We refer to the circular dated 5 January 2022 (the “**Circular**”) of the Company of which this letter forms part. Unless the context requires otherwise, terms defined in the Circular shall have the same meanings when used herein.

We have been appointed by the Board to advise the Independent Shareholders as to whether the terms of the Proposed Variation, the Rights Issue and the transactions contemplated thereunder (including the Specific Mandate) are fair and reasonable so far as the Independent Shareholders are concerned and are in the interests of the Company and the Shareholders as a whole and to advise the Independent Shareholders on how to vote. Gram Capital has been appointed as the Independent Financial Adviser to advise us and the Independent Shareholders in this respect. Details of the advice from Gram Capital, together with the principal factors taken into consideration in arriving at such advice, are set out on pages 53 to 79 of the Circular. Your attention is also drawn to the letter from the Board set out on pages 14 to 48 of the Circular and the additional information set out in the appendices to the Circular.

Having considered the terms of the Proposed Variation, the Rights Issue and the transactions contemplated thereunder (including the Specific Mandate) and the letter from Gram Capital, we consider that although the Proposed Variation, the Rights Issue and the transactions contemplated thereunder (including the Specific Mandate) are not conducted in the ordinary and usual course of business of the Group, the terms of which are on normal commercial terms, fair and reasonable so far as the Independent Shareholders are concerned and are in the interests of the Company and the Shareholders as a whole. Accordingly, we recommend the Independent Shareholders to vote in favour of each of the proposed resolution to approve the Proposed Variation, the Rights Issue and the transactions contemplated thereunder (including the Specific Mandate) at the EGM.

Yours faithfully,
