GENERAL PROXY INFORMATION

Solicitation of Proxies

This management information circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by or on behalf of the management of the Company for use at the Annual General Meeting of shareholders of the Company to be held at 21st Floor, CMA Building, 64 Connaught Road Central, Hong Kong on June 23, 2022 at 11:30 a.m. (Hong Kong time) / June 22, 2022 at 9:30 p.m. (Calgary time) and any adjournment thereof (the “**Annual Meeting**”, the “**General Meeting**” or the “**Meeting**”) for the purposes set forth in the notice accompanying this Circular.

* For identification purposes only

The cost of this solicitation of proxies is borne by the Company. It is expected that the solicitation will be primarily by mail, but proxies or votes or voting instructions may also be solicited personally or by telephone, facsimile, e-mail, or other means of communication by directors, officers and regular employees of the Company.

Voting at the General Meeting

Registered Shareholders are invited to attend the General Meeting, vote their Shares or appoint another person (who need not be a Shareholder) to act as their proxy and vote in their place, as described below under the heading "*Proxy Information for Registered Shareholders*". Beneficial Shareholders are invited to attend the General Meeting, but in order to vote their Shares they must follow the procedures described below under the heading "*Proxy Information for Beneficial Shareholders*".

PROXY INFORMATION FOR REGISTERED SHAREHOLDERS

Appointment of Proxy Holder

A proxy is a document that authorizes someone else to attend the General Meeting and cast the votes for a Registered Shareholder. **The persons named in the accompanying form of proxy (the "Proxy") are officers and/or directors of the Company. If you are a Registered Shareholder, you have the right to appoint a person or company other than the persons designated in the Proxy, who need not be a Shareholder to attend and act on your behalf at the General Meeting. You may do so either by inserting the name of that other person or company in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

A proxy must be in writing and must be executed by you as Registered Shareholder, or by your attorney authorized in writing, or if the Registered Shareholder is a company or other legal entity, under its corporate seal or by an officer or attorney thereof duly authorized.

The persons named in the Proxy will vote or withhold from voting the Shares represented thereby in accordance with your instructions on any ballot that may be called. If you specify a choice with respect to any matter to be acted upon, your Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the General Meeting.

In respect of a matter for which a choice is not specified in the Proxy, other than the appointment of an auditor and the election of the directors, the persons named in the Proxy will vote the Shares represented by the Proxy for the approval of such matter.

Voting by Proxy Holder

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the General Meeting in person.

Registered Shareholders who received this Circular and other accompanying meeting materials from the Company's branch registrar in Hong Kong, and who elect to submit a proxy may do so by completing, dating and signing the accompanying Proxy and returning it to the Company's branch share registrar in Hong Kong, being Computershare Hong Kong Investor Services Limited at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wan Chai, Hong Kong, ensuring that the Proxy is received during regular business hours at least 48 hours, excluding Saturdays, Sundays and public holidays in Hong Kong, before the General Meeting (i.e. 11:30 a.m. on June 21, 2022 (Hong Kong time)), or any adjournment thereof, at which the Proxy is to be used.

Registered Shareholders who received this Circular and other accompanying meeting materials from the Company's principal share registrar in Canada, and who elect to submit a proxy may do so by completing, dating and signing the accompanying Proxy and returning it to the Company's principal share registrar in Canada, being Alliance Trust Company at Suite 1010, 407 – 2nd Street SW, Calgary, Alberta, Canada T2P 2Y3 ensuring that the Proxy is received during regular business hours at least 48 hours, excluding Saturdays, Sundays and public holidays in Calgary, before the General Meeting (i.e. 9:30 p.m. on June 20, 2022 (Calgary time)), or any adjournment thereof, at which the Proxy is to be used.

PROXY INFORMATION FOR BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the General Meeting are those deposited by Registered Shareholders.

Only Registered Shareholders or the persons they appoint as their proxies are permitted to vote at the General Meeting. Many Shareholders of the Company are Beneficial Shareholders because the Shares they own are not registered in their own names, but are instead registered in the name of the brokerage firm, bank, trust company or clearing house through which they purchased the Shares. Shares beneficially owned by a Beneficial Shareholder are registered either: (i) in the name of an intermediary (an "**Intermediary**") that the Beneficial Shareholder deals with in respect of the Shares of the Company (Intermediaries include, among others, banks, trust companies, securities dealers, securities brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs, TFSAs and similar plans); or (ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited or HKSCC Nominees Limited) of which the Intermediary is a participant. In accordance with applicable securities law requirements, the Company will have distributed copies of the notice, the Circular, and form of proxy (collectively, the "**Meeting Materials**") to the clearing agencies and Intermediaries for distribution to Beneficial Shareholders.

Intermediaries are required to forward the Meeting Materials to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Beneficial Shareholders. Every intermediary or service company has its own mailing procedures and provides its own return instructions to clients. Please note that the Company's management does not intend to pay for Intermediaries to forward the Meeting Materials and voting instruction request forms to those Beneficial Shareholders who have objected to their Intermediary disclosing ownership information about them pursuant to Canadian securities legislation ("**Objecting Beneficial Shareholders**"). Consequently, if you are an Objecting Beneficial Shareholder, you will not receive these materials unless the Intermediary holding Shares on your account assumes the cost of delivery.

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Shares are voted at the Annual Meeting. The form of proxy supplied to you by your broker will be similar to the Proxy provided by the Company to its Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote on your behalf.

In Canada, most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”). Broadridge mails a voting instruction form in lieu of a Proxy provided by the Company. The voting instruction form will name the same persons as the Company’s Proxy to represent you at the General Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the General Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the General Meeting. If you receive a voting instruction form from Broadridge, you cannot use it to vote Shares directly at the General Meeting. The voting instruction form must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the General Meeting in order to have the Shares voted.

Although as a Beneficial Shareholder you may not be recognized directly at the General Meeting for the purposes of voting Shares registered in the name of your broker, you, or a person designated by you, may attend at the General Meeting as proxy holder for your broker and vote your Shares in that capacity. If you wish to attend at the General Meeting, and indirectly vote your Shares as proxy holder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker, well in advance of the General Meeting. Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend at the General Meeting and vote your Shares.

REVOCATION OF PROXY

A Shareholder who has submitted a proxy may revoke it at any time prior to the exercise thereof. In addition to revocation in any other manner permitted by law, a Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Shareholder or such person’s authorized attorney in writing or, if such person is a Company, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to the Company’s principal share registrar in Canada, being Alliance Trust Company at Suite 1010, 407 – 2nd Street SW, Calgary, Alberta, Canada T2P 2Y3, or the Company’s branch share registrar in Hong Kong, being Computershare Hong Kong Investor Services Limited at 17M Floor, Hopewell Centre, 183 Queen’s Road East, Wan Chai, Hong Kong, as applicable, or at the address of the registered office of the Company at Suite 1100, 700 - 6th Ave SW, Calgary, AB, T2P 0T8, Canada, during regular business hours at least 48 hours before the General Meeting (i.e. 9:30 p.m. on June 20, 2022 (Calgary time) or 11:30 a.m. on June 21, 2022 (Hong Kong time), as the case may be), or any adjournment thereof, at which the proxy is to be used, or to the chairman of the Meeting on the day of the General Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the General Meeting and voting such person’s Shares at that meeting.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

VOTING BY POLL

Pursuant to Rule 13.39(4) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”), any vote of shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. The Company will announce the results of the poll in the manner prescribed in Rule 13.39(5) of the Listing Rules.

COUNTING THE VOTES

The Company’s principal share registrar, Alliance Trust Company, and the Company’s branch share registrar, Computershare Hong Kong Investor Services Limited, will count and tabulate the proxies for Shares. This is done independently of the Company to preserve confidentiality in the voting process. Proxies are referred to the Company only in cases where a Shareholder clearly intends to communicate with management or when it is necessary to do so to meet the requirements of applicable law.

INTERESTS OF CERTAIN PERSONS AND COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed in this Circular, the management of the Company is unaware of any material interest of any director or nominee for director, or executive officer or anyone who has held office as such since the beginning of the Company’s last financial year or of any associate or affiliate of any of the foregoing in any matter to be acted on at the General Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF AND VOTES NECESSARY TO PASS RESOLUTIONS

The authorized capital of the Company consists of an unlimited number of shares designated as Class “A” Common Voting Shares (the “**Shares**”), Class “B” Common Voting Shares, Class “C” Common Non-Voting Shares, Class “D” Common Non-Voting Shares, Class “E” Common Non-Voting Shares, Class “F” Common Non-Voting Shares, Class “G” Preferred Non-Voting Shares and Class “H” Preferred Non-Voting Shares.

As at May 18, 2022 (the “**Latest Practicable Date**”) there were 243,478,681 Class “A” Common Voting Shares of the Company issued and outstanding and no shares of any of the other classes issued or outstanding. Each Class “A” Common Voting Share carries the right to one vote at any meeting of the Shareholders of the Company. Each Class “B” Common Voting Share also carries the right to one vote (but none are issued or outstanding).

The holders of Class “C” Common Non-Voting Shares, Class “D” Common Non-Voting Shares, Class “E” Common Non-Voting Shares, Class “F” Common Non-Voting Shares, Class “G” Preferred Non-Voting Shares and Class “H” Preferred Non-Voting Shares do not carry the right to vote at any meeting of the Shareholders of the Company (subject to the provisions of the Business Corporations Act (Alberta) (“**ABCA**”)).

By-Law No. 1 of the Company provides that if holders of five percent (5%) of the shares entitled to vote, are present in person or are represented by proxy, a quorum for the purposes of conducting a shareholders’ meeting is constituted.

To the best of the knowledge of the directors and officers of the Company and as at the Latest Practicable Date, the only persons, firms, or corporations, owning of record or beneficially, controlling or directing, directly or indirectly, 10% or more of the issued and outstanding Shares are: (i) Mr. Kwok Ping Sun, who directly or indirectly beneficially owns or controls 150,232,591 Shares, representing approximately 61.70% of the issued

and outstanding Shares and (ii) HKSCC Nominees Limited, which holds 121,025,728 Shares, representing approximately 49.69% of the issued and outstanding Shares. HKSCC Nominees Limited is a subsidiary of the Hong Kong Exchanges and Clearing Limited (“**HKEX**”) and its principal business is to act as nominee on behalf of other corporate or individual shareholders. All shares of Hong Kong listed companies, which are deposited into HKEX’s Central Clearing and Settlement System (CCASS), are registered in the name of HKSCC Nominees Limited.

References to “issued and outstanding” securities and similar expressions in this Circular are to outstanding security including Shares) of the Company, being those securities issued by Company and held by its investors (and excluding any securities issued and then repurchased, but canceled, by the Company). As at the Latest Practicable Date, there are no securities of Company issued but not outstanding.

RECORD DATE

The record date for the General Meeting has been fixed at 4:30 p.m. on May 20, 2022 (Hong Kong time) and 4:30 p.m. on May 19, 2022 (Calgary time), as the case may be (the “**Record Date**”). Only Shareholders as at the Record Date are entitled to receive notice of the General Meeting. Shareholders on record will be entitled to vote their Shares held by them as at the Record Date, unless any such Shareholder properly transfers the Shares after the Record Date and the transferee of those Shares, having produced properly endorsed certificates evidencing such Shares or having otherwise established ownership of such Shares, demands, at least ten (10) days before the General Meeting, that the transferee’s name be included in the list of Shareholders entitled to vote at the General Meeting, in which case such transferee shall be entitled to vote such Shares at the General Meeting. To ensure that there is no risk that any of the Shares will be voted twice, the transferee must provide written evidence to the Company including, without limitation, providing properly endorsed certificates evidencing the transfer of such Shares or having otherwise established ownership of such Shares, written evidence of the identification of the relevant transferor and written evidence that the relevant transferor has not and will not exercise their right to vote either by proxy or in person at the General Meeting. The Company may refuse the demand by a transferee to be included in the list of Shareholders entitled to vote at the General Meeting if the transferee cannot demonstrate to the Company with sufficient certainty that the relevant Shares have not already been voted by proxy or will be voted by the relevant transferor at the General Meeting.

DIRECTORS

As at the date of this Circular, the Board consists of Mr. Kwok Ping Sun and Ms. Gloria Pui Yun Ho as executive directors; Mr. Michael John Hibberd, Ms. Linna Liu and Ms. Xijuan Jiang as non-executive directors; and Mr. Yi He, Mr. Alfa Li and Mr. Guangzhong Xing as independent non-executive directors.

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE GENERAL MEETING

1. Financial Statements

The audited financial statements of the Company as at and for the financial year ended December 31, 2021, the report of the Board and the report of the auditor thereon will be placed before the Shareholders at the General Meeting.

2. Fixing the Number of Directors of the Company

According to the requirements of the Listing Rules, the Company must appoint independent non-executive directors representing at least one-third of the board. It is proposed that the number of directors to be elected at the General Meeting to hold office until the next annual general meeting or until their successors are elected or appointed, subject to the Articles of Incorporation and By-Law No. 1 of the Company, be set at eight (8).

As at the date of this Circular, there are presently eight directors of the Company, of which three of them are the independent non-executive directors. Each of the Directors will retire from office at the General Meeting.

Unless otherwise instructed, it is the intention of the persons named in the accompanying Proxy to vote in FAVOUR OF setting the number of directors to be elected at the Meeting at eight (8).

3. Election of Directors

The Shareholders will be asked to pass an ordinary resolution at the General Meeting to elect, as directors of the Company, the nominees whose names are set forth in the table below. Each nominee elected will hold office until the next annual general meeting of the Shareholders or until his successor is duly elected or appointed, unless his office is vacated earlier, then in accordance with the Articles of Incorporation and By-Law No. 1 of the Company. Voting for the election of the directors will be conducted on an individual, and not on a slate basis.

Effective March 26, 2013, the Board passed a policy which provides that, in the event that a director candidate is elected but receives more votes withheld than cast in favor of the director at the meeting appointing directors, he or she is expected to submit a letter of resignation within seven (7) days. Within 90 days of the voting results, the Board shall consider the circumstances of such vote, the particular attributes of the director candidate including his or her knowledge, experience and contribution at Board meetings and determine whether to accept or reject the resignation and will issue a press release announcing the resignation or explain the reasons justifying its decision not to accept the resignation.

Unless instructed otherwise, the persons named in the accompanying Proxy intend to vote the Shares represented thereby in FAVOUR OF the election to the Board of each of those persons designated in the table below.

Compensation Discussion and Analysis

The Compensation Committee of the Board of Directors of the Company (the "**Compensation Committee**") exercises general responsibility regarding overall employee and executive officer compensation. The Compensation Committee currently comprises Messrs. Kwok Ping Sun (Chair), Xijuan Jiang, Guangzhong Xing and Alfa Li. Mr. Guangzhong Xing and Mr. Alfa Li are independent non-executive directors of the Company. Mr. Sun is not independent by virtue of his position as Executive Chairman of the Company.

Each of the members of the Compensation Committee has the skills and experience necessary to enable the Compensation Committee to make decisions on the suitability of the Company's compensation policies and practices. Each of Messrs. Sun, Xing and Li has years of experience in director roles of private and public companies and has dealt with compensation matters in such capacity. All of them have experience with the suitability of compensation policies and practices through years of experience in senior executive roles.

The objective of the Company's executive compensation policy is to create remuneration packages that will both attract and retain experienced and qualified individuals to assist the Company in the furtherance of its business and to keep such individuals committed to the long-term success of the Company. Such remuneration packages generally consist of competitive salaries and stock option grants pursuant to the Company's Post IPO Share Option Scheme.

Components of Compensation

Salaries

Base salary provides employees and executive officers with a level of fixed cash compensation that is consistent with market practice. The base salary of each executive officer, including the NEO, compensates them for performing day-to-day responsibilities and is set in the context of the market. Each individual's total compensation package reflects the complexity of their role. Base salary also typically provides a reference point on which other components of compensation are established, such as short term incentives.

Short Term Incentive (Discretionary Cash Bonus)

In addition to base salaries, the Company may award discretionary cash bonuses to employees and executive officers of the Company, including the NEO. The Company does not have a formal bonus plan. The amount of bonuses paid is not set in relation to any formula or specific criteria but is a result of a subjective determination based on, in the case of non-executive employees: (i) the employee's contribution in adding share value and reducing costs; and (ii) the employee's contribution to achieving overall corporate goals. In the case of executive officers and NEO, bonus awards are discretionary and while there are no specific targets or criteria set out, matters such as achievement of corporate goals are considered. No maximum bonus has been established for any executive officers other than a minimum and maximum bonus range established for the 2021 fiscal year under the executive employment agreements between the Company and each of Mr. Ng and Ms. Ho. The award of cash bonuses has not traditionally been targeted at maintaining the Company's cash compensation at any specific level relative to its peer group.

Option-based Awards

The purpose of the Company's Post IPO Share Option Scheme is to advance the interests of the Company by encouraging the directors, officers, and employees of, or providers of services to, the Company and its subsidiaries to acquire Shares, thereby: (i) increasing the proprietary interests of such persons in the Company; (ii) aligning the interests of such persons with the interests of the Company's Shareholders generally; (iii) encouraging such persons to remain associated with the Company; and (iv) furnishing such persons with an additional incentive in their efforts on behalf of the Company. General option based awards for the executive officers individually, and for the Company's employees in the aggregate, are reviewed by the Compensation Committee based on recommendations by the Executive Chairman, the Non-Executive Vice-Chairman or the Chief Executive Officer of the Company. After the Compensation Committee has considered and determined what General stock options should be granted, it makes a recommendation to the Board of Directors of the Company (the "**Board**") for consideration and, if deemed appropriate, approval. From time to time, the full Board may consider and approve of specific option based awards outside of the General stock option award process described above. Previous grants of stock options, individual and corporate performance, competitive pressures, staff retention and numerous other factors are taken into account when the Compensation Committee and the Board are considering new stock option grants.

Employee Share Savings Plan

The purpose of the Employee Share Savings Plan (the "**ESSP**") was to provide an opportunity for employees of the Company to purchase Shares from the Company's treasury at market price through voluntary automatic payroll deductions, thereby attracting, retaining, encouraging and rewarding employees to use their combined best efforts on behalf of the Company and to ensure that employees have a share in the increased profitability and value of the Company, thereby aligning their interests with those of the Shareholders. The ESSP was cancelled on August 31, 2015.

Compensation Governance

Please refer to the disclosure under the heading "*Corporate Governance Disclosure – Committees of the Company – Compensation Committee*".

Risk Oversight

In carrying out its mandate, the Compensation Committee reviewed the elements of compensation of the Company to identify risks arising from the Company's compensation policies and programs that are reasonably likely to have a material adverse effect on the Company. The Compensation Committee has concluded that the compensation program and policies of the Company provide a reasonable balance among different forms of compensation and do not encourage its senior executives to take inappropriate or excessive risks.

The Compensation Committee meets at least once annually to ensure full assessment and analysis of compensation policies and practices with management. Compensation changes are made as appropriate to ensure that Sunshine is competitive in the market place.

Hedging and Offsetting

At present, the Company does not have a formal policy prohibiting its directors and executive officers from engaging in short sales of securities of the Company or buying or selling puts, calls or other derivatives that are designed to hedge or offset a decrease in the market value of securities of the Company.

Currently, in the absence of such a policy, the directors and officers of the Company are expected to act at all times transparently, with integrity, in compliance with stock exchange and securities laws and with a view to the best interests of the Company and its Shareholders in their securities trading activities.

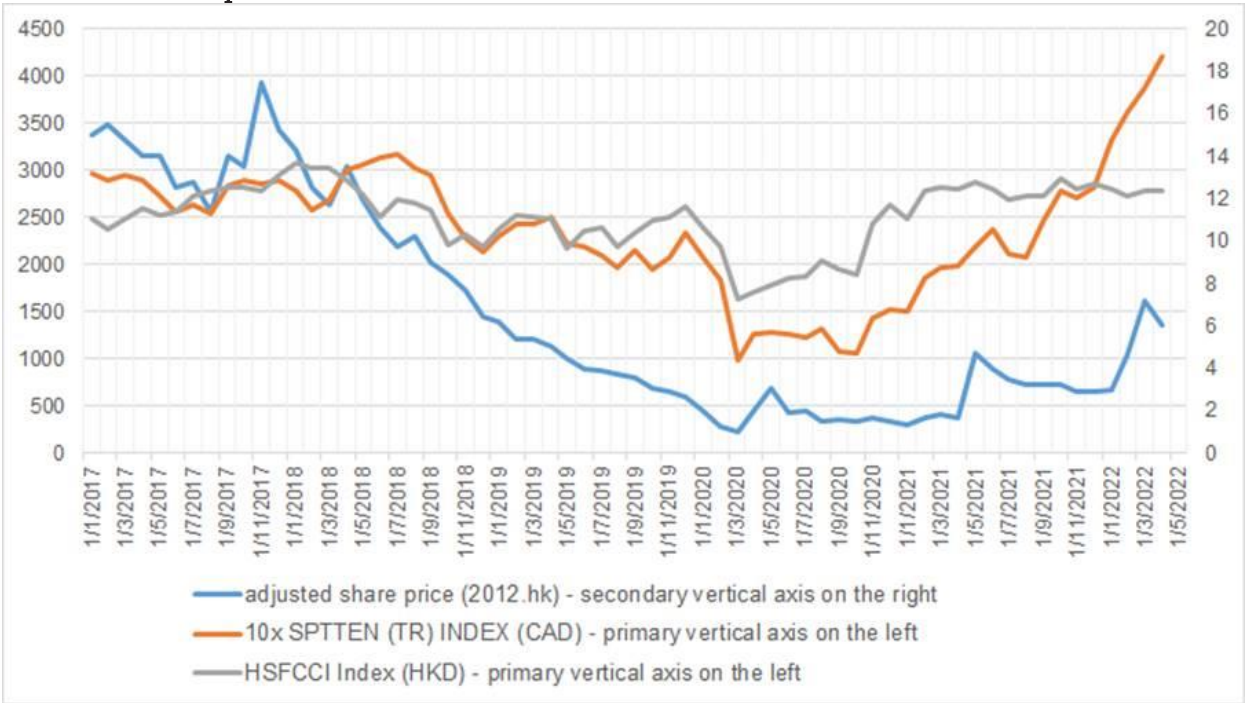

It should be noted that any transactions of this nature are subject to insider reporting requirements and are reported on the System for Electronic Disclosure by Insiders (SEDI). The above graph compares the cumulative shareholder return over the period indicated of a \$100 investment in the Shares, with the cumulative shareholder return of the S&P/TSX Energy Index (the “SPTSEN Index”) and the Hang Seng Foreign Companies Composite Index (the “HSFCCI Index”), assuming the reinvestment of dividends, where applicable.

The trend as shown by the above performance graph shows a decrease in the share price from 2017 to March 2020, thereafter the Share price increases slightly until the end of May 2020. Since then the share price stays flat until the end of April 2021 where there is a sudden increase. Thereafter the share price declines and stays flat until January 2022. Since then, the share price climbs up. The trend was largely in line with the benchmark HSFCCI Index and SPTSEN Index.

The trend shown in the above graph does not correlate in all cases with the compensation that was awarded to the NEO.

CORPORATE GOVERNANCE DISCLOSURE

Effective June 30, 2005, National Instrument 58-101 – Disclosure of Corporate Governance Practices ("NI 58-101") and National Policy 58-201 – Corporate Governance Guidelines ("NP 58-201") were adopted in each of the provinces and territories of Canada. NI 58-101 requires issuers to disclose the corporate governance practices that they have adopted. NP 58-201 provides guidance on corporate governance practices. The Company is also subject to National Instrument 52-110, which has been adopted in each of the Canadian provinces and territories and which prescribes certain requirements in relation to audit committees.

The Board and the Company's management are committed to good corporate governance and consider good corporate governance to be central to the effective and efficient operation of the Company. The Company believes that good corporate governance helps it to compete more efficiently, be more successful and sustain its success and ultimately build long term shareholder value. The Board is responsible for the governance of the Company. Below is a discussion of the Company's approach to corporate governance.

Independence of Members of the Board

NI 58-101 and NP 58-201 emphasize the importance of the constitution and independence of corporate boards. An "independent" director, under these instruments and policies, is a director who has no direct or indirect material relationship with the Company. For these purposes, a material relationship means a relationship which could, in the view of the Board, reasonably interfere with the exercise of a member's independent judgment. Notwithstanding the foregoing, certain individuals are deemed by the applicable legislation to be considered to have a material relationship with the Company. As at the Latest Practicable Date, apart from the three independent non-executive directors who had provided their confirmation of independence to the Board as required under Rule 3.13 of the Listing Rules, the Board has concluded that a majority of directors are not independent. Under applicable Canadian securities laws, the Board considers four of the Company's eight existing directors to be not independent as provided in the table below:

<u>Name of Director</u>	<u>Independent</u>	<u>Not Independent</u>	<u>Reason For Non-Independent Status</u>
Sun Kwok Ping		✓	Mr. Sun is the Executive Chairman of the Board.
Gloria Pui Yun Ho		✓	Ms. Ho is an Executive Director of the Company.
Michael J. Hibberd		✓	Mr. Hibberd is the Non-Executive Vice-Chairman of the Company.
Linna Liu		✓	Ms. Liu is the representative of Bank of China Group Investment Limited ("BOCGI"), a strategic Shareholder of the Company.
Xijuan Jiang	✓		
Yi He	✓		
Guangzhong Xing	✓		
Alfa Li	✓		

Participation of Directors in Other Reporting Issuers

<u>Name of Director</u>	<u>Name of Other Reporting Issuer</u>	<u>Listing</u>
Michael J. Hibberd	Canacol Energy Ltd.	TSX, Colombia Stock Exchange
	Greenfields Petroleum Company	TSX Venture Exchange
	Pan Orient Energy Corp.	TSX Venture Exchange
	PetroFrontier Corp.	TSX Venture Exchange

The independent directors of the Company do not hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. To facilitate open and candid discussion among the independent directors, the Board holds in camera sessions at Board meetings without the presence of management or those directors who are executives. The independent directors may in the future consider holding regularly scheduled meetings at which non-independent directors and members of management are not in attendance.

Both the Executive Chairman and the Non-Executive Vice-Chairman of the Board are non-independent directors. To provide leadership for the independent directors, the Compensation Committee is comprised of a majority of independent directors; whereas, the Audit Committee is comprised of 100% independent directors and is chaired by an independent director. The ability to establish ad hoc committees comprised of a majority, or entirely, of independent directors provides the Board with the further ability to exercise independent oversight of management, and the chair of each such ad hoc committee provides leadership for such committee.

The following is a summary of attendance of the directors at meetings of the Board and its committees for the year ended December 31, 2021:

Board Mandate

The Board is generally responsible for managing the business and affairs of the Company. The primary responsibility of the Board is to promote the best interests of the Company and maximize Shareholders' value. This responsibility includes: (i) approving capital expenditure budgets and general and administrative expense budgets and reviewing fundamental operating, financial and other corporate plans, strategies and objectives; (ii) outlining key operating parameters including debt levels and ratios; (iii) evaluating the performance of the Company and executive officers; (iv) determining, evaluating and fixing the compensation of executive officers; (v) adopting policies of corporate governance and conduct; (vi) considering risk management matters; (vii) reviewing the process of providing appropriate financial and operational information to the Shareholders and the public generally; and (viii) evaluating the overall effectiveness of the Board.

The Board explicitly acknowledges its responsibility for the stewardship of the Company. The Board reviews with management matters of strategic planning, business risk identification, succession planning, communications policy and integrity of internal control and management information systems. The Board fulfils its responsibilities through regular meetings. It meets a minimum of four (4) times per year. In addition, the Board meets at such other times as may be required.

Position Descriptions

The Board has developed written position descriptions for the Board Chairman role (Chairman and Vice-Chairman) and the Chairs of the Company's various Board committees. The Board has also developed written terms of reference for each of the Company's Board committees.

The Board has developed a written position description for the President and Chief Executive Officer of the Company.

Orientation and Continuing Education

The Board orients new directors of the Company by holding sessions to review the Company's constituting document, its board mandate, the terms of references for each of the Company's Committees, and provides an overview of the Company's technical operations. The Board also makes arrangements to introduce all new directors to the Company's senior management. Senior management provides each new director with a general overview of the Company's financial, corporate and internal operations and control structures. From time to time, the Board uses the expertise of its Canadian and Hong Kong legal counsel, to provide continuing education to its directors regarding applicable statutory, regulatory and other compliance requirements to which the Company is subject.

Ethical Business Conduct

The Board has approved and adopted a written corporate code of conduct (the "Code") for its directors, officers and employees. The Code is posted on the Company's intranet and is easily accessible by all directors, officers and employees of the Company. The Company mandates that each and every director, officer and employee of the Company review and sign the Code, thereby consenting to abide by it. Strict compliance with the Code is monitored by the executive directors and, from time to time, by the Company's Canadian and Hong Kong legal counsel.

The Board ensures that each director exercises independent judgment in all transactions and agreements by encouraging directors to seek independent legal counsel as and when necessary. Each director is asked at each board and committee meetings if they have any material interest to disclose, and if there exists any material interest, such director(s) abstains from voting on the transaction and/or agreement in which such director(s) has a material interest.

Nomination of Directors

The Corporate Governance Committee is responsible for recruiting and recommending to the full Board nominees for election as directors. The goal of the Corporate Governance Committee is to achieve a Board that provides effective oversight of the Company through the appropriate diversity of experience, expertise, skills, specialized knowledge and other qualifications and attributes of the individual directors. Important general criteria for Board membership include, but are not limited to, the following:

- a) members of the Board should be individuals of high integrity and independence, with substantial accomplishments, and should have prior or current associations with institutions noted for their excellence;
- b) members of the Board should have demonstrated leadership ability, with broad experience, diverse perspectives, and the ability to exercise sound business judgment; and
- c) the composition of the Board should reflect the benefits of diversity as to gender, ethnic background and experience.

The Corporate Governance Committee has adopted a written terms of reference which describes the committee's responsibilities, powers and operations. The Corporate Governance Committee is composed of five directors: Mr. Kwok Ping Sun, who is the chairman, and Messrs. Michael J Hibberd, Yi He, Guangzhong Xing and Alfa Li. A majority of the committee members are independent. The Company has been of the view that the current members of the Corporate Governance Committee are influential and important in setting the key direction of the Company.

Election of Directors

Effective March 26, 2013, the Board passed a policy which provides that, in the event that a director candidate is elected but receives more votes withheld than cast in favor of the director at the meeting appointing directors, he or she is expected to submit a letter of resignation within seven (7) days. Within 90 days of the voting results, the Board shall consider the circumstances of such vote, the particular attributes of the director candidate including his or her knowledge, experience and contribution at Board meetings and determine whether to accept or reject the resignation and will issue a press release announcing the resignation or explain the reasons justifying its decision not to accept the resignation.

Compensation

The Compensation Committee comprises three members, two of whom are independent directors. The Board believes that having an executive director as chairman of the Compensation Committee ensures an objective process for determining compensation. The Board also ensures an objective process by requiring the Compensation Committee to adhere to the written mandate of the Board set forth in the Compensation Committee Terms of Reference. For the process by which the Board determines the compensation for the Company's directors and officers and the responsibilities, powers and operation of the Compensation Committee, please see the heading "Compensation Discussion & Analysis" above.

Assessments

The Corporate Governance Committee is responsible for assessing the performance of the Board and its Chair, the Board committees and individual directors on an ongoing basis. Directors are encouraged to comment broadly, positively and negatively, on any issue concerning the Board, Board committees and director performance. From time to time, the Executive Chairman and the Non-Executive Vice-Chairman of the Board meet informally with each director, to discuss performance of the Board, Board committees and other issues.

Director Term Limits

The Company has not adopted term limits for the directors on its Board or other mechanisms of Board renewal. The Company does not impose term limits on its directors as it takes the view that term limits are an arbitrary mechanism for removing directors which can result in valuable, experienced directors being forced to leave the Board solely because of length of service. Instead, the Company believes that directors should be assessed based on their ability to continue to make a meaningful contribution. The Board's priorities continue to be ensuring the appropriate skill sets are present amongst the Board to optimize the benefit to the Company.

The Company believes that General elections by the Shareholders are a more meaningful way to evaluate the performance of directors and to make determinations about whether a director should be removed due to under-performance.

Policies Regarding Gender Diversity

While the Board recognizes the potential benefits from new perspectives which could manifest through increased gender diversity within its ranks, the Board has not formally adopted a written Board diversity policy and has not set a target regarding the number or percentage of female members that it wishes to include on the Board. The selection of candidates for appointment to the Board will continue to be based on the skills, knowledge, experience and character of individual candidates and the requirements of the Board at the time, with achieving an appropriate level of diversity on the Board being one of the criteria that the Corporate Governance Committee considers when evaluating the composition of the Board.

When considering candidates for senior management positions, the Company focuses on attracting and retaining experienced and highly skilled individuals that can add value to its business. While the Company does consider the level of representation of women in executive officer positions when making executive officer appointments, the Board does not believe that a formal policy will necessarily result in the identification or selection of the best candidates. The Company considers all candidates based on their merit and qualifications relevant to the specific role.

The Company does not currently have any targets, rules or formal policies that specifically require the identification, consideration, nomination or appointment of female Board nominees or candidates for executive management positions or that would otherwise force the composition of the Board or the Company's executive management team. The Board does not believe it is in the Company's best interests to implement such targets at this time.

Committees of the Company

Corporate Governance Committee

The Company has established a corporate governance committee (the "**Corporate Governance Committee**") to deal with nomination and corporate governance issues, with written terms of reference. SCHEDULE A

EXPLANATORY STATEMENT RELATING TO SHARE REPURCHASE

This Schedule serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to the shareholders for their consideration of the Share Repurchase Mandate.

Hong Kong Exchanges and Clearing Limited and The Stock Exchange of Hong Kong Limited take no responsibility for the contents of this document, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss however arising from or in reliance upon the whole or any part of the contents of this document.

LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listing is on the SEHK to repurchase their shares on the SEHK or other stock exchanges subject to certain restrictions. The Company is empowered to repurchase its own shares, subject to the requirements of the ABCA.

SHARE CAPITAL

As at the Latest Practicable Date, the issued and outstanding Shares of the Company numbered 243,478,681. Subject to the passing of the repurchase resolution and on the basis that no further shares are issued or repurchased prior to the Meeting, the Company would be allowed to repurchase up to a maximum of 24,347,868 Shares under the Share Repurchase Mandate during the Relevant Period, representing 10% of the issued and outstanding share capital of the Company as at the Latest Practicable Date.

REASONS FOR THE REPURCHASES

The Board believes that the flexibility afforded to them by the Share Repurchase Mandate would be in the best interests of the Company and the Shareholders. Repurchases pursuant to such mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the value of the Company's Shares or the net assets and/or the earnings per share and will only be made when the Board believes that such actions will benefit the Company and the Shareholders as a whole.

FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles of Incorporation and subject to the requirements of the ABCA. It is expected that the Company will fund any repurchase of shares from its available internal resources.

IMPACT ON THE WORKING CAPITAL OR GEARING POSITION

If the Share Repurchase Mandate is exercised in full at any time during the Relevant Period, there may be a material adverse effect on the working capital levels of the Company or its gearing levels, as compared with the position disclosed in the Company's audited financial statements for the year ended December 31, 2021 (the most recent published audited financial statements). However, the Board does not propose to exercise such mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company at the time of the relevant repurchases unless the Board determines that such repurchases are, taking into account of all relevant factors, in the best interests of the Company.

EFFECT OF THE CODE OF TAKEOVERS AND MERGERS AND SHARE REPURCHASES OF HONG KONG (THE "TAKEOVERS CODE")

A Shareholder's proportionate interest in the voting rights of the Company will increase upon the Company's exercise of its powers to repurchase Shares pursuant to the Share Repurchase Mandate, and such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase in his/her or their shareholding interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Kwok Ping Sun, the Executive Chairman and a substantial shareholder of the Company, interested and deemed to be interested in an aggregate of 150,232,591 Shares, representing an approximately 61.70% of the issued share capital of the Company. In the event that the Directors exercise the power of Share Repurchase Mandate in full, the shareholding of Mr. Kwok Ping Sun will be increased to approximately 68.56% of the issued share capital of the Company and such increase would not give rise to an obligation to make a mandatory general offer under Rule 26 of the Takeovers Code.

In addition, the Directors have no intention to exercise the Share Repurchase Mandate to the extent that it may result in a public shareholding less than 25% of the issued share capital, being the prescribed minimum percentage of shares required by the SEHK.

DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules), has any present intention to sell Shares to the Company in the event that the Share Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any “core connected person” (as defined in the Listing Rules) that he has a present intention to sell Shares to the Company or has undertaken not to sell Shares held by him to the Company in the event that the Share Repurchase Mandate is approved by the Shareholders.

UNDERTAKING OF DIRECTORS

The directors have undertaken to the SEHK that they will exercise the power of the Company to make repurchases pursuant to the Share Repurchase Mandate in accordance with the Listing Rules, Canadian laws and the constitutional document of the Company.

SHARE PURCHASE MADE BY THE COMPANY

The Company did not purchase any of the Company's Shares during the six months prior to the Latest Practicable Date.

SCHEDULE B

POST IPO SHARE OPTION SCHEME DESCRIPTION

The Company adopted the Post IPO Share Option Scheme on January 26, 2012 (the “Scheme”). The Scheme was subsequently amended by (i) a resolution passed at the Company’s annual general and special meeting of Shareholders held on May 7, 2013; and (ii) a resolution of the Board on June 13, 2013. The purpose of the Scheme is to attract skilled and experienced personnel, to incentivize them to remain with the Company and to motivate them to strive for the future development and expansion of the Company by providing them with the opportunity to acquire equity interests in the Company.

As at the Latest Practicable Date, there were 6,500,000 Shares underlying options granted under the Scheme (representing approximately 2.67% of the issued and outstanding Shares as at the Latest Practicable Date).

Present Terms of the Scheme

The following section provides a brief summary of the principal terms of the Post IPO Share Option Scheme, without giving effect to the amendments for which Shareholder approval is being sought at the Meeting, and is qualified in its entirety by the terms and provisions of the Scheme, the full text of which is available under the Company’s profile at the websites of the HKEX and the Company.

Participants

The Board may, in its discretion, select any directors, officers and employees of the Company, the Company’s subsidiaries and any other persons to participate in the Post IPO Share Option Scheme.

Option Issuance Thresholds

The Scheme was last refreshed on October 31, 2018 (the “Scheme Mandate Limit”). Under the refreshed Scheme Mandate Limit, the Directors will be authorized to grant 601,359,617 Options (before Share Consolidation adjustment) to subscribe for a maximum total of 601,359,617 Shares (before Share Consolidation adjustment), representing 10% of the Shares in issue as at that date on which the resolution were passed by the Shareholders of the Company.

This threshold may be increased at a later date with the approval of Shareholders provided that the new limit may not exceed 10% of Shares issued and outstanding as at such date (excluding Shares underlying options granted under the Scheme and any other share option scheme prior to such date). The Company may exceed this limit where shareholder approval has been sought and obtained in accordance with the provisions of the Scheme.

The Scheme provides that the number of Shares issued to insiders (as defined in the Scheme) of Sunshine within any 12-month period, and the number of Shares issuable to Sunshine insiders at any time, will not exceed 10% of Sunshine’s total issued and outstanding Shares. The aggregate number of Shares issued or to be issued to any one person under the Scheme at any time in any 12 month period (together with any Shares underlying options granted during such period under any other share option scheme) must not exceed 1% of Shares issued and outstanding at the time, unless shareholder approval has been sought and obtained in accordance with the provisions of the Scheme (and with the person receiving such option grant abstaining from voting).

Shareholder approval (excluding the votes of all “connected persons” of Sunshine, as “connected person” is defined in the Listing Rules) is required where any grant of options under the Scheme to a substantial shareholder (as defined in the Listing Rules) or an independent non-executive director, or any of their respective associates, would result in the Shares issued and to be issued upon the exercise of all options (including those already granted and including options exercised, cancelled and outstanding) and any other share option schemes of the Company in the 12 month period up to and including the grant date would represent in the aggregate over 0.1% Shares in issue on the grant date and have an aggregate value, based on the closing price of the Shares as stated in the daily quotations sheets issued by the SEHK on the grant date, in excess of HK\$5 million. Grants to directors, chief executives (as defined in the Listing Rules) or substantial shareholders falling below this threshold require the prior approval of the independent non-executive directors (excluding the vote of the independent non-executive director receiving shares under the grant, if any).

Exercise Price

The Board has the authority under the Scheme to determine the exercise price for the Shares underlying options granted under the Scheme, but the Scheme provides that such exercise price will not be less than the higher of: (a) the closing price of the Shares as stated in the daily quotation sheets issued by the SEHK on the offer date, which must be a business day; (b) the volume weighted average trading price of the Shares on the SEHK for the five trading days immediately preceding the offer date; and (c) the average closing price of the Shares as stated in the daily quotation sheet issued by the SEHK for the five business days immediately preceding the offer date; which price, for convenience, shall be expressed in or converted to Canadian dollars at the Bank of Canada noon Hong Kong – Canada exchange rate in effect on that day.

Other Terms of Options Granted

The Board has discretion to specify the terms on which options are granted under the Post IPO Share Option Scheme. Such terms may include, among other things: (a) vesting periods; (b) performance targets that must be reached before an option can be exercised; such performance targets could include but not limited to production volume, annual downtime, etc.; (c) the period during which an option may be exercised (the “Exercise Period”), which shall not expire later than 10 years from the date on which the option is offered; and (d) any other terms either on a case by case basis or generally. Currently, for all options that are already granted, no performance targets have been set. Should the Company issue share options with performance targets in the future, relevant disclosures will be made in accordance with the Listing Rules.

An option granted to a person in accordance with the Post IPO Share Option Scheme is not assignable or transferable and the person must not sell, transfer, charge, mortgage, encumber or create any interest in favor of any third party in relation to any option.

Expiry

Option granted under the Scheme lapse automatically and will not be exercisable on the earliest of: (a) the expiry of the Exercise Period; (b) the date of termination of the grantee's employment or service by the Company or any of its subsidiaries for cause; (c) the date on which the grantee: (i) becomes an officer, director, employee, consultant, adviser, partner of, or a shareholder or other proprietor owning more than a 5% interest in, any competitor; or (ii) knowingly performs any act that may confer any competitive benefit or advantage upon any competitor; (d) the date on which an unconditional general offer, by way of takeover or otherwise, made to all the Shareholders (other than the offeror and any person or person acting jointly or in concert with the offeror) closes; (e) the date, where a plan or scheme of arrangement was made to all Shareholders and was approved at the requisite meeting, that is the record date for determining entitlements under such scheme of arrangement; (f) the date on which a compromise or arrangement (other than as described above) under the ABCA becomes effective; (g) the date of the commencement of the winding up of the Company; (h) the expiry of the period for exercising the option referred following a termination for reasons other than for cause; (i) the date on which the person transfers the option; (j) the date on which the person is declared bankrupt or enters into any arrangement or composition with his creditors generally; and (k) in respect of Shares underlying options which are subject to vesting conditions, the date on which the conditions to vesting of the relevant Shares underlying the option are not satisfied.

If the Grantee's employment or service with the Company or its subsidiary is terminated for any reason other than for cause (including any reason of resignation, retirement, death, disability or non-renewal of the employment, service or other agreement upon its expiration) prior to the expiry of the Exercise Period of any option, then the Board shall determine at its absolute discretion whether the grantee will be entitled to exercise the options in respect of vested and unvested shares as at the date of the grantee's employment or service is terminated. If the Board determines that such option may not be exercised following such termination of employment or service, such option shall automatically expire on the date of the termination.

Where the last date on which an option may be exercised in the option period under the grant falls within a period during which the Company is in blackout and trading in Shares is prohibited under the Company's policies or within 2 Business Days from the end of such a blackout period, the terms of the Scheme provide that the option period for such grant shall be extended to the date that is 10 business days following the end of the blackout period, except where such extension would result in such option period expiring later than 10 years from the date of grant.

Amendment of the Scheme

The Board may alter any of the terms of the Post IPO Share Option Scheme at any time, provided that any alterations to the key terms of the Post IPO Share Option Scheme (including *inter alia* those that relate to who can participate, the issuance thresholds, determining the exercise price and the cancellation and termination of options granted) to the advantage of participants or any changes to the terms of the options granted under the Scheme must be approved by Shareholders in a general meeting and provided that any alterations to the amendment provisions of the Scheme or which are, in the opinion of the Board, of a material nature must be approved by Shareholders in a general meeting.

The Scheme also requires shareholder approval for any amendment that would: (i) remove or exceed the limits for options granted to “connected persons” (as defined under the Listing Rules) and insiders under the Scheme; (ii) reduce the price at which Shares are purchased under the Scheme; (iii) expand the definition of “Participants” under the Scheme; or (iv) amend the amendment provisions of the Scheme.

The Board may amend the Scheme or any grant of options made thereunder provided it obtains the prior approval of the SEHK or any other applicable regulatory authority or stock exchange and provided it obtains the consent or deemed consent of any participant whose rights would be materially prejudiced by the amendment.

Amendments made by the Board in 2013

On June 13, 2013, the Board, with the approval of the SEHK, amended the Scheme to permit the Company to provide loans on commercial terms to any Scheme participant (excluding directors and “connected persons”, as such term is defined under the Listing Rules) to exercise options granted under the Scheme in accordance with relevant laws and regulations. As the Board determined that this amendment was not material to the Scheme, the Board determined it was unnecessary under the terms of the Scheme to seek Shareholder approval for the amendment.
