This announcement is made by EC Healthcare (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis.

The board of directors (the “**Directors**”) of the Company (the “**Board**”) is pleased to announce that, to fulfill the strong demand for medical and healthcare services, the Group is opening a new healthcare medical centre and advanced imaging centre at Cityplaza in Tai Koo, Hong Kong Island, with two newly leased floors with an aggregate gross floor area of approximately 12,300 square feet.

The newly leased floor on 14/F of Cityplaza is the EC Healthcare Medical Centre which offers services including but not limited to general medical, specialists, dental and pain management services with gross floor area of approximately 8,900 square feet and the centre is in full operation from 11 February 2022.

The other newly leased floor on 6/F of Cityplaza is an advanced imaging centre serving as a one-stop medical imaging service hub with gross floor area of approximately 3,400 square feet, which is expected to commence operation in March 2022. Together with this new imaging centre, the Group shall have four advanced imaging centres across the New Territories, Kowloon and Hong Kong Island by March 2022.
