Unless the context requires otherwise, capitalised terms used herein shall have the same meanings as those defined in the Announcements.

CONVERSION OF CONVERTIBLE BONDS

As mentioned in the Announcements, on 19 January 2022, the Company was informed that 13.75% of the Convertible Bonds (in terms of principal amount) under the Placing were successfully placed to certain placees (the “**Placees**”). On 10 March 2022, the Company received conversion notice from one of the Placees (the “**Second Placee**”) about its intents to exercise the conversion rights to convert HK\$15,000,000 of the principal amount of the Convertible Bonds into 26,315,789 shares (the “**Shares**”) of the Company (the “**Conversion Shares**”), at the conversion price of HK\$0.57 per Conversion Share (the “**Second Conversion**”).

Upon completion of the Second Conversion, the Second Placee will not become a substantial shareholder (as defined in the Listing Rules) of the Company.

2. Based on 652,007,789 Shares in issue as at the date of this announcement.
3. Certain percentage figures included in the above table have been subject to rounding adjustments. Accordingly, figures shown as totals may not be an arithmetic aggregation of the figures preceding them.

4. Independent Assets Management Limited (“**Independent Assets**”) claimed that the 158,750,000 Shares held in its name are wholly and beneficially owned by Dr. Cheung Haywood. Therefore, Dr. Cheung Haywood is deemed to be interested in the Shares owned by Independent Assets pursuant to the Securities and Futures Ordinance (Chapter 571 of the Hong Kong laws) (the “**SFO**”). Based on information available and public records, however, the Company is unable to determine the accuracy of Independent Assets’ claim. As announced in previous announcements of the Company, Independent Assets transferred 30,000,000 Shares and 50,000,000 Shares to two independent third parties, respectively (the “**Relevant Transfers**”). Pursuant to orders made by the High Court of Hong Kong, the Company is restrained from taking steps to register the Relevant Transfers, pending the determination of relevant legal disputes. Previously, a stop notice (the “**Stop Notice**”) was served by the legal advisor of Independent Assets on the Company and the Share Registrar which is intended to stop the transfer of the 106,600,000 Shares held in the name of Independent Assets under seven share certificates issued by the Company before Independent Assets has been notified accordingly. Until now, Independent Assets has applied to stop the transfer of a total of 186,600,000 Shares, and this is inconsistent with the number of Shares held by Independent Assets as shown by information available to the Company and public records. In view of the aforesaid, the Company could only provide the above information based on the Stock Exchange’s disclosure of interest records at this stage.
5. Based on information available and public records, Smart Neo Holdings Limited is the beneficial owner of 138,822,000 Shares and is wholly and beneficially owned by Dr. Ng Yu. Therefore, Dr. Ng Yu is deemed to be interested in the Shares owned by Smart Neo Holdings Limited pursuant to the SFO.

Therefore, each of Clever Path Holdings Limited, TAG Holdings Limited, Convoy (BVI) Limited, and Convoy Global Holdings Limited is deemed to be interested in these 74,954,000 Shares in which TAG Investment Limited is interested pursuant to the SFO.
