VII. RECOMMENDATIONS

The Board considers that the proposed granting of the Buyback Mandate and the Issue Mandate and extension of the Issue Mandate to the Directors, the re-election of the retiring Directors namely, Mr. Yang Jianyong and Mr. Mi Jianguo who offer themselves for re-election, the proposed Capital Reorganisation, and the proposed adoption of the Amended and Restated Bye-laws, are all in the best interests of the Company and its Shareholders as a whole. Accordingly, the Board recommends all the Shareholders to vote in favour of all the relevant resolutions to be proposed at the Annual General Meeting.

VIII. ADDITIONAL INFORMATION

Your attention is drawn to the additional information set out in Appendix I (Explanatory Statement — Buyback Mandate), Appendix II (Details of the retiring Directors proposed to be re-elected at the Annual General Meeting) and Appendix III (Proposed Amended and Restated Bye-laws).

IX. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully
On behalf of the Board
Yuan Zhijun
Chairman

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information for your consideration of the proposed Buyback Mandate.

1. REASONS FOR SHARE BUYBACK

The Directors believe that the proposed granting of the Buyback Mandate is in the interests of the Company and its Shareholders.

Trading conditions on the Stock Exchange have sometimes been volatile in recent years. At any time in the future when Shares are trading at a discount to their underlying value, the ability of the Company to repurchase Shares will be beneficial to those Shareholders who retain their investment in the Company since their percentage interest in the assets of the Company would increase in proportion to the number of Shares repurchased by the Company and thereby resulting in an increase in net assets and/or earnings per Share. Although the Directors have no present intention of repurchasing any securities of the Company, they believe that the flexibility provided by the Buyback Mandate would be beneficial to the Company and its Shareholders.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 3,298,161,332 Shares. Subject to the passing of the resolution numbered 5 set out in the notice of the Annual General Meeting and on the basis that no Shares are issued or repurchased by the Company prior to the Annual General Meeting, the Company would be allowed under the Buyback Mandate to repurchase a maximum of 329,816,133 Shares during the period in which the Buyback Mandate remains in force.

3. FUNDING OF REPURCHASES

In repurchasing Shares under the Buyback Mandate, the Company may only apply funds legally available for such purpose in accordance with its Bye-laws, the Listing Rules, the laws of Bermuda and other applicable laws.

Shares shall not be repurchased for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. The Directors propose that repurchases of Shares under the Buyback Mandate in these circumstances would be financed from the Company's internal resources or existing banking facilities.

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2021) in the event that the Buyback Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Buyback Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are purchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

4. MARKET PRICES OF SHARES

The highest and lowest market prices at which the Shares have been traded on the Stock Exchange during each of the twelve months preceding the Latest Practicable Date were as follows:

Notes:

- (1) The late Mr. Lee Shing was a former executive Director and was beneficially interested in 356,622,914 Shares, which interests are currently held by Dragon Hill, a company wholly-owned by the late Mr. Lee Shing. The late Mr. Lee Shing was also the sole direction of Dragon Hill.
- (2) These represent the Shares held by the late Mr. Lee Shing and his spouse as beneficial owners, respectively.
- (3) The entire issued share capital of Wuling HK is currently held by Wuling Motors, whereas the entire issued share capital of Wuling Motors is currently held by Guangxi Automobile. Accordingly, Wuling Motors and Guangxi Automobile are deemed to be interested in the Shares in which Wuling HK is interested under the SFO. Mr. Yuan Zhijun and Mr. Yang Jianyong, both of them executive Director, are also directors of Wuling HK, Wuling Motors and Guangxi Automobile. Mr. Wei Mingfeng, an executive Director, is also a senior executive of Guangxi Automobile.

* For identification purpose only

None of the Directors, and to the best of their knowledge having made all reasonable enquiries, nor any close associates of the Directors, have any present intention to sell any Shares to the Company in the event that the Buyback Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases under the Buyback Mandate in accordance with the Bye-laws, the Listing Rules, the laws of Bermuda and other applicable laws.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company, in the event that the Buyback Mandate is approved by its Shareholders.

If as a result of a repurchase of securities of the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert, depending on the level of such increase, could increase, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

Assuming that the substantial Shareholders do not dispose of its Shares, if the Buyback Mandate were exercised in full, the approximate percentage shareholdings of any persons having 5% or more interests in the Shares before and after such repurchase would be as follows:

| Substantial Shareholders | Before Buyback Mandate | After Buyback Mandate |
|---------------------------------|-----------------------------------|----------------------------------|
| Mr. Lee Shing (deceased) | 11.03% | 12.25% |
| Dragon Hill | 10.81% | 12.01% |
| Wuling HK | 56.54% | 62.82% |
| Wuling Motors | 56.54% | 62.82% |
| Guangxi Automobile | 56.54% | 62.82% |

The Directors consider that such an increase would not give rise to an obligation on the part of any substantial Shareholders to make a mandatory offer under Rule 26 of the Takeovers Code.

As the exercise of the Buyback Mandate in full would result in insufficient public float of the Company, the Directors have no intention to exercise the Buyback Mandate to such an extent that would result in a public shareholding of less than the minimum public float requirement of 25% of the total number of issued Shares.

6. SHARE REPURCHASES MADE BY THE COMPANY

No repurchase of Shares had been made by the Company nor any of its subsidiaries (whether on the Stock Exchange or otherwise) during the last six months immediately preceding the Latest Practicable Date.

(i) If and whenever there shall be an alteration in the nominal value of the Ordinary Shares by reason of any consolidation or sub-division, the Conversion Price in force immediately prior thereto shall be adjusted by multiplying it by a fraction of which the numerator shall be the nominal value of one Ordinary Share immediately after such alteration and of which the denominator shall be the nominal value of one Ordinary Share immediately before such alteration and such adjustment shall become effective on the date on which such alteration takes effect.

(ii) If and whenever the Company shall capitalise any amount of profits or reserves (including any share premium account or contributed surplus account) and apply the same in paying up in full the nominal value of any Ordinary Shares (other than any Ordinary Shares credited as fully paid out of distributable profits or reserves (including any share premium account or contributed surplus account) and issued in lieu of the whole or any part of a cash dividend or specie distribution which the holders of the Ordinary Shares concerned would or could

~~otherwise have received and which would not have constituted a Capital Distribution), the Conversion Price in force immediately prior to the Record Date therefor shall be adjusted by a fraction of which the numerator shall be the aggregate nominal amount of the issued Ordinary Shares immediately before such issue and of which the denominator shall be the aggregate nominal amount of the issued Ordinary Shares immediately after such issue. Such adjustment shall be effective immediately after the Record Date for such issue.~~

- (iii) ~~If and whenever the Company shall make any Capital Distribution, the Conversion Price in force immediately prior to such distribution shall be adjusted by multiplying it by the following fraction:~~

$$\frac{\del{K-L}}{K}$$

- ~~**K** is the Closing Price of one Ordinary Share on the Dealing Day immediately preceding the date on which the Capital Distribution is announced or (failing any such announcement), the Dealing Day immediately preceding the Record Date for the Distribution;~~

~~Provided that:~~

~~if in the opinion of the relevant approved merchant bank or the auditors for the time being of the Company (as the case may be), the use of the fair market value as aforesaid produces a result which is significantly inequitable, it may instead determine (and in such event the above formula shall be construed accordingly) the amount of the said Closing Price which should properly be attributed to the value of the Capital Distribution; and~~

~~(b) the provisions of this sub-paragraph (iii) shall not apply in relation to the issue of Ordinary Shares paid out of profits or reserves and issued in lieu of a cash dividend nor to a purchase by the Company of its own Ordinary Shares in accordance with the provisions of the Companies Act.~~

~~Each such adjustment shall be effective (if appropriate retroactively) from the commencement of the day next following the Record Date for the Capital Distribution.~~

~~(iv) If and whenever the Company shall offer to holders of Shares new Shares for subscription by way of rights, or shall grant to holders of Shares any options or warrants to subscribe for new Ordinary Shares, at a price which is less than 90 per cent of the market price (as defined in paragraph 8(B) in this Bye law 6(C)) at the date of the announcement of the terms of the offer or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of the announcement of such offer or grant by the following fraction:~~

$$\frac{\del{K + L}}{\del{M}}$$

~~where:~~

~~**K** is the number of Ordinary Shares in issue immediately before the date of such announcement;~~

~~**L** is the number of Ordinary Shares which the aggregate of the amount (if any) payable for the rights, options or warrants and of the amount payable for the total number of new Ordinary Shares comprised therein would purchase at such market price; and~~

~~**M** is the number of Ordinary Shares in issue immediately before the date of such announcement plus the aggregate number of Ordinary Shares offered for subscription or comprised in the options or warrants.~~

~~Such adjustment shall become effective (if appropriate retroactively) from the commencement of the day next following the Record Date for the offer or grant.~~

~~(v) If and whenever the Company shall purchase any Ordinary Shares or securities issued by the Company or any of its subsidiaries which are convertible into or exchangeable for Ordinary Shares or any rights to acquire Ordinary Shares (other than on the Designated Stock Exchange) and the Directors of the Company cancel such Ordinary Shares, securities convertible into or exchangeable for Shares or rights to acquire Ordinary Shares, the Directors of the Company may if they consider it appropriate make an adjustment to the Conversion Price, provided that the Directors of the Company shall have appointed an approved merchant bank to consider whether, for any reason whatever as a result of such purchases, an adjustment should be made to the Conversion Price fairly and appropriately to reflect the relative interests of the persons affected by such purchases by the Company and, if such approved merchant bank shall consider in its opinion that it is appropriate to make an adjustment to the Conversion Price, the Directors of the Company shall make an adjustment to the Conversion Price in such manner as such approved merchant bank shall certify to be, in its opinion, appropriate. Such adjustment shall become effective (if appropriate retroactively) from the close of business in Hong Kong on the Business Day immediately preceding the date on which such purchases by the Company are made.~~

~~D~~ is the aggregate amount of all distributions then already paid or made by the Company on Ordinary Shares in respect of any and all financial periods ending on or after 31 December 2006; provided that if such amount is greater than “P”, then “D” shall be deemed to be equal to “P”;

- ~~(v)~~ the issue of the Convertible Preference Shares.

LIEN

15. The Company shall have a first and paramount lien on every share (not being a fully paid up share) for all moneys (whether presently payable or not) called or payable at a fixed time in respect of that share; and the Company shall also have a first and paramount lien and charge on all shares (other than fully paid up shares) standing registered in the name of a single member for all the debts and liabilities of such member or his estate to the Company and whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person other than such member and whether the period for the payment or discharge of the same shall have actually arrived or not and notwithstanding that the same are joint debts or liabilities of such member or his estate and any other person, whether a member of the Company or not; but the Directors may at any time declare any share

to be for some specified period wholly or in part exempt from the provisions of this Bye-Law. The Company's lien, if any, on a share shall extend to all dividends, bonuses and distributions payable in respect thereof.

16. The Company may sell, in such manner as the Directors think fit, any shares on which the Company has a lien but no sale shall be made unless some sum in respect of which the lien exists is presently payable or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged nor until the expiration of 14 days after a notice in writing, stating and demanding payment of such sum presently payable or specifying the liability or engagement and demanding fulfilment or discharge thereof and giving notice of intention to sell in default, shall have been given to the registered holder for the time being of the share, or the person entitled thereto by reason of the death, mental disorder or bankruptcy of the registered holder.
17. The net proceeds of such sale after the payment of the costs thereof shall be received by the Company and applied in or towards payment, fulfilment or discharge of debt or liability or engagement in respect whereof the lien exists, so far as the same is presently payable or due to be fulfilled or discharged, and any residue shall (subject to a like lien for debts or liabilities or engagements not presently payable or due to be fulfilled or discharged as existed upon the shares prior to the sale and upon surrender, if required by the Company, for cancellation of the certificate for the shares sold) be paid to the person who was the holder of such shares immediately before the sale of such shares. For giving ~~effect~~ effect to any such sale the Directors may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

CALLS ON SHARES

18. The Directors may from time to time make such calls as they may think fit upon the members in respect of all or any part of the moneys unpaid on the shares held by them respectively (whether on account of the nominal value of the shares and/or by way of premiums) and not by the conditions of issue or allotment thereof made payable at a date fixed by or in accordance with such terms of issue or allotment; and each member shall (subject to receiving at least 14 days' notice specifying the time and place of payment and to whom such call shall be paid) pay to the Company at the time and place and to the person so specified the amount called on his shares. A call shall be deemed to have been made when the resolution of the Directors authorising such call is passed and may be made payable in one sum or by instalments. A call may be revoked or postponed as the Directors may determine. A person upon whom a call is made shall remain liable on such call notwithstanding any subsequent transfer of the shares in respect of which the call was made.
19. A copy of the notice referred to in Bye-Law 18 shall be sent to the members in the manner in which notices may be sent to members by the Company as herein provided.

20. In addition to the giving of notice in accordance with Bye-Law 18, notice of the person appointed to receive payment of every call and of the time and place appointed for payment may be given to the members affected by notice to be published in the newspapers.
21. The joint holders of a share shall be jointly and severally liable to pay all calls and instalments due in respect of such share or other moneys due in respect thereof.
22. The Directors may from time to time at their discretion extend the time fixed for any call and may extend such time as regards all or any of the members whom, by reason of residence outside Hong Kong or other cause, the Directors may deem entitled to any such extension but no member shall be entitled to any such extension except as a matter of grace and favour.
23. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest upon the sum at such rate not exceeding, without the sanction of the Company in general meeting, 20 per cent per annum as the Directors shall fix from the day appointed for the payment thereof to the time of the actual payment but the Directors shall be at liberty to waive payment of that interest wholly or in part.
24. No member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another member who is entitled) at any general meeting, either personally or by proxy or by a duly authorised corporate representative or be reckoned in a quorum or to exercise any other privilege as a member until all calls and instalments due from him to the Company, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid. ~~(Note 2)~~
25. On the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the member sued is entered in the register as the holder, or one of the holders, of the shares in respect of which such debt accrued; that the resolution making the call is duly recorded in the minute book; and that notice of such call was duly given to the member sued, in pursuance of the Bye-Laws; and it shall not be necessary to prove the appointment of the Directors who made such call nor any other matters whatsoever and the proof of the matters aforesaid only shall be conclusive evidence of the existence of the debt.
26. Any sum (whether on account of the nominal value of the share and/or by way of premium) which by the terms of issue or allotment of a share becomes payable upon allotment or at any date fixed by or in accordance with such terms of issue or allotment shall for all the purposes of the Bye-Laws be deemed to be a call duly made, notified and payable on the date on which by the terms of issue or allotment the same becomes payable. In case of non-payment all the relevant provisions of the Bye-Laws as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

27. The Directors may make arrangements on the issue of shares for differences in the amount of calls to be paid and in the times of payment between one allottee or holder and another.
28. The Directors may, if they think fit, receive from any member willing to advance the same and either in money or money's worth all or any part of the moneys uncalled and unpaid or instalments not yet payable upon any shares held by him; and upon all or any of the moneys so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding, without the sanction of the Company in general meeting, 6 per cent per annum) as may be agreed upon between the member paying the sum in advance and the Directors. The Directors may at any time repay the amount so advanced or any part thereof upon giving to such member not less than one month's notice in writing of their intention in that behalf, unless before the expiration of such notice the amount proposed to be repaid shall have been called up on the shares in respect of which it was advanced in which event the same shall be applied in or towards satisfaction of the call under the applicable provisions of the Bye-Laws.

FORFEITURE OF SHARES

29. If a member fails to pay in full any call or instalment of a call on the day appointed for the payment thereof, the Directors may at any time thereafter during such time as any part of the call or instalment remains unpaid, without prejudice to the provisions of Bye-Law 24, serve a notice on him requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued and which may still accrue up to the date of actual payment.
30. The notice shall name a further day (not earlier than 14 days after the date of service of the notice) on or before which and the place where the payment required by the notice is to be made and shall state that in the event of non-payment at or before the time and at the place appointed the shares in respect of which the call was made will be liable to be forfeited.
31. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all dividends and bonuses declared in respect of the forfeited shares but not paid before the forfeiture. The Directors may accept a surrender of any share liable to be forfeited hereunder and in such case, references in these presents to forfeiture shall include surrender.
32. Until cancelled in accordance with the requirements of the Act, any share so forfeited shall be deemed to be the property of the Company and may be sold, reallocated or otherwise disposed of either to the person who was, before the forfeiture, the holder thereof or entitled thereto or to any other person on such terms and in such manner as the Directors think fit and at any time before a sale or disposition thereof the forfeiture may be cancelled on such terms as the Directors think fit.

33. A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares but shall, notwithstanding, remain liable to pay to the Company all calls already made and moneys which, at the date of forfeiture, were presently payable by him to the Company in respect of the shares and without any deduction or allowance for the value of the shares at the date of forfeiture (together with interest thereon at such rate not exceeding 10 per cent per annum as the Directors may prescribe from the date of forfeiture if the Directors think fit to enforce payment of such interest) but his liability shall cease if and when the Company shall receive payment in full of all such calls, monies and interests in respect of the shares. For the purposes of this Bye-Law, any sum which by the terms of issue of a share is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share and/or by way of premium, shall, notwithstanding that such time has not yet arrived be deemed to be payable at the date of forfeiture and the same shall become due and payable immediately upon the forfeiture but interest thereon shall only be payable in respect of any period between the said fixed time and, if later, the date of actual payment.
34. A statutory declaration in writing to the effect that the declarant is a Director or the secretary of the Company and that a share in the Company has been duly forfeited or surrendered on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Company may receive the consideration, if any, given for the share on any sale, allotment or disposition thereof and may, subject to the restrictions contained in the Bye-Laws, execute a transfer of the share in favour of the person to whom the share is sold, allotted or disposed of and he shall thereupon be registered as the holder of the share and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale, allotment or disposal of the share.
35. When any share shall have been forfeited, notice of the resolution shall be given to the member in whose name it stood immediately prior to the forfeiture and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register.
36. (A) Notwithstanding any such forfeiture as aforesaid, the Directors may at any time, before any shares so forfeited shall have been sold, allotted or otherwise disposed of, permit the shares forfeited to be redeemed upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the shares and upon such further terms (if any) as they think fit.
- (B) The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.
- (C) The provisions of these Bye-Laws as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

STOCK

37. To the extent permitted by Statutes, the Company may from time to time by ordinary resolution convert any paid up shares into stock and may from time to time by like resolution reconvert any stock into paid up shares of any denomination.
38. The holders of stock may transfer the same or any part thereof in the same manner and subject to the same regulations as and subject to which the shares from which the stock arose might prior to conversion have been transferred or as near thereto as circumstances admit provided that the Directors may from time to time if they think fit, fix the minimum amount of stock transferable and restrict or forbid the transfer of fractions of that minimum but so that such minimum shall not exceed the nominal amount of the shares from which the stock arose. No warrants to bearer shall be issued in respect of any stock.
39. The holders of stock shall, according to the amount of the stock held by them, have the same rights, privileges and advantages as regards dividends, participation in assets on a winding up, voting at meetings and other matters as if they held the shares from which the stock arose but no such privilege or advantage (except participation in the dividends and profits of the company) shall be conferred by an amount of stock which would not, if existing in shares, have conferred such privilege or advantage.
40. Such of the provisions of the Bye-Laws as are applicable to paid up shares shall apply to stock and the words "share" and "member" herein shall include "stock" and "stockholder".

TRANSFER OF SHARES

41. (A) All transfers of shares may be effected by transfer in writing in any usual or common form or in any other form acceptable to the Directors and may be under hand or by means of mechanically imprinted signatures. ~~(Note 2)~~
- (B) The instrument of transfer shall be executed by or on behalf of both the transferor and the transferee provided that the Directors may dispense with the execution of the instrument of transfer by the transferee in any case which they think fit in their discretion to do so.
- (C) The transferor shall remain the holder of the shares concerned until the name of the transferee is entered in the register in respect thereof.

42. Nothing in the Bye-Laws shall preclude the Directors from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person. The Directors in their sole and absolute discretion and without assigning any reason therefor may decline to register any transfer of shares which are not fully paid up to a person of whom they do not approve and they may also refuse to register any transfer of share (not being a fully paid up share) on which the Company has a lien. The Directors shall not register a transfer to a person who is known to them to be an infant or a person of unsound mind or under any other legal disability but the Directors shall not be bound to enquire into the age or soundness of mind or legal ability of any transferee.
43. Every instrument of transfer shall be left at the office or at such other place as the Directors may appoint for registration accompanied by the certificate of the shares to be transferred and such other evidence as the Directors may reasonably require to prove the title of the transferor or his right to transfer the shares. If the Directors refuse to register a transfer they shall within 2 months after the date on which the transfer was lodged with the Company send to each of the transferor and transferee notice of the refusal. All instruments of transfer which are registered shall be retained by the Company but any instrument of transfer which the Directors may decline to register shall (except in the case of fraud) be returned to the person depositing the same together with the share certificate and such other evidence as aforesaid within 2 months after the date on which the transfer was lodged with the Company.
44. The Directors may also decline to recognise any instrument of transfer unless:
- (i) such fee, if any, not exceeding the fee as for the time being approved by the Designated Stock Exchange is paid to the Company for registering any transfer or other document relating to or affecting the title to the shares involved or for otherwise making an entry in the register relating to such shares; ~~(Note 2)~~
 - (ii) the instrument of transfer is in respect of only one class of shares;
 - (iii) if applicable, the instrument of transfer is properly stamped; and
 - (iv) in the case of a transfer to joint holders, the number of joint holders to whom the share is to be transferred does not exceed 4.
45. Upon every transfer of shares the certificate relating to the shares to be transferred held by the transferor shall be given up to be cancelled and shall forthwith be cancelled accordingly and a new certificate shall be issued without charge to the transferee in respect of the shares transferred to him and if any of the shares included in the certificate so given up shall be retained by the transferor a new certificate in respect thereof shall be issued to him without charge.

46. The registration of transfers, may on giving ~~14 days'~~ notice ~~and by advertisement~~ published in the newspapers in accordance with the requirements of the Act and the Designated Stock Exchange or by any means in such manner as may be accepted by the Designated Stock Exchange, be suspended and the register closed at such times and for such periods as the Directors may from time to time determine provided always that such registration shall not be suspended or the register closed for more than 30 days in any year.

UNTRACED SHAREHOLDERS

47. (A) Without prejudice to the rights of the Company under paragraph (B) of this Bye-Law, the Company may cease sending dividend warrants by post if such warrants have been left uncashed on 2 consecutive occasions, provided however that the Company may exercise the power to cease sending dividend warrants by post after the first occasion on which such a warrant is returned undelivered.
- (B) The Company shall have the power to sell, in such manner as the Directors think fit, any shares of a member who is untraceable, but no such sale shall be made unless:
- (i) all cheques or warrants, being not less than 3 in total number, for any sum payable in cash to the holder of such shares in respect of them sent in the manner authorised by the Bye-Laws of the Company have remained uncashed for a period of 12 years;
 - (ii) the Company has not at any time during the 12 year period received any indication of the existence of the member or of any person who is entitled to such shares; and
 - (iii) upon expiry of the 12 year period, the Company has caused an advertisement to be published in the newspapers giving notice of its intention to sell such shares and a period of 3 months has elapsed since the date of such advertisement and the Company has notified the Designated Stock Exchange of such intention.

To give effect to any such sale the Directors may authorise any person to transfer the said shares and an instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such shares, and the purchaser shall not be bound to see to the application of the purchase moneys nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale shall belong to the Company and upon receipt by the Company of such net proceeds it shall become indebted to the former member for an amount equal to such net proceeds. No trust shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any moneys earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Bye-Law shall be valid and effective notwithstanding that the member holding the shares sold is dead, bankrupt or otherwise under any legal disability or incapacity.

TRANSMISSION OF SHARES

48. In the case of the death of a member, the survivor or survivors where the deceased was a joint holder and the legal personal representatives of the deceased where he was a sole holder shall be the only persons recognised by the Company as having any title to his interest in the share; but nothing herein contained shall release the estate of the deceased (whether sole or joint holder) from any liability in respect of any share which had been held by him jointly with other persons or solely.
49. Any person to whom the right to any share has been transmitted by death, bankruptcy or operation of law may, upon such evidence being produced as may from time to time properly be required by the Directors and subject as hereinafter provided, elect either to be registered himself as holder of the shares, whether in whole or part, or to have some person nominated by him registered as the transferee thereof, whether in whole or part, but the Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the shares by the original member before the event giving rise to the transmission. The merger of any 2 or more corporations under the laws of one or more foreign countries or states shall constitute a transmission by operation of law for the purposes of this Bye-Law.
50. If the person so becoming entitled shall elect to be registered himself, whether in whole or part in respect of the shares involved, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he shall elect to have another person registered in respect of the shares the right to which has been so transmitted, he shall testify his election by executing in favour of that person a transfer of the relevant shares. All the limitations, restrictions and provisions of the Bye-Laws relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the transmission had not occurred and the notice or transfer were a transfer signed by the original registered holder.
51. Any person to whom the right to any share has been transmitted by operation of law shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. Provided always that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within 90 days the Directors may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the share until the requirements of the notice have been complied with but, subject to the requirements of Bye-Law 75 being met, such person may vote at meetings of the Company.

ALTERATION OF CAPITAL

52. The Company in general meeting may, from time to time, whether or not all the shares for the time being authorised shall have been issued and whether or not all the shares for the time being issued shall have been fully paid up, by ordinary resolution increase its share capital by the creation of new shares, such new capital to be of such amount and to be divided into shares of such respective amounts as the resolution shall prescribe.

53. Except so far as otherwise provided by the conditions of issue or by the Bye-Laws, any new shares issued as a consequence of an alteration of capital shall be subject to the same provisions with reference to the payments of calls and instalments, liens, transfer, transmission, forfeiture, cancellation, surrender, voting and otherwise as the shares in the original capital.
54. The Company may from time to time by ordinary resolution:

64. If within 15 minutes from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of members, shall be dissolved; in any other case it shall stand adjourned to the same day in the next week and at such time and place as shall be decided by the Directors.

The result of the poll shall be deemed to be the resolution of the meeting. The Company shall only be required to disclose the voting figures on a poll if such disclosure is required by the rules of the Designed Stock Exchange. *(Note 6)*

A person entitled to cast more than one vote upon a poll need not use all his votes or cast all the votes he uses in the same way. Notwithstanding anything contained in these Bye-laws, where more than one proxy is appointed by a member which is a clearing house (or its nominee(s)), each such proxy shall have one vote on a show of hands. *(Notes 2, 3, 5 and 6)*
- 74(B). At a general meeting, each member has the right to speak and vote except where a member is required by the Listing Rules to abstain from voting to approve the matter under consideration. 76. In the case of joint holders the vote of the senior who tenders a vote, whether in person or by proxy or by a duly authorised corporate representative, shall be accepted to the exclusion of the votes of the other joint holders; and for this purpose seniority shall be determined by the order in which the names stand in the register. 78. If (a) any objection shall be raised to the qualification of any voter or (b) any votes have been counted which ought not to have been counted or which might have been rejected or (c) any votes are not counted which ought to have been counted, the objection or error shall not vitiate the decision of the meeting or adjourned meeting on any resolution unless the same is raised or pointed out at the meeting or, as the case may be, the adjourned meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to –the chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairman decides that the same may have affected the decision of the meeting. The decision of the chairman on such matters shall be final and conclusive.
79. Any member, whether an individual or a corporation, entitled to attend and vote at a meeting of the Company or a meeting of the holders of any class of shares in the Company shall be entitled to appoint another person as his proxy to attend and vote instead of him. Delivery of an instrument appointing a proxy shall not preclude a member from attending and voting in person at the meeting or poll concerned.~~
82. No instrument appointing a proxy shall be valid after the expiration of 12 months from the date of its execution unless it states that it is valid for all meetings whatsoever until revoked with the exception that any instrument may be used at any adjournment of the meeting for which it was originally intended provided that in all these cases the meeting was originally held within 12 months from such date. ~~(Note 6)~~

References in these Bye-laws to a member present in person at a meeting shall, unless the context otherwise requires, include a corporation which is a member represented at the meeting by such duly authorized corporate representative or by one or more proxies. Nothing contained in this Bye-law shall prevent a corporation which is a member of the Company from appointing one or more proxies to represent its pursuant to Bye-law 79. ~~(Note 2)~~

A person so appointed or authorised under the provisions of this Bye-law shall be entitled to exercise the same powers on behalf of the ~~C~~clearing ~~H~~ouse (or its nominee(s)) which he represents as that ~~C~~clearing ~~H~~ouse (or its nominee(s)) could exercise as if it were an individual member, including without limitation, the right to speak and vote and, where a show of hands is allowed, the right to vote individually on a show of hands notwithstanding the provisions of Bye-law 74(A). *(Notes 2 and 6)*

PROCEEDINGS OF DIRECTORS

113. The Directors may meet together for the dispatch of business, adjourn and otherwise regulate their meetings and proceedings as they think fit. Questions arising at any meeting shall be decided by a majority of votes and in the case of an equality of votes the chairman shall have a second or casting vote. A Director may, and the Secretary on the requisition of a Director shall, at any time summon a meeting of the Directors. Notice thereof shall be given to each Director and alternate Director either in writing or by telephone or by telex or telegram at the address from time to time notified to the Company by such Director or alternate Director or in such other manner as the Directors may from time to time determine provided that notice need not be given to any Director or alternate Director for the time being absent from Hong Kong. A Director may waive notice of any meeting either prospectively or retrospectively. A meeting of the Directors or any Committee may be held by means of such telephone, electronic or other communication facilities as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.
114. A resolution in writing signed by all the Directors present in Hong Kong except such as are temporarily unable to act through ill-health or disability and all the alternate Directors present in Hong Kong whose appointors are absent from Hong Kong or temporarily unable to act as aforesaid and in either case who are entitled to receive notice of a meeting of the Directors shall (so long as they constitute a quorum as provided in Bye-Law 116 for the time being and provided that a copy of such resolution has been given or the contents thereof communicated to all the Directors for the time being entitled to receive notices of board meeting) be as valid and effectual as if it had been passed at a meeting of the Directors duly convened and held. Any such resolution may consist of several documents in like form each signed by one or more of the Directors or alternate Directors.
115. A meeting of the Directors for the time being at which a quorum is present shall be competent to exercise all or any of the authorities, powers and discretions by or under the Bye-Laws for the time being vested in or exercisable by the Directors generally.
116. Unless otherwise determined by the Directors, the quorum of a Directors' Meeting shall be 2. Any Director who ceases to be a Director at a Directors' meeting may continue to be present and to act as a Director and be counted in the quorum until the termination of the Directors' meeting if no other Director objects and if otherwise a quorum of Directors would not be present. For the purpose of this Bye-Law an alternate Director shall be counted in a quorum but, notwithstanding that an alternate Director is an alternate for more than one Director, he shall for quorum purposes be counted only as one Director.
117. The continuing Directors may act notwithstanding any vacancy in their body but, if and so long as their number is reduced below the number fixed by or pursuant to the Bye-Laws as the necessary quorum of Directors, the continuing Directors may act for the purpose of increasing the number of Directors to that number or of summoning a general meeting of the Company but for no other purpose.

118. Subject to the Statutes, the Directors may from time to time elect or otherwise appoint a Director to be Chairman or Deputy Chairman and determine the period for which each of them is to hold office. The Chairman or, in his absence, the Deputy Chairman shall preside at meetings of the Directors; but if no such Chairman or Deputy Chairman is elected or appointed or if at any meeting the Chairman or Deputy Chairman is not present within 5 minutes after the time appointed for holding the same, the Directors present shall choose one of their number to be chairman of the meeting.
119. The Directors may delegate, and impose regulations in respect of such delegation of, any of their powers, authorities and discretions to committees consisting of such member or members of their body and such other persons as they think fit provided that the majority of the members of any such committee are Directors of the Company and that no meeting of any such committee shall be qualified as a quorum for the purpose of exercising any of such powers, authorities or discretions unless a majority of those present are Directors of the Company. The Directors may from time to time revoke such delegation or revoke the appointment of and discharge any such committees either wholly or in part and either as to persons or purposes, and every committee so formed shall in the exercise of the powers so delegated conform to any regulations that may from time to time be imposed on it by the Directors.
120. All acts done by any such committee in conformity with such regulations and in fulfillment of the purposes for which it is appointed, but not otherwise, shall have the like force and effect as if done by the Directors and the Directors shall have power, with the consent of the Company in general meeting, to remunerate the members of any special committee and charge such remuneration to the current expenses of the Company.
121. The meetings and proceedings of any such committee consisting of 2 or more members shall be governed by the provisions herein contained for regulating the meetings and proceedings of the Directors including Bye-Law 114 so far as the same are applicable thereto and are not replaced by any regulations imposed by the Directors pursuant to Bye-Law 119.
122. All acts bona fide done by any meeting of the Directors or of a committee of Directors or by any person acting as a Director shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Director or person acting as aforesaid or that they or any of them were or was disqualified, be as valid as if every such person had been duly appointed and was qualified to be a Director or member of such committee.

ALTERNATE DIRECTORS

123. (A) The Company may in general meeting elect or authorise the Directors to elect or appoint on its behalf a person or persons qualified to be Directors to act as Directors in the alternative to any of the Directors of the Company and subject to the Statutes, any Director may at any time by notice in writing delivered to the office or at a meeting of the Directors appoint any person (including another Director) to be an alternate Director in his place. Any person so

appointed shall (except when absent from Hong Kong) be entitled to receive notices of and to attend and vote at meetings of the Directors and be counted towards a quorum and generally at such meetings to perform all the functions of his appointor as a Director and shall automatically vacate his office on the expiration of the term for or the happening of the event until which he is by the terms of his appointment to hold office or which, were he a Director, would cause him to vacate such office or if the appointor in writing revokes the appointment or himself ceases for any reason to hold office as a Director provided that, if at any meeting any Director retires by rotation or otherwise but is re-elected at the same meeting, any appointment made by him pursuant to this Bye-Law which was in force immediately before his retirement shall remain in force as though he had not retired. Any alternate director may be removed by the Company in general meeting and, if appointed by the Directors, may be removed by the Directors. An appointment of an alternate Director under this Bye-Law shall not prejudice the right of the appointor to receive notices of and to attend and vote at meetings of the Directors and the powers of the alternate Director shall automatically be suspended during such time as the Director appointing him is himself present in person at a meeting of the Directors. An Alternate Director may also be a Director in his own right and may act as alternate to more than one Director.

- (B) For the purposes of the proceedings at Directors' meetings the provisions of the Bye-Laws shall apply as if an alternate Director (instead of his appointor) were a Director. If he shall be himself a Director or shall attend any such meeting as an alternate for more than one Director his voting rights shall be cumulative. If his appointor is for the time being absent from Hong Kong or otherwise not available or unable to act, his signature to any resolution in writing of the Directors shall be as effective as the signature of his appointor. To such extent as the Directors may from time to time determine in relation to any committee of the Directors, the foregoing provisions of this paragraph shall also apply mutatis mutandis to any meeting of any such committee of which his appointor is a member. An alternate Director shall not, save as aforesaid, have power to act as a Director nor shall he be deemed to be a Director for the purposes of the Bye-Laws.
- (C) An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent mutatis mutandis as if he were a Director but he shall not be entitled to receive from the Company in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointor as such appointor may be notice in writing to the Company from time to time direct. An Alternate Director shall alone be responsible to the Company for his acts and defaults and shall not be deemed to be the agent of or for any Director for whom he is alternate.

MANAGERS

- 124.** The Directors may from time to time appoint a manager or managers of the business of the Company and may fix his or their remuneration either by way of salary or commission or by conferring the right to participation in the profits of the Company or by a combination of two or more of these modes and pay the working expenses of any of the staff of the manager or managers who may be employed by him or them in the business of the Company.
- 125.** The appointment of such manager or managers may be for such period as the Directors may decide and the Directors may confer upon him or them all or any of the powers of the Directors and such title or titles as they may think fit.

- 128.** Any provision of the Act or the Bye-Laws requiring or authorising a thing to be done by or to a Director and the secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in place of, the secretary.

BORROWING POWERS

- 129.** The Directors may exercise all the powers of the Company to borrow money, give guarantees and mortgage or charge its undertaking, property and uncalled capital, or any part thereof, and to issue debentures and other securities, whether outright or as collateral security for any debt, liability or obligation of the Company or of any third party.
- 130.** Where any uncalled capital of the Company is charged, all persons taking any subsequent charge thereon shall take the same subject to such prior charge and shall not be entitled, by notice to the members or otherwise, to obtain priority over such prior charge.

131. Debentures, debenture stock, bonds and other securities may be made assignable free from any equities between the Company and the person to whom the same may be issued.
132. Any debentures, debenture stock, bonds or other securities may be issued at a discount, premium or otherwise and with any special privileges as to redemption, surrender, drawings, allotment of shares, attending and voting at general meetings of the Company, appointment of Directors and otherwise, but so that no shares shall be issued at a discount to their nominal value.
133. The Directors shall cause a proper register to be kept, in accordance with the provisions of the Act, of all mortgages and charges specifically affecting the property of the Company and shall duly comply with the requirements of the Act in regard to the registration of mortgages and charges therein specified and otherwise.
134. If the Company issues a series of debentures or debenture stock not transferable by delivery, the Directors shall cause a proper register to be kept of the holders of such debentures or debenture stock in accordance with the provisions of the Act.

CHEQUES

135. All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments and all receipts for moneys paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Directors shall from time to time by resolution determine. The Company's banking accounts shall be kept with such bankers as the Directors shall from time to time determine.

THE SEAL

136. (A) The Directors shall provide for safe custody of the seal which shall only be used with the authority of the Directors or of a committee authorised by the Directors in that behalf; and every instrument to which the seal shall be affixed shall be signed by one Director and the Secretary or some other person appointed by the Directors for the purpose or by two Directors Provided that the Directors may either generally or in any particular case resolve (subject to such restrictions as to the manner in which the seal may be affixed as the Directors may determine) that such signature may be affixed to certificates for shares or debentures or representing any other form of security by some mechanical means other than autographic to be specified in such resolution or that such certificates need not be signed by any person. Every instrument executed in the manner provided by this Bye-Law shall be deemed to be sealed and executed with the authority of the Directors previously given.

- (B) The Company may have a duplicate seal for use in such state, country or territory outside Bermuda as the Directors shall determine and the Company may by writing under the seal appoint any agent or committee outside Bermuda to be the duly authorized agent of the Company for the purpose of affixing and using such duplicate seal and the agent may impose such restrictions on the use thereof as may be thought fit. The Company may also have, for the purpose of sealing securities issued by the Company, and for the purpose of sealing documents representing or evidencing the securities so issued, a duplicate seal which is a facsimile of the seal with the addition on its face of the words "Securities Seal". Wherever in the Bye-Laws reference is made to the seal, the reference shall, so far as may be applicable, be deemed to include such duplicate seals as aforesaid.

DIVIDENDS AND RESERVES

137. Subject to the Act and as hereinafter set out, the Company in general meeting may declare dividends, in any currency, to be paid to the members according to their rights and privileges in the profits available for distribution but no dividend shall exceed the amount recommended by the Directors. No dividend shall be declared –or paid and no distribution of contributed surplus made otherwise than in accordance with the Statutes. No dividend shall be paid otherwise than out of profits available for distribution.
138. (A) The Directors may from time to time pay to the members such interim dividends as appear to the Directors to be justified by the position of the Company and, in particular (but without prejudice to the generality of the foregoing), if at any time the capital of the Company is divided into different classes, the Directors may pay such interim dividends in respect of those shares in the capital of the Company which confer on the holders thereof deferred or non-preferential rights as well as in respect of those shares which confer on the holders thereof preferential rights with regard to dividend but no interim dividend shall be paid on shares carrying deferred or non-preferential rights if, at the time of payment, any preferential dividend is in arrear provided that if the Directors act bona fide the Directors shall not incur any responsibility to the holders of shares conferring any preference for any damage that they may suffer by reason of the lawful payment of an interim dividend on any shares having deferred or non-preferential rights.
- (B) The Directors may also pay half-yearly or at other suitable intervals to be settled by them any dividend which may be payable at a fixed rate if the Directors are of the opinion that the position of the Company justifies the payment.
139. No dividend or other moneys payable by the Company on or in respect of any share shall bear interest against the Company.

140. Whenever the Directors or the Company in general meeting have resolved that a dividend be paid or declared, the Directors may further resolve that such dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe for securities of the Company or other company or in any one or more of such ways and where any difficulty arises in regard to such distribution, the Directors may settle the same as they think expedient and in particular may issue fractional certificates, disregard fractional entitlements or round the same up or down and may fix the value for distribution of such specific assets or any part thereof and may determine that cash payments shall be made to any members upon the footing of the value so fixed in order to adjust the rights of all parties and may vest any such specific assets in trustees as may seem expedient to the Directors and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend and such appointment shall be effective.  - (b) the Directors, after determining the basis of allotment, shall give not less than 2 weeks' notice in writing to the members of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded;
 - (d) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised ("the non-elected shares") and in lieu and in satisfaction thereof shares shall be allotted credited as fully paid to the members who have not duly exercised the said cash election on the basis of allotment determined as aforesaid and for such purpose the Directors shall capitalise and apply out of any part of the

profits of the Company available for distribution or any part of any of the Company's reserve accounts (including any special account, share premium account and capital redemption reserve fund) as the Directors may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the allottees of the non-elected shares on such basis;

- or (ii) that the members entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid in lieu of the whole or such part of the dividend as the Directors may think fit. In such case, the following provisions shall apply :
- (a) the basis of any such allotment shall be determined by the Directors;
 - (b) the Directors after determining the basis of allotment, shall give not less than 2 weeks' notice in writing to the members of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded;
 - (d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on shares in respect whereof the share election has been duly exercised ("the elected shares") and in lieu and in satisfaction thereof shares shall be allotted credited as fully paid to the members who have duly exercised the said share election on the basis of allotment determined as aforesaid and for such purpose the Directors shall capitalise and apply out of any part of the profits of the Company available for distribution or any part of any of the Company's reserve accounts (including any special account, share premium account and capital redemption reserve fund) as the Directors may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the allottees of the elected shares on such basis.

- (B) The shares allotted pursuant to the provisions of paragraph (A) of this Bye-Law shall rank pari passu in all respects with the shares then in issue save only as regards participation:
- (i) in the relevant dividend (or the right to receive or to elect to receive an allotment of shares in lieu and in satisfaction thereof as aforesaid); or
 - (ii) In any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend.

unless, contemporaneously with the announcement by the Directors of their proposal to apply the provisions of sub-paragraph (i) or (ii) of paragraph (A) of this Bye-Law in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Directors shall specify that the shares to be allotted pursuant to the provisions of paragraph (A) of this Bye-Law shall rank for participation in such dividend, distribution, bonus or rights.

- (C) The Directors may do all acts and things considered necessary or expedient to give effect to any capitalization pursuant to the provisions of paragraph (A) of this Bye-Law with full power to the Directors to make such provisions as they think fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the members concerned). The Directors may authorize any person to enter into, on behalf of all members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (D) The Company may, upon the recommendation of the Directors, by special resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (A) of this Bye-Law a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid without offering any right to members to elect to receive such dividend in cash in lieu of such allotment.
- (E) The Directors may on any occasion determine that rights of election and the allotment of shares under paragraph (A) of this Bye-Law shall not be made available or made to any members with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of shares would or might be unlawful and in such event the provisions aforesaid shall be read and construed subject to such determination.

142. Subject to the rights of persons, if any, entitled to shares with special rights as to dividends, all dividends shall be declared and paid according to the amounts paid or credited as paid on the shares in respect whereof the dividend is paid but no amount paid or credited as paid on a share in advance of calls shall be treated for the purposes of this Bye-Law as paid on the share. All dividends shall be apportioned and paid proportionately to the amounts paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid; but if any share is issued on terms providing that it shall rank for dividend as from a particular date such share shall rank for dividend accordingly. The Directors may deduct from any dividend, bonus or distribution payable to any member all sums of money (if any) presently payable by him to the Company on account of calls, instalments or otherwise in relation to the shares of the Company.
143. The Directors may retain any dividends or other moneys payable on or in respect of a share upon which the Company has a lien and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists.
144. The Directors may, before recommending any dividend, set aside out of the profits of the Company such sums as they think proper as a reserve or reserves which shall, at the discretion of the Directors, be applicable for meeting claims on or liabilities of the Company or contingencies or for paying off any loan capital or for equalising dividends or for any other purpose to which the profits of the Company may be lawfully applied and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (other than shares or warrants of the Company) as the Directors may from time to time think fit and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Directors may also without placing the same to reserve carry forward any profits which they may think prudent not to distribute by way of dividend.
145. Any general meeting sanctioning a dividend may make a call on the members of such amount as the meeting fixes but so that the call on each member shall not exceed the dividend payable to him and so that the call shall be made payable at the same time as the dividend and the dividend may, if so arranged between the Company and the member, be set off against the call.
146. A transfer of shares shall not pass the right to any dividend or bonus declared thereon before the registration of the transfer.
147. Notwithstanding anything herein contained, if two or more persons are registered as joint holders of any share, any one of them may give an effectual receipt for any dividends, interim dividends or bonuses or other moneys payable on or in respect of such shares.
148. Unless otherwise directed by the Directors, any dividend, interest, bonus or other sum payable in cash to the members may be paid by cheque or warrant sent through the post to the registered address of the member or person entitled thereto or to such person at such address as the member or person entitled (as the case may be) may direct. Every such cheque or warrant shall be made payable to the order of the person to whom it is sent or to the order of such other person as the member or person

- entitled (as the case may be) may direct and shall be sent at his own risk and the payment of any such cheque or warrant shall operate as a good discharge to the Company in respect of the dividend, interest, bonus or other sum represented thereby, notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged.
- 149.** All dividends or bonuses unclaimed for one year after having been declared may be invested or otherwise made use of by the Directors for the benefit of the Company until claimed and the Company shall not be constituted a trustee in respect thereof or any profit or benefit derived therefrom. All dividends or bonuses unclaimed for 6 years after having been declared shall be forfeited by the Directors and shall revert to the Company.
- 150. (A)** The Directors may, with the sanction of an ordinary resolution of the Company, capitalize any sum standing to the credit of any of the Company's reserve accounts (including share premium account and capital redemption reserve fund) or any sum standing to the credit of any profit and loss account or otherwise available for distribution (and not required for the payment or provisions of the dividend on any shares with a preferential right to dividend) by appropriating such sum to the holders of shares in the proportions which such sum would have been divisible amongst them had the same been a distribution of profits by way of dividend and applying such sum on their behalf in or towards paying up any amounts for the time being unpaid on any shares held by them respectively or in paying up in full unissued shares (or, subject to any special rights previously conferred on any shares or class of shares or class of shares for the time being issued, unissued shares of any other class not being redeemable shares), debentures or other obligations of the Company for allotment and distribution credited as fully paid up to and amongst them in the proportion aforesaid, or partly in the one way and partly in the other: Provided that a share premium account and a capital redemption reserve fund and any reserve or fund representing unrealised profits may, for the purposes of this Bye-Law, only be applied in paying up unissued shares to be allotted to members as fully paid bonus shares.
- (B)** Whenever such a resolution as aforesaid shall have been passed the Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of fully paid up shares or debentures, if any, and generally shall do all acts and things considered necessary or expedient to give effect to any such capitalisation. In particular where any difficulty arises in regard to any distribution under paragraph (A) of this Bye-Law the Directors may settle the same as they think expedient and in particular may issue fractional certificates or authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether and may determine that cash payments shall be made to any members in order to adjust the rights of all parties, as may seem expedient to the Directors. The Directors may authorise any person to enter on behalf of all the members entitled thereto into an agreement with the Company providing for any such capitalisation and matters incidental thereto including the allotment to them respectively, credited as fully paid up, of any further shares or debentures to which they

may be entitled upon such capitalisation or, as the case may require, the payment up by the Company on their behalf, by the application thereto of their respective proportions of the profits resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing shares and any agreement made under such authority shall be effective and binding on all concerned.

151. The following provisions shall have effect at any time and from time to time in so far as they are not prohibited by or inconsistent with the Statutes:

- (A) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions of the conditions of the warrants, would reduce the subscription price to below the par value of a share then the following provisions shall apply:
- (i) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Bye-Law) maintain in accordance with the provisions of this Bye-Law a reserve (the "Subscription Right Reserve") the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub-paragraph (iii) of this paragraph (A) on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Right Reserve in paying up such additional shares in full as and when the same are allotted;
 - (ii) the Subscription Right Reserve will not be used for any purpose other than that specified above until all other reserves of the Company (other than share premium account and capital redemption reserve fund) have been used and will then only be used to make good losses of the Company if and so far as is required by law;
 - (iii) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:
 - (a) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and

- (b) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par.

and immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalized and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder;

- (iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrant holder is entitled, the Directors shall apply any profits or reserves then or thereafter becoming available (including to the extent permitted by law, share premium account and capital redemption reserve fund) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until such time no dividend or other distribution shall be paid or made on the shares. Pending such payment up and allotment the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefore and other matters in relation thereto as the Directors may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.
- (B) Shares allotted pursuant to the provisions of this Bye-Law shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned.
 - (C) Notwithstanding anything contained in paragraph (A) of this Bye-Law no fraction of a share shall be allotted on exercise of the subscription rights.
 - (D) The provisions of this Bye-Law as to the establishment and maintenance of the Subscription Right Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating, the provisions for, the benefit of any warrant holder or class of warrant holders under this Bye-Law without the sanction of a special resolution of such warrant holders or class of warrant holders.

- (E) A certificate or report by the auditors for the time being of the Company as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Right Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to an exercising warrant holder credited as fully paid and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders.

167. Any person who, by operation of law, transfer or other means whatsoever, becomes entitled to any share shall be bound by every notice in respect of such share which, prior to his name and address being entered in the register, shall have been duly given under the Bye-Laws to the person from whom he derived his title to such share.
168. Notice of every general meeting shall be given in any manner hereinbefore authorized to (a) every member, (b) every person entitled to a share in consequence of the death, mental disorder or bankruptcy of a member who, but for his death, mental disorder or bankruptcy, would be entitled to receive notice of the meeting, and (c) the auditors for the time being of the Company. Provided always that:

- (a) the foregoing provisions of this Bye-Law shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim;

- (c) references in this Bye-Law to the destruction of any document include references to its disposal in any manner.

WINDING-UP

- 173.** If the Company is wound up and the assets available for distribution among the members as such are insufficient to repay the whole of the paid-up capital, such assets shall be distributed so that as nearly as may be the losses shall be borne by the members in proportion to the capital paid up or which ought to have been paid up at the commencement of the winding-up on the shares held by them respectively. If in a winding-up the assets available for distribution among the members are more than sufficient to repay the whole of the capital paid up at the commencement of the winding-up, the excess shall be distributed amongst the members in proportion to the capital at the commencement of the winding-up paid up by them respectively. This Bye-Law shall not add to or detract from the rights of the holders of shares issued upon special terms and conditions.
- 174.** No fee or commission shall be paid by the Company to any Director or liquidator upon any sale or realization of the Company's undertaking or assets or any part thereof except with the sanction of a general meeting convened by notice specifying the fee or commission proposed to be paid.
- 174A.** (1) Subject to Bye-law 174A(2), the Board shall have power in the name and on behalf of the Company to present a petition to the court for the Company to be wound up.
- (2) A resolution that the Company be wound up by the court or to be wound up voluntarily shall be a special resolution.
- 175.** If the Company shall be wound up (whether voluntarily or under supervision of or by the court), the liquidator may, with the sanction of a special resolution of the Company and any other sanction required by the Act, divide amongst the members in specie or kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not) and may, for such purpose, set such value as he deems fair upon any property to be divided as aforesaid and may determine how such division shall be carried out as between the members or different classes of members. The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories as the liquidator, with the like sanction, shall think fit and the liquidation of the Company may be closed and the Company dissolved, but so that no member shall be compelled to accept any shares or other securities whereon there is any liability.

176.
