Mr. Gu has confirmed that there is no other matter that needs to be brought to the attention of the Shareholders and there is no other information that should be disclosed pursuant to Rule 13.51(2)(h) to 13.51(2)(v) of the Listing Rules.

The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the granting of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 480,000,000 Shares. Subject to the passing of the resolution set out in paragraph 5 of the Notice of AGM in respect of the granting of the Repurchase Mandate and on the basis that no further Shares are issued, allotted or repurchased before the AGM, the Company would be allowed under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, a maximum of 48,000,000 Shares, representing 10% of the total number of the issued Shares as at the date of the AGM.

2. REASONS FOR REPURCHASE OF SHARES

The Directors believe that it is in the best interests of the Company and its Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or the earnings per Share and will only be made where the Directors believe such repurchases will benefit the Company and Shareholders as a whole.

3. SHARE PRICES

The highest and lowest prices per Share at which the Shares were traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date were as follows:

	Highest <i>(HK\$)</i>	Lowest <i>(HK\$)</i>
2021		
April	0.445	0.355
May	0.390	0.350
June	0.425	0.370
July	0.420	0.380
August	0.410	0.320
September	0.405	0.340
October	0.415	0.375
November	0.395	0.320
December	0.385	0.305
2022		
January	0.365	0.290
February	0.355	0.325
March	0.350	0.260
April (up to the Latest Practicable Date)	0.340	0.295

4. SOURCE OF FUNDS

Repurchases must be funded out of funds legally available for such purpose and in accordance with the Articles of Association, the laws of the Cayman Islands and the Listing Rules. The Company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. Under the Cayman Islands laws, any repurchases by the Company may be made out of profits of the Company, out of the Company's share premium account or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if so authorised by the Articles of Association and subject to the provisions of the Cayman Companies Law, out of capital.

Any premium payable on a redemption or repurchase over the par value of the Shares to be repurchased must be provided for out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorised by the Articles of Association and subject to the provisions of the Cayman Companies Law, out of capital.

The Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on our working capital and/or gearing position of the Group, as disclosed in the audited consolidated financial statements of our Group as of 31 December 2021, being the date to which the latest published audited consolidated financial statements of our Group. The Directors, however, do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on our working capital requirements or gearing levels which in the opinion of the Directors are from time to time appropriate for our Group.

5. TRADING RESTRICTIONS

The total number of Shares which we may repurchase is up to 10% of the total number of the issued Shares. The Company may not issue or announce a proposed issue of Shares for a period of 30 days immediately following a repurchase of Shares, without the prior approval of the Stock Exchange. The Company is also prohibited from repurchasing Shares on the Stock Exchange if the repurchase would result in the number of listed Shares which are in the hands of the public falling below the relevant prescribed minimum percentage as required by the Stock Exchange. The Company is required to procure that the broker appointed by the Company to effect a repurchase of Shares discloses to the Stock Exchange such information with respect to the repurchase as the Stock Exchange may require.

As required by the prevailing requirements of the Listing Rules, the Company shall not purchase its Shares on the Stock Exchange if the purchase price is higher by 5% or more than the average closing market price for the five preceding trading days on which its Shares were traded on the Stock Exchange.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules) currently intends to sell any Shares to the Company or its subsidiaries.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. The Company has not repurchased any Shares since the last annual general meeting of the company held on 28 May 2021 up to the Latest Practicable Date.

If, as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights is increased, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert may obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code unless a whitewash waiver is obtained. Save as aforesaid, the Directors are not aware of any consequence which would arise under the Takeovers Code as a result of a repurchase upon exercise of the Repurchase Mandate.

Any repurchase of Shares which results in the number of Shares held by the public being reduced to less than 25% of the Shares then in issue could only be implemented with the approval of the Stock Exchange to waive the Listing Rules requirements regarding the public shareholding referred to above. It is believed that a waiver of this provision would not normally be given other than in exceptional circumstances.

No core connected person (as defined in the Listing Rules) has notified the Company that he or she has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is exercised.

7. DISCLOSURE OF INTERESTS AND MINIMUM PUBLIC HOLDING

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, the substantial Shareholders having interests in 10% or more of the issued share capital of the Company were:

Name of Shareholder	Approximate% shareholding		
	Number of Shares held	As at the Latest Practicable Date	If Repurchase Mandate is exercised in full
Mr. Ge	360,000,000	75.0%	83.3%
Ms. Gu	360,000,000	75.0%	83.3%
Innovative Green Holdings	360,000,000	75.0%	83.3%

The Directors have no intention to exercise the Repurchase Mandate to such an extent that may result in the public shareholding of less than 25% of the issued share capital of the Company.
