PROFIT WARNING

This announcement is made by LongiTech Smart Energy Holding Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company informs the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited consolidated management account of the Group for the year ended 31 December 2021 (the “**Year 2021**”) and the information currently available to the Group, the Group is expected to record a net loss of approximately RMB25,000,000 to RMB35,000,000 attributable to owners of the Company in Year 2021, while there was a net profit of approximately RMB1,064,000 attributable to owners of the Company in year ended 31 December 2020 (the “**Year 2020**”).

According to the information currently available to the Board, the Group’s expected turnaround of loss in Year 2021 is mainly attributable to, among others, the following factors:

- (i) Due to the increase in the cost of raw materials, the gross profit margin of the Group’s main business in Year 2021 decreased compared with that in Year 2020;
- (ii) a derecognition of deferred tax assets of approximately RMB32,000,000, which was nil in Year 2020, due to the changes in operating environment.

As the Company is still in the process of preparing and finalising the annual results for the Year 2021, the information contained in this announcement is only a preliminary assessment made by the Board and the Company's management based on a preliminary review of the unaudited consolidated management account of the Group for the year ended 31 December 2021 and the information currently available to the Group, which has not been audited nor confirmed by the auditors or the audit committee of the Company, and is subject to finalisation and adjustments. The results announcement for the Year 2021 of the Group is expected to be published in the end of March 2022.

The Shareholders and the potential investors of the Company should exercise caution when dealing in the shares of the Company.

By order of the Board
