group.

Considering the above reasons, the Directors (including the independent nonexecutive Directors) are of the view that the Financing Guarantee (of which the 2021 BOC Loan Agreement and the transaction contemplated thereunder form a part) is entered into in the usual and ordinary course of business of the Company, conducted on normal commercial terms, and is fair and reasonable and in the interests of the Company and its shareholders as a whole.

The provision of Financing Guarantee has been considered and approved at the Board meeting dated 29 January 2021, and Mr. Guo Yimin and Mr. Cheng Yunlei, being Directors and holding positions in LMG at the same time, had abstained from voting on the Board resolutions to approve the provision of Financing Guarantee to avoid the perception of a conflict of interests. Save as disclosed above, none of the other Directors has a material interest in such transactions.

Although the financial statements of Fuchuan Mining are not consolidated into the consolidated financial statements of the Group, the Company has control over daily operation and management of Fuchuan Mining through contractual arrangements, therefore, Fuchuan Mining is deemed as a subsidiary of the Company and thus a connected subsidiary of the Company pursuant to Rule 14A.16 of the Listing Rules. As such, the transactions contemplated under the 2021 BOC Guarantee Agreement constitute connected transactions of the Company under Chapter 14A of the Listing Rules.

As (i) the Company has already provided financing guarantee to Fuchuan Mining with an amount of not exceeding RMB800 million under the 2020 Pledge Agreements and (ii) the 2021 BOC Guarantee Agreement and the 2020 Pledge Agreements were entered into within 12 months, the transactions contemplated thereunder are required to be aggregated pursuant to Rule 14A.81 of the Listing Rules.

As the highest applicable percentage ratio in respect of the transactions contemplated under the 2021 BOC Guarantee Agreement and the 2020 Pledge Agreements is more than 0.1% but less than 5% on an aggregated basis, therefore, such transactions shall be subject to the reporting and announcement requirements but exempted from circular and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.
