The general mandates previously passed by the Shareholders and granted to the Directors to issue and repurchase Shares at the annual general meeting of the Company held on 31 May 2021 will expire at the conclusion of the forthcoming AGM. In order to give the Company the flexibility to issue and repurchase Shares if and when appropriate, ordinary resolutions will be proposed at the AGM to approve the granting of general mandates to the Directors to exercise the powers of the Company:

- (a) to allot, issue and deal with the Shares of an aggregate nominal amount of up to 20% of the aggregate nominal amount of the share capital of the Company in issue as at the date of passing of such resolution (the “**Issue Mandate**”);

The Issue Mandate and Repurchase Mandate will continue in force until the conclusion of the next annual general meeting of the Company held after the AGM or any earlier date as referred to in ordinary resolutions numbered 5A and 5B as set out in the notice of AGM. As at the Latest Practicable Date, a total of 893,761,400 Shares were in issue. Subject to the passing of the ordinary resolutions to approve the Issue Mandate and the Repurchase Mandate at the AGM and on the basis that no further Shares are issued or purchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed to issue up to a maximum of 178,752,280 Shares under the Issue Mandate and to repurchase up to a maximum 89,376,140 Shares under the Repurchase Mandate.

In accordance with the requirements of the Listing Rules, the Company is required to send to the Shareholders an explanatory statement containing all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the granting of the Repurchase Mandate. The explanatory statement as required by the Listing Rules in connection with the Repurchase Mandate is set out in the Appendix I to this circular.

3. PROPOSED DISTRIBUTION OF FINAL DIVIDEND

As disclosed in the further announcement on annual results of the Company dated 19 April 2022, the Board had recommended the payment of a final dividend of HK3.0 cents per Share for the year ended 31 December 2021 to the Shareholders whose names appear on the register of members of the Company on Monday, 13 June 2022. Subject to approval by the Shareholders at the AGM, the Final Dividend shall be payable to entitled Shareholders on or around Monday, 20 June 2022.

LETTER FROM THE BOARD

For the purpose of determining the entitlement of Shareholders to receive the Final Dividend, the register of members of the Company will be closed from Wednesday, 8 June 2022 to Monday, 13 June 2022, both days inclusive, during which period no transfer of Shares will be registered. For the purpose of ascertaining Shareholders' entitlement to the Final Dividend, all transfers of Shares accompanied by the relevant share certificates must be lodged with the branch share registrar and transfer office of the Company in Hong Kong, Computershare Hong Kong Investor Services Limited at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, by not later than 4:30 p.m. on Tuesday, 7 June 2022. 4. RE-ELECTION OF RETIRING DIRECTORS

In accordance with the existing Articles of Association, Mr. Wong Wing Chuen, Mr. Chu Weiman, Ms. Chan So Wah and Mr. Kong Kai Chuen, Frankie will retire from office by rotation and being eligible, have agreed to offer themselves for re-election at the AGM.

Details of the retiring Directors to be re-elected at the AGM are set out in Appendix II to this circular.

Recommendation of the Nomination Committee with respect to the Independent Non-executive Director subject to Re-election at the AGM

According to Code Provision B.2.3 (previously A.4.3) of the Corporate Governance Code as set out in Appendix 14 of the Listing Rules, if an independent non-executive director has served more than nine years, his further appointment should be subject to a separate resolution to be approved by shareholders.

In respect of the proposed re-election of Mr. Kong Kai Chuen, Frankie, the nomination committee of the Company (the "NC") has carefully considered (a) the written confirmation of independence received from Mr. Kong Kai Chuen, Frankie during which he had been independent non-executive director and the criteria as set out in Rule 3.13 of the Listing Rules; (b) the positions held in other listed companies (if any) of Mr. Kong Kai Chuen, Frankie had not affected his independence in the Board's views; (c) the independent views and advice that he had provided to the Board; (d) his participation in the audit, nomination and remuneration committees of the Company; and (e) the independent advice he had given to the Board in relation to the Company's future business strategies, the corporate governance practices and risk management and internal control systems of the Company. The NC had also evaluated the performance of Mr. Kong Kai Chuen, Frankie during the year ended 31 December 2021 based on the nomination policy of the Company, and found his performance satisfactory for re-election. In addition, based on the board diversity policy adopted by the Company, the NC considers that Mr. Kong Kai Chuen, Frankie can contribute to the diversity of the Board, in particular, with his educational background and professional experience in his respective professional areas, including his in-depth knowledge in accounting, auditing, corporate finance and project administration.

LETTER FROM THE BOARD

In view of the above, the Board, with the recommendation of the NC, has nominated Mr. Kong Kai Chuen, Frankie for re-election as independent non-executive Director at the AGM.

5. PROPOSED ADOPTION OF THE AMENDED AND RESTATED MEMORANDUM AND ARTICLES OF ASSOCIATION

As disclosed in the announcement of the Company dated 19 April 2022, the Board proposed to amend the existing Memorandum of Association and Articles of Association to (i) permit the Company to allow general meetings to be held as a hybrid meeting where the Shareholders may attend by electronic means in addition to attending via physical means; (ii) bring the existing Memorandum of Association and Articles of Association in line with amendments made to the applicable laws of the Cayman Islands and the Listing Rules since it was last adopted in June 2007; and (iii) incorporate certain housekeeping amendments (the “**Proposed Amendments**”). In view of the number of amendments proposed, the Board proposed to make the Proposed Amendments by way of adoption of a new set of the Amended and Restated Memorandum and Articles of Association in substitution for and to the exclusion of the existing Memorandum of Association and Articles of Association, rather than by inserting separate amendments into these documents.

The full text of the proposed Amended and Restated Memorandum and Articles of Association (marked-up against the existing Memorandum of Association and Articles of Association) is set out in Appendix III to this circular. The Chinese translation of the proposed Amended and Restated Memorandum and Articles of Association is for reference only. In case of any discrepancy or inconsistency between the English and Chinese versions, the English version shall prevail. The Board proposes to put forward to the Shareholders for approval at the AGM a special resolution to adopt the Amended and Restated Memorandum and Articles of Association. Prior to the passing of the special resolution at the AGM, the existing Memorandum of Association and Articles of Association shall remain valid. The proposed adoption of the Amended and Restated Memorandum and Articles of Association is subject to (i) approval by the Shareholders by way of a special resolution at the AGM; and (ii) all necessary approvals, authorisations or registrations (if applicable) to be obtained from or filed with the relevant governmental or regulatory authorities.

The legal advisers to the Company as to Hong Kong laws and Cayman Islands laws have respectively confirmed that the Proposed Amendments conform with the applicable requirements under the Listing Rules and do not contravene the applicable laws of the Cayman Islands, respectively. The Company confirms that there is nothing unusual about the Proposed Amendments for a Cayman Islands company listed on the Stock Exchange.

6. AGM

The notice of the AGM is set out on page 96 to 100 of this circular.

A form of proxy for use at the AGM is enclosed to this circular. To be valid, the form of proxy, together with the power of attorney or other authority, if any, under which it is signed, or a certified copy of that power or authority must be deposited at the Hong Kong

LETTER FROM THE BOARD

branch share registrar and transfer office of the Company, Computershare Hong Kong Investor Services Limited at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong not less than 48 hours before the time appointed for the holding of the AGM or any adjournment thereof. Completion and return of the form of proxy will not preclude you from attending the meeting or any adjournment thereof and voting in person if you so wish and in such event, the form of proxy will be deemed to be revoked.

7. VOTING BY WAY OF POLL

Pursuant to Rule 13.39 of the Listing Rules, all votes of shareholders at the general meetings must be taken by poll. The chairman of the meeting will therefore demand a poll for every resolution put to the vote of the AGM pursuant to Article 72 of the existing Articles of Association.

8. RECOMMENDATION

The Directors consider that the proposals in relation to the granting and the extension of the Issue Mandate, the granting of the Repurchase Mandate, the distribution of the Final Dividend, the re-election of retiring Directors and the proposed adoption of the Amended and Restated Memorandum and Articles of Association are in the best interest of the Company and the Shareholders as a whole. Accordingly, the Board recommends all Shareholders to vote in favour of the resolutions set out in the notice of AGM.

9. RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

10. GENERAL INFORMATION

Your attention is drawn to the additional information set out in the Appendices to this circular.

In the event of inconsistency, the English texts of this circular, its appendices and the enclosed form of proxy shall prevail over the Chinese texts.

Yours faithfully,
For and on behalf of the Board
Ka Shui International Holdings Limited
Lee Yuen Fat
Chairman

This is an explanatory statement required under the Listing Rules to be given to the Shareholders in relation to the granting of the Repurchase Mandate to the Directors.

1. EXERCISE OF THE REPURCHASE MANDATE

It is proposed that the Directors may exercise the powers of the Company to repurchase up to 10% of the Shares in issue as at the date of passing the resolution to approve the granting of the Repurchase Mandate to the Directors. As at the Latest Practicable Date, the number of Shares in issue was 893,761,400 Shares. Subject to the passing of the proposed resolution in respect of the granting of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase up to a limit of 89,376,140 Shares.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders for the Directors to have a general authority from the Shareholders to repurchase Shares on the Stock Exchange at any appropriate time. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders as a whole.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purchase in accordance with the Memorandum of Association and Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands. Repurchases pursuant to the Repurchase Mandate will be made out of the profits of the Company or the proceeds of a fresh issue of Shares made for such purpose or, subject to the Articles of Association and the laws of the Cayman Islands, out of capital. Any premium payable on a purchase over the par value of the Shares to be purchased must be provided from out of the profits of the Company or out of sums standing to the credit of the share premium account of the Company or, subject to the Articles of Association and the laws of the Cayman Islands, out of capital.

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2021 in the event that the repurchase of Shares were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or gearing position of the Company.

4. SHARE PRICES

During each of the previous 12 months preceding the Latest Practicable Date, the highest and lowest prices at which the Shares trading in the Stock Exchange were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2021		
March	0.650	0.500
April	0.570	0.520
May	0.670	0.495
June	0.720	0.600
July	0.690	0.540
August	0.670	0.580
September	0.620	0.540
October	0.780	0.560
November	1.300	0.660
December	1.320	0.750
2022		
January	0.910	0.640
February	0.770	0.600
March	0.650	0.510
April (up to the Latest Practicable Date)	0.630	0.560

5. EFFECT OF THE TAKEOVERS CODE

If, as a result of a share repurchase by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such interest will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, could, depending upon the level of increase in shareholding, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Lee Yuen Fat ("Mr. Lee"), being the ultimate controlling Shareholder, the Chairman and an executive Director of the Company, beneficially held 567,980,000 Shares representing approximately 63.55% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares in accordance with the Repurchase Mandate, assuming that the present shareholdings and capital structure of the Company remains the same, the interests of Mr. Lee in the issued Shares would be increased to approximately 70.61% of the total issued share capital of the Company. The Directors are not aware of any consequences which would arise under the Takeovers Code as a result of exercising power under the Repurchase Mandate.

The Directors have no present intention to repurchase any Shares to the extent that it will trigger the obligations under the Takeovers Code to make a mandatory offer or which will result in the amount of Shares held by the public being reduced to less than 25% of the total issued shares of the Company.

6. GENERAL

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules) has any present intention to sell any Shares to the Company under the Repurchase Mandate if the Repurchase Mandate is approved by the Shareholders.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

- (1) the electronic facilities at the Principal Meeting Place or such other Meeting Location(s) at which the meeting may be attended have become inadequate for the purpose referred to in Article 71A(1) above or other otherwise not sufficient to allow the meeting to be conducted substantially in accordance with the provisions set out in the notice of the meeting; or

The Board and, at any general meeting, the Chairman of the meeting, may make any arrangement and impose any requirement or restriction the Board or the Chairman of the meeting, as the case may be, considers appropriate to ensure the security and orderly conduct of that meeting (including without limitation requirements for evidence of identity to be produced by those attending the meeting, the searching of their personal property and the restriction of items that may be taken into the meeting place and determining the number and frequency of and the time allowed for questions or comments that may be raised at the meeting). Shareholders shall also comply with all requirements or restrictions imposed by the owner or occupier of the premises at which the meeting is held. Any decision made under this Article shall be final and conclusive and a person who refuses to comply with any such arrangement, requirement or restriction may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

71E. If, after the sending of notice of a general meeting but before the meeting is held, or after the adjournment of a general meeting but before the adjourned meeting is held (whether or not notice of the adjourned meeting is required), the Board, in its absolute discretion, considers that it is inappropriate, impracticable, unreasonable or undesirable for any reason to hold the general meeting on the date or at the time or place or by means of electronic facilities specified in the notice calling the meeting, it may (a) postpone the meeting to another date and/or time; and/or (b) change the place

and/or electronic facilities and/or form of the meeting (including, without limitation, a physical meeting or a hybrid meeting), without approval from the Shareholders. Without prejudice to the generality of the foregoing, the Board shall have the power to provide in every notice calling a general meeting the circumstances in which such a change or postponement of the relevant general meeting may occur automatically without further notice, including without limitation where a gale warning, rainstorm warning, extreme weather conditions or other similar event or are in force in any time on the day of the meeting. - (2) notice of the business to be transacted at the changed or postponed meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the changed or postponed meeting is the same as that set out in the original notice of general meeting circulated to the Participants.

71F. All persons seeking to attend and participate in a hybrid meeting shall be responsible for maintaining adequate facilities enabling them to do so. Subject to electronic facilities being considered by the Chairman to be adequate at the commencement of the meeting, any inability of a person or persons to attend or participate in a meeting by way of electronic facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.

72. At any general meeting a resolution put to the vote of the meeting shall be decided by poll save that the chairman of the meeting may, in good faith and pursuant to the Listing Rules, allow a resolution which relates purely to a procedural or an administrative matter to be voted on by show of hands. Where a show of hands is allowed, before or on the declaration of the result of the show of hands, ~~on a show of hands unless a poll is (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) demanded or otherwise required under the Listing Rules.~~ A poll may be demanded by:

73. ~~Where a resolution is voted on by a show of hands unless a poll be so required or demanded and, in the latter case, not withdrawn,~~ a declaration by the Chairman of the meeting that a resolution has on a show of hands been carried or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the book containing the minutes of the proceedings of the Company shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour or against such resolution.
74. ~~If a~~ A poll is ~~required or demanded as aforesaid,~~ it shall (subject as provided in Article 75) be taken in such manner (including the use of ballot or voting papers or tickets or through an e-voting platform) and at such time and place not being more than thirty days from the date of the meeting or adjourned or postponed meeting at which the poll was required or demanded as the Chairman of the meeting directs. No notice need be given of a poll not taken immediately. The Chairman may determine that the results of the poll, if certified by any one of the scrutineer(s) appointed by the Company, the Chairman, a Director or the Secretary, shall be published on the Company's website without the requirement for the results being declared at any meeting or adjourned or postponed meeting. A Shareholder who is the holder of 2 or more Shares may appoint more than one proxy to represent him and attend, speak and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a Shareholder of the Company. 87. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing and if the Board in its absolute discretion determines, may be contained in an electronic communication, and (i) if in writing but not contained in an electronic communication, or if the appointor is a corporation, either under seal or under the hand of an officer or attorney duly authorised; or (ii) in the case of an appointment contained in an electronic communication, submitted by or on behalf of the appointor, subject to such terms and conditions and authenticated in such manner as the Board may in its absolute discretion determine.

If such an electronic address or electronic means of submission is provided, the Company shall be deemed to have agreed that any such document or information (relating to the appointment of proxies as aforesaid) may be sent by electronic means to that address or through designated electronic means of submission, subject as hereafter provided and subject to any other limitations or conditions or requirements specified by the Company when designating the electronic address or electronic means of submission. Without limitation to the generality of the foregoing, the Company may from time to time determine that any such electronic address or electronic means of submission may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses or electronic means of submission for different purposes. If any document or information required to be sent to the Company under this Article is sent to the Company by electronic means, such document or information will not be treated as validly delivered to or deposited with the Company if the same is not received by the Company at the designated electronic address or via its designated electronic means of submission provided in accordance with this Article, or if no electronic address or electronic means of submission is so designated by the Company for the receipt of such document or information.

The submission of the authorities and documents shall be subject to any other conditions or limitations imposed by the Company. No instrument appointing a proxy shall be valid after the expiration of 12 Months from the date of its execution, except at an adjourned or postponed meeting or on a poll demanded at a meeting or an adjourned or postponed meeting in a case where the meeting was originally held within 12 Months from such date. The instrument appointing a proxy to attend, speak and vote at a general meeting shall: (i) be deemed to confer authority upon the proxy to demand or join in demanding a poll and to vote on any resolution (or amendment thereto) put to the meeting for which it is given as the proxy thinks fit; and (ii) unless the contrary is stated therein, be valid as well for any adjournment or postponement of the meeting as for the meeting to which it relates. Authority under instrument appointing proxy
91. A vote given in accordance with the terms of an instrument of proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous death or insanity of the principal or revocation of the proxy or power of attorney or other authority under which the proxy was executed or the transfer of the Share in respect of which the proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer as aforesaid shall have been received by the Company at its Registration Office, or at such other place as is referred to in Article 88, at least 2 hours before the commencement of the meeting or adjourned or postponed meeting at which the proxy is used. - (d) If, in the opinion of the Board, any Dividend or other distribution in respect of Shares or any other payment to be made by the Company to any Shareholder is of such a small amount as to make payment to that Shareholder in the relevant currency impracticable or unduly expensive either for the Company or the Shareholder then such Dividend or other distribution or other payment may, at the absolute discretion of the Board, be, if this be practicable, converted at such rate of exchange as the Board may determine and paid or made in the currency of the country of the relevant Shareholder (as indicated by the address of such Shareholder on the Register).

The Board may further authorise any person to enter into on behalf of all Shareholders having an interest in any agreement with the Company or other(s) providing for such Dividend and matters in connection therewith and any such agreement made under such authority shall be effective. The Board may resolve that no such assets shall be made available or made to Shareholders with registered addresses in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable or the legality or practicality of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of Shares of the Shareholder concerned and in any such event the only entitlement of the Shareholders aforesaid shall be to receive cash payments as aforesaid. Shareholders affected as a result of exercise by the Board of its discretion under this Article shall not be, and shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.
160. (a) Whenever the Board or the Company in general meeting has resolved that a Dividend be paid or declared on the share capital of the Company, the Board may further resolve, either:
- (i) that such Dividend be satisfied wholly or in part in the form of an allotment of Shares credited as fully paid on the basis that the Shares so allotted shall be of the same class or classes as the class or classes already held by the allottee, provided that the Shareholders entitled thereto will be entitled to elect to receive such Dividend (or part thereof) in cash in lieu of such allotment. In such case, the following provisions shall apply:
 - (A) the basis of any such allotment shall be determined by the Board;

Dividend in specie

- (B) the Board, after determining the basis of allotment, shall give not less than 14 clear days' notice in writing to the Shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
- (C) the right of election may be exercised in respect of the whole or part of that portion of the Dividend in respect of which the right of election has been accorded; and
- (D) Dividend (or that part of the Dividend to be satisfied by the allotment of Shares as aforesaid) shall not be payable in cash in respect whereof the cash election has not been duly exercised ("the non-elected Shares") and in lieu and in satisfaction thereof Shares shall be allotted credited as fully paid to the holders of the non-elected Shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalize and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, or share premium account (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of Shares for allotment and distribution to and amongst the holders of the non-elected Shares on such basis;

or

- (ii) that Shareholders entitled to such Dividend will be entitled to elect to receive an allotment of Shares credited as fully paid in lieu of the whole or such part of the Dividend as the Board may think fit on the basis that the Shares so allotted shall be of the same class or classes as the class or classes of Shares already held by the allottee. In such case, the following provisions shall apply:
 - (A) the basis of any such allotment shall be determined by the Board;
 - (B) the Board, after determining the basis of allotment, shall give not less than 14 clear days' notice in writing to the Shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (C) the right of election may be exercised in respect of the whole or part of that portion of the Dividend in respect of which the right of election has been accorded; and

- (D) the Dividend (or that part of the Dividend in respect of which a right of election has been accorded) shall not be payable on Shares in respect whereof the Share election has been duly exercised (“the elected Shares”) and in lieu thereof Shares shall be allotted credited as fully paid to the holders of the elected Shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company’s reserve accounts (including any special account, contributed surplus account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of Shares for allotment and distribution to and amongst the holders of the elected Shares on such basis.
- (b) The Shares allotted pursuant to the provisions of paragraph (a) of this Article shall rank *pari passu* in all respects with the Shares then in issue and held by the allottee in respect of which they were allotted, save only as regards participation:
- (i) in the relevant Dividend (or the right to receive or to elect to receive an allotment of Shares in lieu thereof as aforesaid); or
 - (ii) in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant Dividend unless, contemporaneously with the announcement by the Board of its proposal to apply the provisions of sub-paragraph (i) or (ii) of paragraph (a) of this Article in relation to the relevant Dividend or contemporaneously with its announcement of the distribution, bonus or rights in question, the Board shall have specified that the Shares to be allotted pursuant to the provisions of paragraph (a) of this Article shall rank for participation in such distribution, bonus or rights.
- (c) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (a) of this Article with full power to the Board to make such provisions as it thinks fit in the case of Shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Shareholders concerned), and no Shareholders who will be affected thereby shall be, and they shall be deemed not to be, a separate class of Shareholders by reason only of the exercise of this power. The Board may authorise any person to enter into on behalf of all Shareholders interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.

- (d) The Company may upon the recommendation of the Board by Ordinary Resolution resolve in respect of any one particular Dividend that notwithstanding the provisions of paragraph (a) of this Article a Dividend may be satisfied wholly in the form of an allotment of Shares credited as fully paid without offering any right to Shareholders to elect to receive such Dividend in cash in lieu of such allotment.
- (e) The Board may on any occasion determine that rights of election and the allotment of Shares under paragraph (a) of this Article shall not be made available or made to any Shareholders with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of Shares would or might be unlawful or impracticable or the legality or practicability of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of Shares of the Shareholder concerned, and in such event the provisions aforesaid shall be read and construed subject to such determination and no Shareholder who may be affected by any such determination shall be, and they shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.

161. The Board may, before recommending any Dividend, set aside out of the profits of the Company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for meeting claims on or liabilities of the Company or contingencies or for paying off any loan capital or for equalising Dividends or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (including in the repurchase by the Company of its own securities or the giving of any financial assistance for the acquisition of its own securities) as the Board may from time to time think fit, and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve, carry forward any profits which it may think prudent not to distribute by way of Dividend.

Reserves

162. Unless and to the extent that the rights attached to any Shares or the terms of issue thereof otherwise provide, all Dividends shall (as regards any Shares not fully paid throughout the period in respect of which the Dividend is paid) be apportioned and paid pro rata according to the amounts paid or credited as paid on the Shares during any portion or portions of the period in respect of which the Dividend is paid. For the purposes of this Article no amount paid on a Share in advance of calls pursuant to Article 38 shall be treated as paid on the Share.

- (iii) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of Shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of Shares as is equal to the shortfall between:
- (aa) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
- (bb) the nominal amount of Shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for Shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of Shares shall be capitalised and applied in paying up in full such additional nominal amount of Shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder; and
- (iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right Reserve is not sufficient to pay up in full such additional nominal amount of Shares equal to such shortfall as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted or not prohibited by law, the share premium account) for such purpose until such additional nominal amount of Shares is paid up and allotted as aforesaid and until then no Dividend or other distribution shall be paid or made on the fully paid Shares then in issue. Pending such payment up and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of Shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one Share in the like manner as the Shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.

- (b) Shares allotted pursuant to the provisions of this Article shall rank pari passu in all respects with the other Shares allotted or which ought to be allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (a) of this Article, no fraction of any Share shall be allotted on exercise of the subscription rights.
- (c) The provisions of this Article as to the establishment and maintenance of the Subscription Right Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating, the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a Special Resolution of such warrant holder(s) or class of warrant holders.
- (d) A certificate or report by the Auditors as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purpose for which the Subscription Right Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of Shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and Shareholders.
