This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the requisite information to you for your consideration of the proposed grant of the Repurchase Mandate.

1. LISTING RULES RELATING TO THE REPURCHASE MANDATE

The Listing Rules permit companies with a primary listing on the Stock Exchange to purchase their securities subject to certain restrictions. All proposed repurchases of securities on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate or by a specific approval of a particular transaction and that the shares to be repurchased must be fully paid up. A maximum of 10% of the total number of issued Shares as at the date of passing the relevant resolution may be repurchased on the Stock Exchange.

2. SHARE CAPITAL

As at the Latest Practicable Date, there were a total of 427,500,000 Shares in issue. Subject to the passing of the ordinary resolution for the approval of the Repurchase Mandate and assuming that no further Shares are issued and no Shares are repurchased and cancelled after the Latest Practicable Date and up to the date of the 2022 AGM, the Directors would be authorised to exercise the power of the Company to repurchase up to a maximum of 42,750,000 Shares, representing 10% of the total issued Shares as at the date of the 2022 AGM up to the earliest of (i) the conclusion of the next annual general meeting of the Company, (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by the Articles of Association or any applicable laws of the Cayman Islands, or (iii) the date on which such authority is revoked or varied by an ordinary resolution of the Shareholders at general meeting of the Company.

3. REASONS FOR REPURCHASES

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value per Share and/or earnings per Share and will only be made when the Directors believe that a repurchase will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

In repurchasing the Shares under the Repurchase Mandate, the Company may only apply funds legally available for such purpose in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands.

The Directors may not repurchase the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Subject to the foregoing, the Directors may make repurchases with profits of the Company or out of a new issuance of Shares made for the purpose of the repurchase or, if authorised by the Articles of Association and subject to the Companies Law of the Cayman Islands, out of capital and, in the case of any premium payable on the repurchase, out of profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorised by the Articles of Association and subject to Companies Law of the Cayman Islands, out of capital.

5. IMPACT ON WORKING CAPITAL OR GEARING LEVEL

An exercise of the Repurchase Mandate in full might have a material adverse impact on the working capital or gearing position of the Company when compared with that as at 31 December 2021, being the date of the Company's latest published audited consolidated financial statements. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

6. SHARE PRICES

The highest and lowest prices per Share at which the Shares were traded on the Stock Exchange in each of the 12 months immediately prior to the Latest Practicable Date were as follows:

7. DIRECTORS AND THEIR CLOSE ASSOCIATES

None of the Directors or, to the best of their knowledge, having made all reasonable enquiries, their close associates, have any present intention to sell to the Company or our subsidiaries any of the Shares if the Repurchase Mandate is approved at the 2022 AGM.

8. REPURCHASE OF SECURITIES FROM CONNECTED PARTIES

As at the Latest Practicable Date, to the best knowledge of the Directors, having made all reasonable enquiries, no core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company nor has any such core connected person undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

10. EFFECT OF TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of the Company exercising its powers to buy-back Shares pursuant to the Repurchase Mandate, such an increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a Mandatory General Offer.

As at the Latest Practicable Date, according to the public record, and to the best of the knowledge and belief of the Directors, Mr. Chen Bingqiang, an executive Director, the chief executive officer of the Company and the chairman of the Board, was beneficially interested in 314,000,000 Shares (held via Sanvo Fine Chemicals Limited, the entire issued share capital of which is solely and beneficially owned by Mr. Chen Bingqiang), representing approximately 73.45% of the total number of issued Shares. In the event that the Directors exercise in full the power to buy back Shares in accordance with the Repurchase Mandate, the shareholding of Mr. Chen Bingqiang would be increased to approximately 81.61% of the total number of the issued Shares. Such increase would not give rise to an obligation on the part of Sanvo Fine Chemicals Limited and parties acting in concert (as defined in the Takeovers Code) with it to make a Mandatory General Offer, however, the public float of the Company will not be maintained.

The Directors are not aware of any consequence which may arise under the Takeovers Code that may result from any repurchase of Shares under the Repurchase Mandate.

The Listing Rules prohibit a company from making a repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

11. SHARE REPURCHASE MADE BY THE COMPANY

The Company did not redeem any of its Shares listed and traded on the Main Board of the Stock Exchange nor did the Company or any of our subsidiaries purchase any of such Shares since the Listing Date up to the Latest Practicable Date.
