As the highest applicable percentage ratio (as defined under the Listing Rules) in respect of the Sale and Leaseback Arrangement exceeds 5% but is less than 25%, the Sale and Leaseback Arrangement constitutes a discloseable transaction of the Company and is subject to the notification and announcement requirements under Chapter 14 of the Listing Rules.

On 22 December 2021, Chengtong Financial Leasing, an indirect wholly-owned subsidiary of the Company, entered into the Sale and Leaseback Agreements with the Lessee in respect of the Sale and Leaseback Arrangement, the major terms of which are set out below.

SALE AND LEASEBACK ARRANGEMENT

Date of the Sale and Leaseback Agreements

22 December 2021

Parties

Lessor: Chengtong Financial Leasing

Lessee: The Lessee

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, (i) the Lessee is ultimately controlled as to more than one-third of its equity interest by SASAC; (ii) the Lessee and its ultimate beneficial owners are Independent Third Parties; and (iii) the Lessee is principally engaged in the business of research and development, manufacturing and sales of TFT-LCD panels and modules in the PRC.

Subject matter

Subject to the fulfilment of the conditions as set out in the Sale and Leaseback Agreements (including but not limited to the obtaining of all necessary approvals by the Lessee in relation to the Sale and Leaseback Arrangement, the payment of the security money (as set out below), and the signing and the coming into effect of the relevant security agreement), Chengtong Financial Leasing will purchase the Leased Assets from the Lessee at the Purchase Price of RMB150 million (equivalent to HK\$183 million), and the Leased Assets will be leased back to the Lessee for a period of two (2) years (“**Lease Term**”) from the date on which the Purchase Price is paid by Chengtong Financial Leasing, subject to early termination in accordance with the terms and conditions of the Sale and Leaseback Agreements.

If any of the conditions under the Sale and Leaseback Agreements are not satisfied on or before 22 January 2022, Chengtong Financial Leasing shall have the right to unilaterally terminate the Sale and Leaseback Agreements.

Purchase Price

The Purchase Price of the Leased Assets was agreed between Chengtong Financial Leasing and the Lessee with reference to the appraised value of the Leased Assets as at 10 December 2021 which amounted to approximately RMB214.82 million (equivalent to approximately HK\$262.08 million).

The Purchase Price will be satisfied by the internal resources of the Group and/or borrowings.

Legal title

Chengtong Financial Leasing owns the legal title of the Leased Assets during the Lease Term.

Lease payment

The total amount of lease payment over the Lease Term is estimated to be approximately RMB158.12 million (equivalent to approximately HK\$192.91 million) which shall be paid by the Lessee to Chengtong Financial Leasing in eight (8) quarterly instalments during the Lease Term.

The total amount of lease payment represents the sum of the lease principal amount (being the amount of Purchase Price to be paid by Chengtong Financial Leasing) and the lease interest which is calculated on the then outstanding lease principal amount with a floating interest rate to be determined at a premium over the one-year loan prime rate as promulgated by the National Interbank Funding Center under the authority of the People's Bank of China ("LPR") from time to time. In the event that the LPR changes during the Lease Term, adjustments will be made to such lease interest rate on an annual basis on 1 January every year except in the case where the Lessee has overdue lease payment and has not paid all overdue payments and liquidated damages, the interest rate applied will not be adjusted when the LPR is reduced.

The interest rate has been agreed after arm's length negotiations between the parties with reference to the Purchase Price payable by Chengtong Financial Leasing for the purchase of the Leased Assets and the credit risks associated with the Sale and Leaseback Arrangement.

Lessee's right to repurchase the Leased Assets

Upon the Lessee having paid all the lease payments and other payables (if any) to Chengtong Financial Leasing in accordance with the terms of the Sale and Leaseback Agreements, the Lessee shall have the right to repurchase the Leased Assets at a nominal consideration of RMB1.00.

Security money

The Lessee agrees to pay RMB1.50 million (equivalent to HK\$1.83 million) as security money for the performance of its obligations under the Sale and Leaseback Agreements.

If the Lessee fails to fully perform any obligation under the Sale and Leaseback Agreements, Chengtong Financial Leasing has the right to apply the security money to set off against any amount owed by the Lessee to it in the following order: liquidated damages, other payables including but not limited to damages (if any), outstanding and prospective lease payments and repurchase price. If the Lessee has fully performed all its obligations under the Sale and Leaseback Agreements, Chengtong Financial Leasing shall return the security money to the Lessee upon the Lessee's presentation of the receipt of the security money.

When the amount payable by the Lessee under the Sale and Leaseback Agreements is less than the balance of the security money, the Sale and Leaseback Agreements may be early terminated upon the Lessee's application. The Lessee shall then present the receipt of the security money to Chengtong Financial Leasing upon which the security money shall be used to set off the lease payments and other payables under the Sale and Leaseback Agreements and any remaining balance of the security money shall be returned to the Lessee.

Guarantee

The Guarantor has provided a guarantee in favour of Chengtong Financial Leasing for all amounts payable by the Lessee under the Sale and Leaseback Agreements, including but not limited to liquidated damages, outstanding and prospective lease payment, repurchase price and other payables. The guarantee is irrevocable and continuing in nature.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, (i) the Guarantor has a direct equity interest of more than one-third in the Lessee and the Guarantor is ultimately controlled as to more than one-third of its equity interest by SASAC; (ii) the Guarantor and its ultimate beneficial owners are Independent Third Parties; and (iii) the Guarantor is principally engaged in the business of research and development, manufacturing and sales of smart electronic products.

REASONS FOR AND BENEFITS OF THE SALE AND LEASEBACK ARRANGEMENT

The Group is principally engaged in leasing, bulk commodity trade, property development and investment, marine recreation services and hotel. The Group's leasing business is mainly carried out through Chengtong Financial Leasing as its principal business.

The entering into of the Sale and Leaseback Arrangement is in the ordinary and usual course of business of Chengtong Financial Leasing and it is expected that Chengtong Financial Leasing will earn an income of approximately RMB8.12 million (equivalent to approximately HK\$9.91 million), being the difference between the estimated total lease payment under the Sale and Leaseback Arrangement and the Purchase Price.

The Directors are of the view that the terms of the Sale and Leaseback Arrangement are fair and reasonable and are in the interests of the Company and the shareholders of the Company as a whole.
