To the Shareholders

Dear Sir and Madam,

**PROPOSALS FOR
GENERAL MANDATES TO ISSUE SHARES AND
REPURCHASE SHARES;
RE-ELECTION OF RETIRING DIRECTORS;
AND
NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide the Shareholders with the notice of Annual General Meeting and information in respect of the following proposals to be put forward at the Annual General Meeting, including, among others: (i) the granting of the Issue Mandate to the Directors; (ii) the granting of the Repurchase Mandate to the Directors; and (iii) the re-election of the retiring Directors.

LETTER FROM THE BOARD

ISSUE MANDATE

In order to ensure greater flexibility and give discretion to the Directors in the event that it becomes desirable for the Company to issue new Shares, approval is to be sought from the Shareholders, pursuant to the Listing Rules, for the granting of the Issue Mandate to the Directors to issue Shares. The ordinary resolution numbered 4 will be proposed at the Annual General Meeting to grant to the Directors the Issue Mandate to exercise the powers of the Company to allot, issue and otherwise deal with new shares in the share capital of the Company up to 20 per cent of the total number of issued Shares as at the date of passing of the resolution in relation to the Issue Mandate. As at the Latest Practicable Date, the issued share capital of the Company comprised 1,500,000,000 Shares. Subject to the passing of the above ordinary resolution and on the basis that there is no change in the number of the issued Shares during the period between the Latest Practicable Date and the date of the Annual General Meeting, the maximum number of Shares which may be allotted, issued and otherwise dealt with pursuant to the Issue Mandate will be 300,000,000 Shares, being 20 per cent of the total number of issued Shares as at the date of passing of the resolution to approve the Issue Mandate.

The Issue Mandate will expire at the earliest of (i) the conclusion of the next annual general meeting of the Company following the Annual General Meeting; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws to be held; or (iii) the date upon which such authority is revoked or varied by the ordinary resolutions passed by the Shareholders at general meeting prior to the next annual general meeting of the Company.

The Directors wish to state that they have no immediate plan to issue any Shares pursuant thereto.

REPURCHASE MANDATE

In addition, the ordinary resolution numbered 5 will be proposed at the Annual General Meeting to grant the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase issued Shares representing up to 10 per cent of the total number of issued Shares as at the date of passing of the resolution in relation to the Repurchase Mandate. As at the Latest Practicable Date, the Company did not repurchase any issued Shares. Assuming that there is no change in the number of the issued Shares during the period between the Latest Practicable Date and the date of the Annual General Meeting, the maximum number of Shares which may be repurchased pursuant to the Repurchase Mandate will be 150,000,000 Shares, being 10 per cent of the total number of issued Shares as at the date of passing of such resolution. The Repurchase Mandate will expire at the earliest of (i) the conclusion of the next annual general meeting of the Company following the Annual General Meeting; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws to be held; or (iii) the date upon which such authority is revoked or varied by the ordinary resolutions passed by the Shareholders at general meeting prior to the next annual general meeting of the Company.

LETTER FROM THE BOARD

If the Company conducts a share consolidation or subdivision after the Issue Mandate or the Repurchase Mandate has been approved at the Annual General Meeting, the maximum number of Shares that may be allotted, issued and otherwise dealt with under the Issue Mandate or repurchased under the Repurchase Mandate (as the case may be) as a percentage of the total number of issued Shares immediately before and after the date of such consolidation or subdivision shall be the same.

As required by the Listing Rules, an explanatory statement in connection with the Repurchase Mandate is set out in Appendix II to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the Annual General Meeting.

Subject to the passing of the ordinary resolutions to grant the Issue Mandate and the Repurchase Mandate, the ordinary resolution numbered 6 will be proposed at the Annual General Meeting to extend the Issue Mandate by including the number of Shares repurchased under the Repurchase Mandate. The Directors wish to state that they have no immediate plan to repurchase any Shares pursuant thereto.

DIRECTOR'S REMUNERATION

The total amount of the Directors' remuneration for the year ended 31 December 2021 received by each of the retiring Directors are set out in the financial statements of the Company's 2021 annual report. The Director's emoluments are to be determined by the Board after the recommendation from the Remuneration Committee by reference to the time commitment and responsibilities, the Company's performance and the prevailing market conditions.

The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,500,000,000 Shares. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date up to the date of the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 150,000,000 Shares, which represent 10 per cent of the number of issued Shares as at the date of the Annual General Meeting, during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company following the Annual General Meeting; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws to be held; or (iii) the date upon which such authority is revoked or varied by the ordinary resolutions passed by the Shareholders in general meeting prior to the next annual general meeting of the Company.

REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

FUNDING OF REPURCHASES

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association and the Cayman Companies Law. The Cayman Companies Law provides that the amount of capital repaid in connection with a share repurchase may be paid out of either the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital (including share premium account and capital redemption reserve) if the Company can, immediately following such payment, pay its debts as they fall due in the ordinary course of business.

IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital and/or gearing position of the Company (as compared with the position disclosed in the consolidated financial position of the Company as at 31 December 2021, being the date of the latest published audited financial statements of the Company) if the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, any of their respective close associates, has any present intention to sell any Shares to the Company under the Repurchase Mandate in the event that the Repurchase Mandate is approved by the Shareholders.

No core connected person (as defined under the Listing Rules) of the Company has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is exercised.

If the Repurchase Mandate is exercised in full, the aggregate shareholding of Honchuen Investment Limited, Zuoting Investment Limited and Weixin Development Overseas Limited, which are wholly-owned by Mr. Cheung Hon Chuen, Mr. Mei Zuoting and Mr. Zhang Weixin, respectively, would be increased from approximately 52.2% to 58.0% of the issued share capital of the Company, based upon their shareholdings as at the Latest Practicable Date.

The Directors are not aware of any consequences which may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and/or result in the aggregate number of Shares held by the public Shareholders falling below the prescribed minimum percentage of 25% required by the Listing Rules.

SHARE REPURCHASE MADE BY THE COMPANY

During the six months prior to the Latest Practicable Date, the Company nor any of its subsidiaries has not repurchased any of its Shares (whether on the Stock Exchange or otherwise).

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the Articles of Association.
