GENERAL MANDATES TO ISSUE AND REPURCHASE OF SHARES

At the AGM, separate ordinary resolutions will be proposed to grant the general mandates to authorise the Directors (i) to allot, issue and otherwise deal with Shares not exceeding 20% of the total number of Shares in issue as at the date of passing of the resolution approving the Share Issue Mandate; (ii) to exercise all powers of the Company to repurchase issued and fully paid Shares not exceeding 10% of the total number of Shares in issue as at the date of passing of the resolution approving the Repurchase Mandate; and (iii) to extend the general mandate granted to the Directors to allot, issue and deal with additional Shares as mentioned in paragraph (i) above by the of Shares repurchased by the Company under the Repurchase Mandate.

As at the Latest Practicable Date, there were in issue an aggregate of 11,495,494,321 Shares. Subject to the passing of the proposed resolutions for the grant of the Share Issue Mandate and the Repurchase Mandate, and on the basis that no further Shares will be issued or repurchased prior to the date of the AGM, exercise in full of the Repurchase Mandate will result in up to 1,149,549,432 Shares being repurchased by the Company, and the Directors will be authorised to allot and issue under the Share Issue Mandate up to 2,299,098,864 Shares, and to the extent the Repurchase Mandate is exercised, plus the amount of Shares repurchased by the Company under the Repurchase Mandate.

The Share Issue Mandate and the Repurchase Mandate shall expire upon the earliest of (a) the conclusion of the next annual general meeting of the Company, (b) the expiry of the period within which the next annual general meeting of the Company is required to be held by law or by the Articles of Association; and (c) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company. The existing general mandates to issue and repurchase Shares granted to the Directors at the annual general meeting of the Company on 24 June 2021 will expire at the AGM.

EXPLANATORY STATEMENT

An explanatory statement as required under the Listing Rules in relation to the proposed Repurchase Mandate is set out in the Appendix I to this circular. The information in the explanatory statement aims to provide information reasonably necessary to enable Shareholders to make an informed decision on whether to vote for or against the resolution to grant to the Directors the Repurchase Mandate.

LETTER FROM THE BOARD

RE-ELECTION OF DIRECTORS

As at the Latest Practicable Date, the executive Directors are Mr. Zhao John Huan and Dr. Lin Tun, the non-executive Director is Mr. Tam Terry Sze Ying; and the independent non-executive Directors are Mr. Jin Qingjun, Mr. Lee Kin Ping Christophe and Mr. Shu Wa Tung Laurence.

Pursuant to Article 84(1) of the Articles of Association, at each annual general meeting, one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not less than one-third), shall retire from office by rotation provided that every Director shall be subject to retirement by rotation at least once every three years. Accordingly, Mr. Jin Qingjun, Mr. Lee Kin Ping Christophe and Mr. Shu Wa Tung Laurence, each an independent non-executive Director, will retire by rotation at the AGM and being eligible, will offer themselves for re-election at the AGM.

In addition, Mr. Tam Terry Sze Ying has been appointed by the Board as a non-executive Director on 22 April 2022 and pursuant to Article 83(3) of the Articles of Association, Mr. Tam Terry Sze Ying shall hold office only until the next general meeting of the Company after his appointment and shall be eligible for re-election. Accordingly, Mr. Tam Terry Sze Ying will retire and being eligible, offer himself for re-election at the AGM.

As at the Latest Practicable Date, Mr. Jin Qingjun held directorships in seven listed companies including the Company. Notwithstanding his directorships in seven listed companies, the Board is satisfied with his contribution and proactive commitments to the Company as evidenced by his record of attendance and participation in meetings of the Board and its remuneration committee, audit committee and nomination committee since he joined the Company. Given the extensive knowledge and experience in corporate governance and his familiarity with the management of Hong Kong listed companies, the Board believes Mr. Jin will be able to devote sufficient time to the Board and continue to bring valuable business experience, knowledge and professionalism to the Board for its efficient and effective functioning and diversity.

Recommendation of the Nomination Committee and the Board

The Nomination Committee has reviewed the structure and composition of the Board, the confirmations and disclosures given by the Directors, the qualifications, skills and experience, time commitment and contribution of each of the retiring Directors with reference to the nomination principles and criteria set out in the Company's board diversity policy and the Company's corporate strategy and the independence of all the independent non-executive Directors. The Nomination Committee and the Board therefore recommended the re-election of all the retiring Directors at the AGM. The Company considers that the retiring independent non-executive Directors are independent in accordance with the independence guidelines set out in the Listing Rules and will continue to bring valuable business experience, knowledge and professionalism to the Board for its efficient and effective functioning and diversity. Details of the Directors proposed to be re-elected in the AGM are set out in Appendix II of this circular.

LETTER FROM THE BOARD

The completion and return of the form of proxy will not preclude you from attending and voting in person in the AGM and any adjourned meeting if you so wish, and in such event, the instrument appointing a proxy shall be deemed to be revoked.

VOTING AT THE AGM

Pursuant to Rule 13.39 of the Listing Rules, all votes of the Shareholders at the general meetings must be taken by poll. The chairman of the AGM will therefore demand a poll for every resolution put to the vote of the AGM pursuant to Article 66 of the Articles of Association.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Group. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

RECOMMENDATION

The Directors consider that the granting of general mandates to Directors to issue and repurchase Shares and the re-election of retiring Directors are in the interest of the Company and the Shareholders. Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions to be proposed at the forthcoming AGM.

Yours faithfully
By order of the Board
Goldstream Investment Limited
Mr. Zhao John Huan
Chairman

This Appendix serves as an explanatory statement given to all the Shareholders, as required by the Listing Rules, to provide all the requisite information in relation to the Repurchase Mandate.

1. LISTING RULES FOR REPURCHASES OF SHARES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to briefly repurchase their fully-paid shares subject to certain restrictions, some of which are summarised below:

(a) Shareholders' approval

All proposed repurchase of securities on the Stock Exchange by a company with primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of general mandate or by special approval of a particular transaction.

(b) Share capital

Under the Repurchase Mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the total number of shares in issue of the Company at the date of the passing of the relevant resolutions. The Company's authority is restricted to purchase in accordance with the Listing Rules. As at the Latest Practicable Date, there were in issue an aggregate of 11,495,494,321 Shares. Exercise in full of the Repurchase Mandate, on the basis that no further Shares would be issued or repurchased prior to the date of the AGM, would accordingly result in up to 1,149,549,432 Shares being repurchased by the Company. The Shares repurchased by the Company shall, subject to applicable laws, be cancelled automatically upon such repurchase.

2. REASONS FOR REPURCHASE

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate will provide the Company with the flexibility to make such repurchase as and when appropriate and is beneficial to the Company. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and its assets and/or its earnings per Share.

As compared with the position of the Company in its financial statements for the year ended 31 December 2021 (being the most recent published audited consolidated accounts), the Directors consider that there would not be any material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be made in full during the proposed repurchase period. The Directors will not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

3. FUNDING OF REPURCHASES

Repurchase of the Shares will be funded out of funds legally available for such purpose in accordance with the Memorandum and Articles of Association and the applicable laws of the Cayman Islands.

The Company is empowered by its Memorandum and Articles of Association to repurchase its Shares. The Cayman Islands laws provide that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the profits that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on redemption may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the share premium of the Company. Under the Cayman Islands laws, the repurchased Shares will remain part of the authorised but unissued share capital.

4. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of the knowledge of the Directors having made all reasonable enquiries, any of the close associates (within the meaning of the Listing Rules) of any of the Directors has any present intention, in the event that the proposed Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company.

As at the Latest Practicable Date, no core connected person (within the meaning of the Listing Rules) of the Company has notified the Company that he/she has a present intention to sell Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Repurchase Mandate is granted.

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchase pursuant to the Repurchase Mandate and in accordance with the Listing Rules, the Memorandum and Articles of Association and any applicable laws of the Cayman Islands.

6. EFFECT OF TAKEOVERS CODE AND MINIMUM PUBLIC FLOAT

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 26 of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

In the event that the Directors shall exercise in full the Repurchase Mandate and assuming that there is no issue of Shares in the Company between the Latest Practicable Date and the date of a repurchase, the total interests of the above Shareholders would be increased to approximately the respective percentages shown in the last column above and such increase will not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

Assuming that there is no issue of Shares in the Company between the Latest Practicable Date and the date of a repurchase, an exercise of the Repurchase Mandate whether in whole or in part may result in less than the relevant prescribed minimum percentage of the Shares of the Company being held by the public as required by the Stock Exchange.
