## **SHARE CAPITAL**

As at the Latest Practicable Date, the Company had 412,608,000 Shares in issue or an issued share capital of HK\$4,126,080. Subject to the passing of the proposed ordinary resolution approving the Repurchase Mandate and no further Shares was issued, allotted or repurchased by the Company prior to the AGM, the exercise of the Repurchase Mandate in full would result in up to a maximum of 41,260,800 Shares, representing 10% of the total number of Shares in issue and a share capital of HK\$412,608 being repurchased by the Company during the period ending on the earlier of: (i) the conclusion of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting of the Company is required to be held by law; or (iii) the date upon which the Repurchase Mandate is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company.

## **REASONS FOR REPURCHASE**

The Directors believe that it is in the interests of the Company and the Shareholders as a whole for the Directors to have general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements of the Company at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

## **FUNDING OF REPURCHASE**

The Directors propose that the repurchase of Shares under the Repurchase Mandate would be financed from the Company's internal resources.

In repurchasing the Shares, the Company may only apply funds legally available for such purposes in accordance with the memorandum of association of the Company and the Articles, the Listing Rules and the applicable laws of the Cayman Islands. A listed company may not repurchase its own shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. The Listing Rules also provide that the shares must be fully paid up and all repurchases must be approved in advance by ordinary resolution of shareholders. Under the laws of the Cayman Islands, repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of the Company's profits or share premium account, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of the Company's capital.

---

**APPENDIX I                      EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE**

---

The exercise of the Repurchase Mandate in full will not have a material adverse impact on the working capital or the gearing level of the Company, as compared with the position disclosed in the Company's audited accounts for the year ended 31 December 2021.

The Directors do not propose to exercise the Repurchase Mandate to such extent that would, in the circumstances, have a material adverse impact on the working capital or the gearing level of the Company which, in the opinion of the Directors, are from time to time appropriate for the Company. The number of the Shares to be repurchased on any occasion and the price and other terms upon which the same are purchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

**DISCLOSURE OF INTERESTS**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company or its subsidiaries (as defined in the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap. 32 of the Laws of Hong Kong)).

No core connected person has notified the Company that he/she has a present intention to sell any Shares to the Company nor has undertaken not to sell any of the Shares held by him/her to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

**TAKEOVERS CODE**

If, as a result of the Shares repurchase pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (within the meaning under the Takeovers Code), could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge of the Directors, the controlling Shareholders, namely Velocity International Limited and Mr. Chan Yeung Nam (together the "**Controlling Shareholders**"), together, exercise and/or control the exercise of approximately 72.71% voting rights in the general meeting of the Company.

In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Repurchase Mandate, the direct and indirect shareholding of the Controlling Shareholders in the Company would increase to approximately 80.79% of the issued share capital of the Company. As at the Latest Practicable Date, the Directors are not aware of the consequences of such increases or as a result of shares repurchases that would result in any of the aforesaid person or any Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory offer under the Takeovers Code. Having said that, the Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.

No repurchase of Shares has been made by the Company in the last six months up to the Latest Practicable Date (whether on the Stock Exchange or otherwise).
