The Board announces that on 30 May 2022, the Purchaser entered into the SPA with the Vendor to acquire the Sale Share, which constituted a discloseable transaction under Chapter 14 of the Listing Rules.

Details of the transactions under the SPA are set out below.

#### **THE SPA**

##### **Date**

30 May 2022

##### **Parties**

- (i) the Purchaser; and
- (ii) the Vendor.

To the best of the Directors' knowledge, information and belief, and having made all reasonable enquiries, the Vendor and its beneficial owner is a third party independent from the Company and connected persons of the Company.

### **Subject matter**

The Purchaser acquired the Sale Shares from the Vendor which represented 50% of the entire issued share capital of the Target. The Target is an investment holding company and the principal asset of which comprises the Vessels.

The Target was incorporated in Hong Kong on 11 March 2022 and therefore so far there are no revenue recorded by the Target. As at 25 May 2022, the Target had net assets of approximately HK\$28 million comprising only the carrying values of the Vessels.

### **Consideration**

The consideration for the Sale Share amounted to HK\$14 million and was determined based on the net asset value of the Target of approximately HK\$28 million as at the date of the SPA. The consideration was settled in cash upon completion of the Acquisition which took place on the date of the SPA.

### **The Right of First Refusal**

Under the SPA, both the Purchaser and the Vendor has granted each other a Right of First Refusal. Under the Right of First Refusal, should either party propose to dispose its shares in the Target to a bona fide third party, the remaining party will have a first right to acquire for such shares in the Target on the same price and other key terms as the proposed disposal.

The selling party may only dispose its shares in the Target to the third party on terms no more advantageous and only to the extent the Right of First Refusal has not been accepted by the remaining party.

### **REASONS FOR AND BENEFITS OF THE SPA**

The Company is an investment holding company. The Group is principally engaged in money lending business in Hong Kong and mainly provides mortgage loans under the Money Lenders Ordinance. The Purchaser is a wholly owned subsidiary of the Company.

To facilitate business promotion and marketing strategy as well as the expansion of the Group's customer base, the Directors consider that it is an appropriate time to indirectly co-own the Vessels with the Vendor by acquiring the Sale Shares in the Target to cope with the intended development of the Group and to use the Vessels as venues for business meetings with half of the prevailing market price of the Vessels.

The cash consideration for the Acquisition had been satisfied by the Group's internal resources.

The Directors consider the terms of the SPA were fair and reasonable, and the SPA were on normal commercial terms and in the ordinary and usual course of business of the Group, and in the interests of the Company and the Shareholders as a whole.

## LISTING RULES IMPLICATIONS
