AND
(3) NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information regarding the resolutions to be proposed at the Annual General Meeting regarding (i) the approval of the general mandates to issue, allot and otherwise deal with new Shares and to repurchase the Company's fully paid up Shares; and (ii) the re-election of retiring Directors.

LETTER FROM THE BOARD

GENERAL MANDATES TO ISSUE AND TO REPURCHASE SHARES

At the last annual general meeting of the Company held on 21 May 2021, the Shareholders passed resolutions granting the Directors general mandates to allot, issue and otherwise deal with new Shares and to repurchase Shares. Such mandates will expire and lapse at the conclusion of the Annual General Meeting. It is therefore proposed to renew the general mandates to issue, allot and otherwise deal with new Shares and to repurchase Shares at the Annual General Meeting.

Issue Mandate

At the Annual General Meeting, an ordinary resolution will be proposed to the Shareholders to consider and, if thought fit, approve the Issue Mandate which will enable the Directors to exercise the power of the Company to allot, issue and otherwise deal with new Shares not exceeding 20% of the aggregate nominal amount of the share capital of the Company in issue as at the date of passing such resolution. In addition, an ordinary resolution will also be proposed to the Shareholders to consider and, if thought fit, approve the extension of the Issue Mandate by adding to the aggregate number of Shares which may be allotted, issued or otherwise dealt with or agreed conditionally or unconditionally to be allotted, issued or otherwise dealt with by the Directors pursuant to the Issue Mandate the number of Shares repurchased under the Repurchase Mandate, if granted.

As at the Latest Practicable Date, the issued and fully paid up share capital of the Company comprised 808,096,025 Shares. Assuming that there is no change in the issued and fully paid up share capital of the Company between the period from the Latest Practicable Date and the date of passing of the resolution approving the Issue Mandate, the maximum number of Shares which may be issued pursuant to the Issue Mandate will be 161,619,205 Shares.

Details of the Issue Mandate and the extension of the Issue Mandate are respectively set out in ordinary resolutions numbered 4(2) and 4(3) in the notice of the Annual General Meeting set out on pages 17 to 21 of this circular.

Repurchase Mandate

At the Annual General Meeting, an ordinary resolution will be proposed for the Shareholders to consider and, if thought fit, approve the Repurchase Mandate which will enable the Directors to exercise the power of the Company to repurchase Shares up to 10% of the issued and fully paid up share capital of the Company as at the date of passing of such resolution. The Company's authority is restricted to repurchase Shares in the market in accordance with the Listing Rules.

As at the Latest Practicable Date, the issued and fully paid up share capital of the Company comprised 808,096,025 Shares. Assuming that there is no change in the issued and fully paid up share capital of the Company between the period from the Latest Practicable Date and the date of passing of the resolution approving the Repurchase Mandate, the maximum number of Shares which may be repurchased pursuant to the Repurchase Mandate will be 80,809,602 Shares.

Pursuant to the Listing Rules, an explanatory statement containing all the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the ordinary resolution to approve the Repurchase Mandate is set out in Appendix I hereto.

LETTER FROM THE BOARD

Details of the Repurchase Mandate are set out in ordinary resolution numbered 4(1) in the notice of the Annual General Meeting set out on pages 17 to 21 of this circular.

Both the Issue Mandate and the Repurchase Mandate will expire upon the earliest of:

- (a) the conclusion of the next annual general meeting of the Company;
- (b) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-Laws or any applicable law of Bermuda to be held; or
- (c) the revocation or variation of such authority by an ordinary resolution of the Shareholders in general meeting.

RE-ELECTION OF RETIRING DIRECTORS

Pursuant to bye-law 84(1) of the Bye-Laws, at each annual general meeting, one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at least once every three years. Pursuant to bye-law 84(2) of the Bye-Laws, a retiring Director shall be eligible for re-election. Accordingly, Mr. Sung Kai Hing and Mr. Cheung Kong Cheung shall retire from office at the Annual General Meeting, and being eligible, would offer themselves for re-election at the Annual General Meeting.

In addition, pursuant to bye-laws 83(2) and 84(2) of the Bye-Laws, any Director so appointed to fill a casual vacancy or as an addition to the Board shall hold office only until the next following general meeting of the Company and shall then be eligible for re-election (but shall not be taken into account in determining which particular Directors or the number of Directors who are to retire by rotation). Accordingly, Mr. Feng Jianzhong and Ms. Leung Yuen Man shall retire from office at the Annual General Meeting, and being eligible, would offer themselves for re-election at the Annual General Meeting.

Details of the retiring Directors proposed for re-election at the Annual General Meeting are set out in Appendix II of this Circular.

Pursuant to code provision A.5.5 of the Corporate Governance Code and Corporate Governance Report in Appendix 14 of the Listing Rules, where the board proposes a resolution to elect an individual as an independent non-executive director at the general meeting, it should set out in the circular (among others): (i) the process used for identifying the individual and why the board believes the individual should be elected and the reasons why it considers the individual to be independent; (ii) the perspectives, skills and experience that the individual can bring to the board; and (iii) how the individual contributes to diversity of the board.

LETTER FROM THE BOARD

PROCEDURE AND PROCESS FOR NOMINATION OF DIRECTORS

The Board, through the delegation of its authority to the Nomination Committee, shall ensure that Directors (including independent non-executive Directors) appointed (including re-elected) possess the relevant background, experience and knowledge in business and finance and management skills critical to the Group's business to enable the Board to make informed decisions. The Nomination Committee will make recommendations to the Board regarding the appointment (including re-election) of Director (including independent non-executive Director) in accordance with the following procedures and process. The Nomination Committee retains the discretion to establish the relative weighting of such criteria, which may vary based on the composition, skill sets, age, gender and experiences of the collective Board rather than on the individual candidate for the purpose of diversity perspectives appropriate to the requirement of the Company's business.

Upon considering a director candidate suitable for the directorship, the Nomination Committee will hold a meeting and/or by way of written resolutions to, if thought fit, approve the recommendation to the Board for appointment (including re-election).

RECOMMENDATION OF THE NOMINATION COMMITTEE

The Nomination Committee had assessed and reviewed the written confirmation of independence, and confirmed that each of Mr. Feng Jianzhong and Ms. Leung Yuen Man remain independent based on the criteria set out in Rule 3.13 of the Listing Rules. Therefore, the Nomination Committee nominated the retiring Directors to the Board for it to propose to Shareholders for their re-election at the Annual General Meeting.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

GENERAL INFORMATION

Your attention is also drawn to the information as set out in the Appendices to this circular.

Yours faithfully,
For and on behalf of the Board
HING LEE (HK) HOLDINGS LIMITED
Sung Kai Hing
Chairman

This Appendix serves as an explanatory statement required by the Listing Rules to provide the Shareholders with all the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the ordinary resolution to approve the Repurchase Mandate.

LISTING RULES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their own shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

(a) Shareholders' approval

All proposed repurchases of shares on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate or by specific approval.

(b) Source of funds

Repurchases of shares must be made out of funds legally available for such purpose in accordance with the company's constitutive documents and the laws of the jurisdiction in which the company is incorporated or established.

The laws of Bermuda provide that the amount of capital paid in connection with a share repurchase by a Company may only be paid out of either the capital paid up on the relevant shares, or the funds of the Company which would otherwise be available for dividend or distribution or the proceeds of a fresh issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of funds of the Company which would otherwise be available for dividend or distribution or out of the share premium account of the Company before the shares are repurchased.

(c) Status of shares to be repurchased

The shares proposed to be repurchased by the Company must be fully paid-up.

SHARE CAPITAL

As at the Latest Practicable Date, (i) the issued share capital of the Company was HK\$8,080,960.25 comprising 808,096,025 Shares; and (ii) no share options were outstanding.

Subject to the passing of the proposed ordinary resolution approving the Repurchase Mandate and on the basis that no further Shares are issued, allotted or repurchased by the Company prior to the Annual General Meeting, the exercise of the Repurchase Mandate in full would enable the Company to repurchase up to 80,809,602 Shares during the period commencing on the date of the passing of the resolution granting the Repurchase Mandate and ending on the earliest of (i) the conclusion of the next annual general meeting of the Company following the passing of the resolution referred to herein; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-Laws or any applicable law of Bermuda to be held; or (iii) the date on which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company.

REASONS FOR SHARE REPURCHASE

Although the Directors have no present intention of repurchasing the Shares, they believe that it is in the best interests of the Company and the Shareholders to continue to have a general authority from the Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

FUNDING OF REPURCHASE

It is envisaged that any repurchase of Shares will be financed out of funds which are legally available for such purpose in accordance with the memorandum of continuance and the Bye-Laws, the Listing Rules and the applicable laws of Bermuda.

The Directors are not aware of any material adverse impact on the working capital or gearing level of the Company as compared with the position disclosed in its most recent published audited accounts for the year ended 31 December 2021 in the event that the Repurchase Mandate is exercised in full.

SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date were as follows:

DISCLOSURE OF INTERESTS

As at the Latest Practicable Date, none of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates had any present intention to sell any Shares to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

As at the Latest Practicable Date, no core connected person has notified the Company that he/she has a present intention to sell any Shares to the Company or has undertaken not to sell any of the Shares held by him/her to the Company, in the event that the Repurchase Mandate is approved by the Shareholders.

UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will only exercise the Repurchase Mandate in accordance with the memorandum of continuance and the Bye-Laws, the Listing Rules and the applicable laws of Bermuda.

EFFECT OF THE TAKEOVERS CODE AND MINIMUM PUBLIC FLOAT

Pursuant to Rule 32 of the Takeovers Code, if as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

Further, under Note 6(b) to Rule 26.1 of the Takeovers Code, when a concert group holds over 50% voting rights of the Company, no obligations normally arise from acquisitions by any member of the concert group. However, subject to considerations similar to those set out in Note 6(a) to Rule 26.1, the Executive may regard as giving rise to an obligation to make an offer the acquisition by a single member of the concert group of voting rights sufficient to increase his holding by more than 2% in any 12 month period if he already holds between 30% and 50%.

As at the Latest Practicable Date, as far as the Directors are aware, the concert group comprising Mr. Sung Kai Hing and his beneficially wholly owned company, King Right Holdings Limited ("**King Right**"), Mr. Chan Kwok Kin and his beneficially wholly owned company, Golden Sunday Limited, Mr. Cheung Kong Cheung and his beneficially wholly owned company, United Sino Limited and Mr. Huang Wei Ye and his beneficially wholly owned company, Top Right Trading Limited, were together interested in 471,614,000 Shares, representing approximately 58.36% of the issued share capital of the Company. On the other hand, King Right and Mr. Sung Kai Hing together held 288,596,777 Shares, representing approximately 35.71% of the issued share capital of the Company.

Accordingly, if the Directors exercise the Repurchase Mandate in full, the proportionate interest of King Right and Mr. Sung Kai Hing in the voting rights of the Company would increase to approximately 39.68%. It is possible that such an increase may be regarded by the Executive as giving rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code subject to considerations similar to those set out in Note 6(a) to Rule 26.1. The Directors have no present intention to exercise the Repurchase Mandate to the extent that such an obligation under the Takeovers Code would arise.

In addition, assuming that no further issue of Shares between the Latest Practicable Date and the date of a repurchase, the Directors do not consider that the exercise of the Repurchase Mandate in whole or in part will reduce the number of Shares held by the public to less than 25% of the issued share capital of the Company as required by Rule 8.08 of the Listing Rules. The Directors have no intention to exercise the Repurchase Mandate to an extent as may result in a public shareholding of less than such prescribed percentage.

Save as disclosed above, the Directors are currently not aware of any consequences which will arise under the Takeovers Code as a result of any repurchase made pursuant to the Repurchase Mandate.

SHARE REPURCHASES BY THE COMPANY

The Company has not repurchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
