The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

By order of the Board
China Innovation Investment Limited
Xiang Xin
Chairman and Chief Executive Officer

This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) of the Listing Rules.

1. REASON FOR REPURCHASE

The Directors believe that it is in the best interests of the Company and its Shareholders to continue to have a general authority from the Shareholders to enable the Directors to repurchase shares of the Company on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per share and will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders as a whole.

2. SHARE CAPITAL

As at the Latest Practicable Date, the Company had 12,801,578,629 Shares in issue and there were 528,868,422 Shares available for issue under the Share Option Scheme which represents approximately 4.13% of the issued share capital of the Company. Subject to the passing of the relevant resolution approving the Repurchase Mandate and on the basis that no Shares are issued or repurchased by the Company from the Latest Practicable Date prior to the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 1,280,157,862 Shares.

3. FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum and Articles and the applicable laws of the Cayman Islands. The Companies Law of the Cayman Islands provides that the amount of capital repaid in connection with a share repurchase must have been provided for out of the profits of the Company and/or out of the proceeds of a fresh issue of shares made for the purpose of the repurchase to such an extent allowable under the Companies Law of the Cayman Islands.

An exercise of the Repurchase Mandate in full at any time during the proposed repurchase period would have a material adverse impact on the working capital but not on the gearing position of the Company as compared with the position disclosed in its most recent published audited financial statements in the 2021 annual report. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months and up to the Latest Practicable Date were as follows:

	Price per Share	
	Lowest <i>HK\$</i>	Highest <i>HK\$</i>
2021		
April	0.010	0.013
May	0.010	0.011
June	0.010	0.010
July	0.010	0.015
August	0.010	0.010
September	0.010	0.010
October	0.010	0.010
November	0.010	0.010
December	0.010	0.010
2022		
January	0.010	0.010
February	0.010	0.010
March (up to the Latest Practicable Date)	0.010	0.010

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make repurchases pursuant to Ordinary Resolution No. 4, the Listing Rules and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective associates has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company.

No connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell any Shares to the Company nor have any such connected persons have undertaken not to sell any of the Shares held by them to the Company, in the event that the Repurchase Mandate is approved by the Shareholders.

6. TAKEOVERS CODE

If, as a result of a share repurchase, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, the substantial Shareholders (as defined in the SFO) and in the event that the Directors exercise the Repurchase Mandate in full, shareholding percentage of the substantial Shareholders under the SFO would be as follows:

Name	Approximate percentage of shareholding as at the Latest Practicable Date	Approximate percentage of shareholding if the Repurchase Mandate is exercised in full
Harvest Rise Investments Limited (<i>Note 1</i>)	29.82%	33.13%
China Technology Education Trust Association (<i>Note 1</i>)	29.82%	33.13%

Notes:

- Harvest Rise Investments Limited is a private company wholly and beneficially owned by China Technology Education Trust Association (the "Trust Association"). Accordingly, the Trust Association is interested in the Shares and the underlying Shares of the Company held by Harvest Rise Investments Limited. The Trust Association is a society registered under the provisions of section 5A(1) of the Societies Ordinance in 2005, which is a charitable society providing charity and financial aid to technology education and employment in Hong Kong and Mainland China. Mr. Xiang Xin is a chairman of the Trust Association.

If the present shareholdings remained the same, the shareholding of China Technology Education Trust Association would be increased to approximately 33.13% of the issued share capital of the Company in the event that the Repurchase Mandate is exercised in full. The Directors have no present intention to exercise the repurchase proposal to such an extent as would result in takeover obligations.
