Reasons for the Investor's Subscription and the Use of Proceeds

The Investor's Subscription, together with the Scheme, is part of the corporate rescue action of the Company, which involves relieving the liabilities of the Company and the funding provided sufficient funding for the Company to continue and further develop its business.

The Group was principally engaged in design, development, manufacture and sales of home decor products and electric fireplaces. On 15 October 2021, the Company intended to acquire 51% interests in Gold Future Industrial Limited (德隆貿易有限公司) which is principally engaged in trading and manufacture of artificial flowers.

The gross proceeds from the Investor's Subscription amount to HK\$20,000,000 and HK\$15 million will firstly be applied for the distribution of the Cash Bonus under the Scheme and the remaining balance of HK\$5 million is expected to be used for the relevant cost for restructuring, general working capital and business development of the Group's artificial flowers.

The Company negotiated with the Investor in formulating a feasible restructuring plan and shall possibly come up with further Restructuring Agreement and the Restructuring Transactions, in which the Investor shall provide further funding to the Company through the Investor's further Subscription under the Restructuring Agreement for the implementation of the restructuring plan and for the future operation of the Company.

2. THE SCHEME

The Scheme will involve (i) the Cash Bonus; and (ii) the Scheme Shares Issue which the details are set out below:

Cash Bonus

Under the Scheme and subject to the terms thereof, HK\$15 million of the total consideration of the Investor's Subscription, will be utilized to be distributed to the Creditors with Admitted Claims on a pro-rata basis for their Admitted Claim, which serve as a bonus to the Creditors and provide an incentive to the Creditors for their support of the Scheme. The distribution of the Cash Bonus will be conducted in accordance with the terms of the Scheme.

Scheme Shares Issue

Subject to the approval by the High Court the Company proposes to implement the Scheme. Under the Scheme, the Company will allot and issue the Scheme Shares to the Creditors to compromise, discharge and/or settle the Debts owing by the

Company to the Creditors in full.

As at the date of this announcement, based on the available books and records of the Company, the total estimated indebtedness, owed by the Company to its Creditors is approximately HK\$190 million. Although this indebtedness figure is indicative and will be subject to the proof of Debts filed in accordance with the terms of the Scheme, the final determination by the Scheme Administrators and (if applicable) adjudication under the Scheme, the final indebtedness figure is not expected to exceed HK\$190 million and the Company will make announcement as soon as the final indebtedness figure becomes available which is expected to be after the implementation of the Scheme.

Subject to Sanction Order on the Scheme by the High Court, and the Scheme having become effective, the Scheme will become legally binding on the Company and its Creditors upon filing of the Sanction Order of the High Court with the Company Registry in Hong Kong.

Upon the Scheme becoming effective and after the adjudication for the Admitted Claims is completed, the Company will implement the Scheme Shares Issue, under which it is estimated that the Company will allot and issue, in aggregate, up to a maximum of 600,000,000 New Shares where the Creditors will receive 1 New Share for every HK\$0.29 in the amount of the Admitted Claims due to them by the Company for settlement of the Debts of the Creditors in accordance with the terms of the Scheme, and upon which all the Debts of the Creditors will be discharged and extinguished and the Creditors will not be allowed to make any claim against the Company in respect of their Debts. The actual number of Scheme Shares to be issued will be subject to the notices of claim filed in accordance with the terms of the Scheme, the final determination by the adjudicator of the Admitted Claims appointed under the Scheme, which will be after the effective date of the Scheme, and in turn is subject to the timetable and actual development of the Scheme.

The Admitted Claims would be subject to Notices of Claim submitted by the Creditors and adjudication to be conducted by the Scheme Administrators after the fulfillment of all conditions precedents and the implementation of the Scheme. At this stage, the amount of Admitted Claims is yet to be determined.

The issue price of the Scheme Shares was determined with reference to the prevailing market conditions, situation and financial position of the Company and recovery rate to be approved by the Creditors. The maximum number of 600,000,000 Scheme Shares will represent approximately 18.93% of the enlarged issued share capital of the Company as enlarged by the allotment and issue of the Investor's Subscription Shares and the Scheme Shares (assuming there is no change in the issued share capital of the Company other than the allotment and issue of the Investor's Subscription Shares and the Scheme Shares), and will rank *pari passu* in all respects with each other in accordance with the Company's memorandum and articles of association.

Subject to declarations made by the creditors otherwise, all of the Creditors are independent of and not connected with the Company and its subsidiaries, its connected person(s) and their respective associate(s) and none of them are Shareholders. ***The connected shareholders, if any, should NOT vote in the resolutions in relation to the Scheme and the related resolutions.***

Application for the listing of the Scheme Shares

The allotment and issue of the Scheme Shares is subject to the Independent Shareholders' approval. The Company will allot and issue the Scheme Shares under the Specific Mandate to be granted by the Independent Shareholders at the EGM. An application will be made by the Company to the Stock Exchange for the listing of, and permission to deal in, the Scheme Shares.

Conditions precedent to the Scheme

The Scheme shall become effective subject to the fulfillment of the following conditions precedent:

- (a) over fifty per cent. (50%) in number of the Creditors, representing at least seventy-five per cent. (75%) in value of the Creditors, present and voting in person or by proxy at the Scheme meeting, vote in favour of the Scheme;
- (b) the High Court sanctions the Scheme and an official copy of the order of the High Court sanctioning the Scheme is delivered to the Registrar of Companies in HongKong for registration;

- (c) the passing of the necessary resolutions by at least 50% of the Independent Shareholders at the EGM by way of poll in respect of (a) the Investor's Subscription; (b) the Scheme and the transactions contemplated thereunder;
- (d) the Company having obtained either conditional approval or approval in-principle from the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Scheme Shares on the Stock Exchange;
- (e) the Investor's Subscription having become unconditional; and
- (f) the Scheme having become effective (including all necessary sanctions by the High Court having been obtained).

All the conditions precedent to the Scheme are not capable of being waived. As at the date of this announcement, none of the conditions above has been fulfilled.

As the completion of the Investor's Subscription and the Scheme Shares Issue are inter-conditional upon each other, the Investor's Subscription Shares and the Scheme Shares will be issued at the same time. In simple words, if for any reason the Investor's Subscription does not proceed, the Scheme Shares Issue will not proceed, and vice versa.

Pursuant to the Restructuring Agreement, if the conditions precedent for the Scheme and the Investor's Subscription, have not been fulfilled or waived (as the case may be) on or before 31 December 2023, the Restructuring Agreement will be terminated and the Scheme will not proceed.

Benefits of the Scheme to the Shareholders

As stated above, the Company is now under severe financial pressure that the unpaid creditors are more than HK\$ million. In order to maintain a positive cashflow in future, the management considers that the agreement from the Creditors to compromise and to discharge and/or settle the Debts owing by the Company to the Creditors in full is indispensable. The Board considers that without the positive cashflow, it is very difficult for the Company to obtain consents from the Listing Review Committee for granting a resumption of trading of the Company's shares in the Exchange.

Should such concern arise after the release of this announcement, the Company will endeavour to resolve the matter to the satisfaction of the relevant authorities as soon as possible but in any event before the despatch of the Circular.
