B. SUPPLEMENTARY INFORMATION RELATING TO THE INDEPENDENT NON-EXECUTIVE DIRECTOR TO BE RE-ELECTED AT THE ANNUAL GENERAL MEETING

Recommendation to the Board for the proposed re-election of each of Ms. Wong Sze Wing and Mr. Jiang Peixing as an independent non-executive Director (“INED”) was made by the Nomination Committee, after reviewing their suitability based on the assessment criteria as set out in the Terms of Reference of Nomination Committee adopted by the Company and the independence criteria as set out in Rule 3.13 of the Listing Rules. It is considered that their professional background, experience, knowledge and skills can bring valuable insights and perspectives to the Company. Having regard to the confirmation by each of Ms. Wong Sze Wing and Mr. Jiang Peixing, their previous satisfactory attendance record to meetings and the actual contributions that each of them has made, the Board is of the view that each of Ms. Wong Sze Wing and Mr. Jiang Peixing should be able to discharge their responsibilities as an INED of the Company and contribute and devote sufficient time to the Board.

Thus, the Board, having taken into account of their respective past contributions to the Company and individual attributes in enhancing the Board’s diversity, accepted the recommendation from the Nomination Committee for the proposed re-election of each of Ms. Wong Sze Wing and Mr. Jiang Peixing as an INED of the Company at the Annual General Meeting.

The following is an explanatory statement as required by the Stock Exchange to be sent to the Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,590,324,000 Shares of nominal value of US\$0.0001 each. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the Annual General Meeting, the Company will be allowed to repurchase a maximum of 159,032,400 Shares, which represent 10 per cent of the issued share capital of the Company as at the date of the passing of the resolution, during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; and (iii) the revocation or variation of the authority given under the resolution by an ordinary resolution of the Shareholders in general meeting.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASES

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. The Cayman Companies Law provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Cayman Companies Law. The amount of premium over the par value of the Shares payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Company's Shares are repurchased in the manner provided for in the Cayman Companies Law.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole. The Directors consider that if the Repurchase Mandate was to be exercised in full, it might have a material adverse impact on the working capital or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at December 31, 2021, being the date to

which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. TAKEOVERS CODE

If as a result of a repurchase of the Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Dr. Fang Yixin and Dr. Mei Hong are husband and wife, each of them is deemed to be interested in all the Shares held by them in aggregate by virtue of the SFO.

Under the SFO, Dr. Mei Hong is deemed to be interested in 872,550,000 Shares held by Chelsea Grace Holdings Limited (excluding the options granted under the pre-IPO share option scheme) by reason of her 100% interest in its issued share capital, representing a total of approximately 54.87% of the issued share capital of the Company as at the Latest Practicable Date.

In the event that the Directors should exercise in full the Repurchase Mandate, the interests of Dr. Mei Hong, Chelsea Grace Holdings Limited and their respective parties acting in concert (as defined in the Takeovers Code) in the Company (without taking into account the exercise of the options granted under the pre-IPO share option scheme adopted by the Company on September 19, 2016, if any) would be increased to approximately 60.96% of the issued share capital of the Company, and such increase would not give rise to an obligation to make a mandatory general offer under the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25 per cent (or such other prescribed minimum public percentage as determined by the Stock Exchange) of the issued share capital of the Company would be in public hands. The Directors do not have intention to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

5. DIRECTORS AND THEIR CLOSE ASSOCIATES AND THE COMPANY'S CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made reasonable enquiries, any of their close associates (as defined in the Listing Rules) has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company. No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has any present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

6. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the proposed Repurchase Mandate in accordance with the Listing Rules, the Memorandum and the Articles of Association and the applicable laws of the Cayman Islands.

7. SHARE REPURCHASE MADE BY THE COMPANY

No repurchases of Shares have been made by the Company in the six months preceding the Latest Practicable Date (whether on the Stock Exchange or otherwise).

8. SHARE PRICES

The highest and the lowest prices at which the Shares had been traded on the Stock Exchange during the 12 calendar months preceding the Latest Practicable Date were as follows:

Month	Traded price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2021
