

Hong Kong Exchanges and Clearing Limited, The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and Hong Kong Securities Clearing Company Limited (“**HKSCC**”) take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

Unless otherwise defined herein, capitalized terms used in this announcement shall have the same meanings as those defined in the prospectus dated Monday, January 17, 2022 (the “**Prospectus**”) of QINGDAO AINNOVATION TECHNOLOGY GROUP CO., LTD (the “**Company**”).

This announcement is for information purposes only and does not constitute an offer or an invitation to induce an offer by any person to acquire, purchase or subscribe for any securities of the Company. This announcement is not a prospectus. Potential investors should read the Prospectus for detailed information about the Company and the Global Offering described below before deciding whether or not to invest in the Offer Shares. Any investment decision in relation to the Offer Shares should be taken solely in reliance on the information provided in the Prospectus.

This announcement is not for release, publication, distribution, directly or indirectly, in or into the United States (including its territories and possessions, any state of the United States and the District of Columbia) or to any person (as defined in Regulation S under the U.S. Securities Act of 1933, as amended from time to time, (the “**U.S. Securities Act**”)) (“**U.S. Persons**”) or any other jurisdiction where such distribution is prohibited by law. This announcement does not constitute or form a part of any offer to sell or solicitation to purchase or subscribe for securities in Hong Kong, the United States or elsewhere.

The Offer Shares have not been and will not be registered under the U.S. Securities Act or any state securities law in the United States and may not be offered, sold, pledged or transferred within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act. The Offer Shares are being offered and sold (1) solely to QIBs as defined in Rule 144A pursuant to an exemption from registration under the U.S. Securities Act and (2) outside the United States in offshore transactions in reliance on Regulation S under the U.S. Securities Act.

In connection with the Global Offering, UBS AG Hong Kong Branch as stabilizing manager (the “**Stabilizing Manager**”) (or its affiliates or any person acting for it), on behalf of the Underwriters, may over-allocate or effect transactions with a view to stabilizing or supporting the market price of the H Shares at a level higher than that which might otherwise prevail for a limited period after the Listing Date (but in any event not later than Saturday, February 19, 2022). However, there is no obligation on the Stabilizing Manager (or its affiliates or any person acting for it) to conduct any such stabilizing action, which, if taken, will be done at the absolute discretion of the Stabilizing Manager (or its affiliates or any person acting for it) and in what the Stabilizing Manager reasonably regards as the best interest of the Company and may be discontinued at any time. Any such stabilizing action is required to be brought to an end on the 30th day after the last day for lodging applications under the Hong Kong Public Offering.

Such stabilization action, if commenced, may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws, rules and regulatory requirements, including the Securities and Futures (Price Stabilizing) Rules (Cap. 571W of the Laws of Hong Kong), as amended, made under the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

Potential investors should be aware that no stabilizing action can be taken on the Stock Exchange to support the price of the H Shares for longer than the stabilization period which begins on the Listing Date and is expected to expire on Saturday, February 19, 2022, being the 30th day after the last day for lodging applications under the Hong Kong Public Offering. After this date, when no further stabilizing action may be taken, demand for the H Shares, and therefore the price of the H Shares, could fall.

In connection with the Global Offering, the Company has granted the Over-allotment Option to the International Underwriters. Pursuant to the Over-allotment Option, the International Underwriters have the right, exercisable by the Joint Global Coordinators (for themselves and on behalf of the International Underwriters) at any time from the Listing Date until 30 days after the last day for lodging applications under the Hong Kong Public Offering (being Saturday, February 19, 2022), to require the Company to issue up to 15% of the Offer Shares initially available under the Global Offering, at the Offer Price, to solely cover over-allocations in the International Offering, if any.

Potential investors of the Offer Shares should note that the Joint Global Coordinators (for themselves and on behalf of the Hong Kong Underwriters), in their sole and absolute discretion, shall have the right by giving a notice to the Company to terminate the Hong Kong Underwriting Agreement with immediate effect upon occurrence of any of the events set out in the section headed “**Underwriting — Underwriting Arrangements — Hong Kong Public Offering — Grounds for Termination**” in the Prospectus at any time prior to 8:00 a.m. on the Listing Date (which is currently expected to be on Thursday, January 27, 2022).

The Hong Kong Offer Shares will be offered to the public in Hong Kong subject to the terms and conditions set out in the Prospectus. The Hong Kong Offer Shares will not be offered to any person who is outside Hong Kong and/or not resident in Hong Kong.
