POSITIVE PROFIT ALERT

This announcement is published by Kingboard Laminates Holdings Limited (“**KBL**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of KBL (the “**KBL Board**”) wishes to inform shareholders and potential investors of KBL that, based on the preliminary review of the unaudited management accounts of the Group for the year ended 31 December 2021 and the information currently available to the KBL Board, the Group is expecting to record a net profit of approximately HK\$6.5 billion to HK\$7 billion for the year ended 31 December 2021, an increase of approximately 132% to 150% as compared with the corresponding period in 2020.

The increase in the net profits of the Group for the year ended 31 December 2021 is primarily attributable to the strong market demand with significant increase in both unit selling price and quantity of the Group’s products as compared with the corresponding period in 2020. As a result of undersupply of the upstream materials such as copper foil, glass fabric and epoxy resin, product unit prices continued to stay at a high level.

The KBL Board believes that the increase in the net profit is also attributable to the Group’s strong and comprehensive vertical integration business model.

The information in this announcement is only based on the preliminary assessment by the KBL Board, with reference to its management accounts and the information currently available, which are subject to finalization and adjustments, and has not been audited by the auditors or reviewed by the audit committee of KBL. KBL is still in the process of finalizing its annual results for the year ended 31 December 2021. Financial information and other details of KBL for the year ended 31 December 2021 will be disclosed in its annual results announcement for the year ended 31 December 2021 in accordance with the requirements of the Listing Rules.

The shareholders and potential investors of KBL is advised to exercise caution when dealing in the securities of KBL and read carefully the annual results announcement of KBL for the year ended 31 December 2021, which will be published before the end of March 2022 pursuant to the requirements of the Listing Rules.
