SHARE ISSUE MANDATE AND EXTENSION OF SHARE ISSUE MANDATE

An ordinary resolution no. 7 as set out in the AGM Notice will be proposed at the Annual General Meeting to grant to the Directors the Share Issue Mandate. Such mandate will give the Board greater flexibility to issue securities when it is in the interests of the Company and the Shareholders to do so.

Assuming no changes to the issued Shares of the Company from the Latest Practicable Date up to the date of the Annual General Meeting, the maximum number of Shares that can be allotted and issued by the Company under the Share Issue Mandate is 364,551,130 Shares (representing 20% of the total number of issued Shares as at the date of passing of the resolution).

In accordance with Bye-Law 87 of the Bye-Laws, at each annual general meeting one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not less than one-third) shall retire from office by rotation. As such, Ms. Zhu Yuan and Mr. Gao Hui will retire from office by rotation and, being eligible, offer themselves for re-election at the Annual General Meeting.

Procedures and Process for Nomination of Independent Non-executive Directors

The Nomination Committee will recommend to the Board for the appointment (including re-election) of an independent non-executive director in accordance with the following procedures and process:

- i. The Nomination Committee will, giving due consideration to the current structure, size and diversity of the Board, develop a list of desirable skills, perspectives and experience at the outset to focus the search effort.
- ii. The Nomination Committee may consult any source it considers appropriate in identifying or selecting suitable candidates, such as recommendations from the management team and other knowledgeable individuals. The criteria include but are not limited to gender, age, cultural and educational background, ethnicity, professional experience, skills, knowledge and the potential contributions that the individual can bring to the Board.
- iii. Upon considering a candidate suitable for the directorship, the Nomination Committee will hold a meeting and/or by way of written resolutions to, if thought fit, approve the recommendation to the Board for appointment.
- iv. The Nomination Committee will also provide the relevant information of the selected candidate to the Remuneration Committee for consideration of the remuneration package of such selected candidate.
- v. The Nomination Committee will thereafter make the recommendation to the Board in relation to the proposed appointment, and the Remuneration Committee will make the recommendation to the Board on the policy and structure for the remuneration, for discussion and final approval.

Pursuant to code provision B.2.3 of the Corporate Governance Code set out in Appendix 14 to the Listing Rules, any further appointment of independent non-executive director serving more than nine years should be subject to a separate resolution to be approved by Shareholders and the papers to Shareholders accompanying that resolution should include the reasons why the Board believes he is still independent and should be re-elected.

LETTER FROM THE BOARD

Mr. Gao Hui has been an independent non-executive Director since 2005 and has served the Company for more than nine years. A separate resolution will be proposed for his re-election at the Annual General Meeting. The Board considers that Mr. Gao continues to be independent and should be eligible for re-election after taking into account all the factors for assessing independence as set out in Rule 3.13 of the Listing Rules and considering his annual confirmation of independence to the Company. The Board considers that the long service of Mr. Gao will not affect his exercise of independent judgement and is satisfied that he has the integrity and experience to continue to fulfil the role of an independent non-executive Director. The Board is of the opinion that Mr. Gao will continue to devote sufficient time to the Board and to make valuable contribution to the Company by providing his balanced and objective views to the Board.

The Nomination Committee has evaluated the personal perspectives, skills and experience of Ms. Zhu Yuan and Mr. Gao Hui that each of them can contribute to the Board and their contribution to the Board on the diversity in respect of their professional qualifications, skills and knowledge. The Nomination Committee nominated Ms. Zhu Yuan and Mr. Gao Hui to the Board for it to recommend to shareholders for re-election as Directors at the Annual General Meeting.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide the requisite information to enable you to make an informed decision on whether to vote for or against the ordinary resolution to approve the Repurchase Mandate.

1. REASONS FOR SHARE REPURCHASE

The Board believes that the proposed grant of the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole.

Repurchases may, depending on market conditions and funding arrangements at the time, enhance the net asset value per Share and/or earnings per Share. The Directors is seeking the grant of the Repurchase Mandate by the Shareholders to give the Company the flexibility to repurchase the Shares if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining. The repurchases will only be made when the Directors believes that such repurchases will benefit the Company and the Shareholders as a whole.

2. ISSUED SHARES

As at the Latest Practicable Date, 1,822,755,650 Shares were in issue.

Subject to the passing of the ordinary resolution no. 6 set out in the AGM Notice and on the basis that no Shares are issued or repurchased by the Company from the Latest Practicable Date up to the date of the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 182,275,565 Shares (representing 10% of the total issued Shares as at the date of passing of the resolution) during the period in which the Repurchase Mandate remains in force.

3. FUNDING OF REPURCHASES

In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and the Bye-Laws, the laws of Bermuda, the Listing Rules and other applicable laws.

The Company is empowered by its memorandum of association and the Bye-Laws to repurchase the Shares. The laws of Bermuda provide that the amount of capital to be paid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant Shares, or the funds of the Company which would otherwise be available for dividend or distribution or the proceeds of a fresh issue of Shares made for such purpose. In repurchasing Shares, the amount of premium payable on repurchase may only be paid out of funds of the Company which would otherwise be available for dividend or distribution or out of the share premium account of the Company before the Shares are repurchased.

4. IMPACT ON THE WORKING CAPITAL OR GEARING POSITION OF THE COMPANY

There might be a material adverse impact on the working capital and/or gearing position of the Company as compared with the position as at 31 December 2021, being the date of its latest published consolidated financial statements, if the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the opinion of the Directors, have a material adverse effect on the working capital requirements of the Company or the gearing position.

5. GENERAL

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the Repurchase Mandate is granted by the Shareholders.

No core connected person of the Company (as defined in the Listing Rules) has notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so in the event that the Repurchase Mandate is granted by the Shareholders.

The Directors has undertaken to the Stock Exchange to exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert (within the meaning under the Takeovers Code), could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code for all Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, Willie Holdings Limited, the Company's single largest Shareholder which is wholly-owned by Mr. Zhu Yicai and his spouse, held 470,699,900 Shares, representing approximately 25.82% of the entire issued Shares. If the Repurchase Mandate is fully exercised by the Board and there are no other changes in the number of issued Shares of the Company during the period in which the Repurchase Mandate remains in force, Willie Holdings Limited's percentage shareholding in the Company will be increased from 25.82% to approximately 28.69% of the then issued Shares. Accordingly, the Board is not aware of any consequences that would give rise to an obligation to make a mandatory offer under the Takeovers Code in the event the Repurchase Mandate is exercised in full. The Board has no present intention to exercise the Repurchase Mandate to an extent such that an obligation to make a general offer under the Takeovers Code will be triggered. The Board will ensure that the Company will maintain a minimum of 25% public float as required under the Listing Rules even if the Repurchase Mandate is exercised.
