3. GRANT OF OPTIONS

- 3.1 On and subject to the terms of this Scheme and the Listing Rules, the Board shall be entitled at any time within 10 years after the Adoption Date to make an Offer to any Participant as the Board may in its absolute discretion select to take up an Option pursuant to which such Participant may, during the Option Period, subscribe for such number of Shares as the Board may determine at the Subscription Price. - (a) representing in aggregate over 0.1 per cent. of the Shares in issue on the Date of Grant; and
- (b) having an aggregate value, based on the closing price of the Shares as stated in the daily quotations sheets issued by the Stock Exchange on the Date of Grant, in excess of HK\$5 million,

such further grant of Options shall be subject to prior approval by resolution of the Shareholders (voting by way of poll). The Company shall send a circular to the Shareholders in accordance with the Listing Rules. The Grantee, his associates and all core connected persons of the Company shall abstain from voting in favour of the resolution at such general meeting of the Shareholders.

- 5.1 An Option shall be personal to the Grantee and shall not be assignable or transferable and no Grantee shall in any way sell, transfer, assign, charge, mortgage, encumber or create any interest in favour of any other person over or in relation to any Option. Any breach of the foregoing by the Grantee shall entitle the Company to cancel any outstanding Option or any part thereof granted to such Grantee to the extent not already exercised without incurring any liability on the part of the Company. 17.03(17)
- 5.2 An Option may, subject to the provisions of paragraph 8, be exercised in whole or in part (if in part only, it should be exercised in a whole board lot of the Shares which are traded on the Stock Exchange from time to time or an integral multiple thereof) in the manner set out in paragraph 5.3 by the Grantee by giving notice in writing to the Company (in such manner as may from time to time be specified by the Company) stating that the Option is thereby exercised and the number of Shares in respect of which it is exercised. Each such notice must be accompanied by a remittance for, or evidence of such other method of cash settlement as may be approved by the Company from time to time of, the full amount of the Subscription Price multiplied by the number of Shares in respect of which the notice is given. Within 20 Business Days after receipt of the notice and the remittance or other form of cash settlement as may be approved by the Company from time to time of the full amount of the relevant aggregate Subscription Price and, where appropriate, receipt of the Auditors' certificate or the certificate from the independent financial adviser to the Company pursuant to paragraph 8, the Company shall accordingly allot and issue the relevant number of Shares to the Grantee or the custodian of clearing house for credit for the benefit of the Grantee, credited as fully paid, and issue to the Grantee share certificate(s) in respect of the Shares so allotted.
- 5.3 Subject to any restrictions applicable under the Listing Rules and notwithstanding the terms of grant thereof, an Option may be exercised by the Grantee at any time during the Option Period, provided that:- 17.03(5)

have not been allotted, he shall be deemed not to have so exercised such Option and the Company shall return to him the amount of the Subscription Price for the Shares received by the Company in respect of the purported exercise of such Option;

- (b) in the event of a Grantee who is an employee or a director of the Company or another member of the Group ceasing to be a Participant for any reason other than his death or the termination of his employment on one or more of the grounds, or removal from directorship, as specified in paragraph 6(f), the Option (to the extent not already exercised) shall lapse on the date of cessation of such employment or directorship (which date shall be the Grantee's last actual working day with the Company or the relevant Subsidiary whether salary is paid in lieu of notice or not) and shall on that day cease to be exercisable unless he continues to serve the Group as a Service Provider (for example, being a consultant), in which case the Board has sole discretion to determine whether the Option shall lapse on the date of cessation of his employment or directorship, or on the expiry of his respective capacity as a Service Provider, provided that the Option can only be exercised within the Option Period;
- (c) in the event of a Grantee who is not an employee or a director of the Company or another member of the Group ceasing to be a Participant as and when determined by the Board by resolution for any reason other than his death, the Board may by written notice to such Grantee within one month from the date of such cessation determine the period within which the Option (or such remaining part thereof) shall be exercisable following the date of such cessation;
- (d) in the event of the Grantee ceasing to be a Participant by reason of the termination of his employment on one or more of the grounds, or removal from directorship, as specified in paragraph 6(f), his Option shall lapse automatically (to the extent not already exercised) and shall not be exercisable on or after the date of termination of his employment or removal from directorship and to the extent the Grantee has exercised the Option in whole or in part pursuant to paragraph 5.2, but Shares have not been allotted to him, the Grantee shall be deemed not to have so exercised such Option and the Company shall return to the Grantee the amount of the Subscription Price for the Shares received by the Company in respect of the purported exercise of such Option;
- (e) in the event a general offer by way of takeover (other than by way of scheme of arrangement pursuant to paragraph (f) below) is made to all the Shareholders (or all such Shareholders other than the offeror and/or any person controlled by the offeror and/or any person acting in association or concert with the offeror) and such offer becomes or is declared unconditional prior to the expiry date of the relevant Option, the Company shall forthwith notify all Grantees who have Options unexercised on the date of such notification and any such Grantee shall be entitled to exercise the Option in full (to the extent not already exercised) or to the extent as notified by the Company at any time within such period as notified by the Company;
- (f) in the event a general offer by way of scheme of arrangement is made to all the Shareholders and has been approved by the necessary number of Shareholders

- (g) in the event a notice is given by the Company to its Shareholders to convene a Shareholders' meeting for the purpose of considering and, if thought fit, approving a resolution to voluntarily wind-up the Company, the Company shall forthwith give notice thereof to all Grantees who have Options unexercised on the date of such notification and any such Grantee may at any time thereafter (but before such time as notified by the Company) exercise the Option to its full extent or to the extent notified by the Company, and the Company shall as soon as possible and in any event no later than three days prior to the date of the proposed Shareholders' meeting, allot, issue and register in the name of the Grantee or the custodian of clearing house for credit for the benefit of the Grantee such number of Shares to the Grantee which fall to be issued on such exercise; and

7. MAXIMUM NUMBER OF SHARES AVAILABLE FOR SUBSCRIPTION

- 7.1 The maximum number of Shares which may be issued upon exercise of all Options to be granted under this Scheme and any other share option schemes of the Company shall not, in the absence of Shareholders' approval, in aggregate exceed 10 per cent. in nominal amount of the aggregate of Shares in issue on the Adoption Date (the "**Scheme Mandate Limit**"). Options lapsed in accordance with the terms of this Scheme and (as the case may be) such other share option schemes of the Company will not be counted for the purpose of calculating the Scheme Mandate Limit. 17.03(3)
- 7.2 The Scheme Mandate Limit referred to in paragraph 7.1 may be renewed at any time subject to prior Shareholders' approval but in any event, the total number of Shares which may be issued upon exercise of all Options to be granted under this Scheme and any other options to be granted under any other share option schemes of the Company under the limit as refreshed must not exceed 10 per cent. of the Shares in issue as at the date of approval of the renewed limit. Options previously granted under this Scheme or any other share option schemes of the Company (including those outstanding, cancelled, lapsed in accordance with the terms of such scheme or exercised options) will not be counted for the purpose of calculating the limit as renewed.
- 7.3 Notwithstanding the foregoing, the Company may grant Options beyond the Scheme Mandate Limit to Participants if:-
- (a) separate Shareholders' approval has been obtained for granting Options beyond the Scheme Mandate Limit to Participants specifically identified by the Company before such Shareholders' approval is sought; and
 - (b) the Company, in connection with the seeking of such separate Shareholders' approval, has first sent a circular to Shareholders containing such information as may be required by the Listing Rules to be included in such circular.
- 7.4 Subject to paragraph 7.5, the maximum number of Shares issued and to be issued upon exercise of the Options granted to each Grantee under this Scheme (including both exercised and outstanding Options) in any 12-month period shall not (when aggregated with any Shares subject to options granted during such period under any other share option scheme(s) of the Company other than those options granted pursuant to specific approval by the Shareholders in a general meeting) exceed 1 per cent. of the Shares in issue for the time being (the "**Individual Limit**"). 17.03(4)
- 7.5 Where any further grant of Options to a Participant would result in the Shares issued and to be issued upon exercise of all Options granted and to be granted to such person (including exercised, cancelled and outstanding Options) in the 12-month period up to and including the date of such further grant representing (when aggregated with any Shares subject to options granted during such period under any other share option scheme(s) of the Company other than those options granted pursuant to specific approval by the Shareholders in a general meeting) over 1 per cent. of the Shares in issue, such further grant must be separately approved by Shareholders in general meeting with such Participant and his close associates (or his associates if the Participant is a connected person) abstaining from voting. The Company must send a circular to the Shareholders disclosing the identity of the Participant in question, the

number and terms of the Options to be granted (and options previously granted to such Participant) and such other information required under the Listing Rules. The number and terms (including the Subscription Price) of Options to be granted to such Participant must be fixed before Shareholders' approval and the date of Board meeting for proposing such further grant should be taken as the Date of Grant for the purpose of calculating the Subscription Price under paragraph 4.

- 7.6 At any time, the maximum number of Shares which may be issued upon exercise of all Options or options which then has been granted and have yet to be exercised under this Scheme and any other share option schemes of the Company shall not in aggregate exceed 30 per cent. of the Shares in issue from time to time (the "**Scheme Limit**"). No Options may be granted under this Scheme and any options under any other share option schemes of the Company if this will result in the Scheme Limit being exceeded. 17.03(3)

8. REORGANISATION OF CAPITAL STRUCTURE

- 8.1 In the event of an alteration in the capital structure of the Company whilst any Option remains exercisable by way of capitalisation of profits or reserves, bonus issue, rights issue, open offer, sub-division or consolidation of Shares, or reduction of the share capital of the Company in accordance with legal requirements and requirements of the Stock Exchange (other than any alteration in the capital structure of the Company as a result of an issue of Shares as consideration in a transaction to which the Company is a party), such corresponding adjustments (if any) shall be made to:- 17.03(13)

- (i) the number or nominal amount of Shares subject to the Option so far as unexercised; or
- (ii) the Subscription Price;

or any combination thereof, provided that:-

- (a) any such adjustments give a Grantee the same proportion of the equity capital of the Company as that to which that Grantee was previously entitled; and
- (b) notwithstanding paragraph 8.1(a) above, any adjustments as a result of an issue of securities with a price-dilutive element, such as a rights issue, open offer or capitalisation issue, should be based on a scrip factor similar to the one used in accounting standards in adjusting the earnings per share figures (referred to in Hong Kong Accounting Standards 33) and the acceptable adjustments set out in the Supplementary Guidance and any future guidance/interpretation of the Listing Rules issued by the Stock Exchange from time to time,

but no such adjustments shall be made to the extent that a Share would be issued at less than its nominal value.

8.2 The Company shall engage the Auditors or a financial advisor to certify in writing, either generally or in regard to any particular Grantee, that the adjustments made by the Company under paragraph 8.1 satisfy the requirements set out in paragraphs 8.1(a) and 8.1(b) above. The capacity of the Auditors or financial advisor (as the case may be) in this paragraph is that of experts and not of arbitrators and their certification shall, in the absence of manifest error, be final and binding on the Company and the Grantees. The costs of the Auditors or financial advisor (as the case may be) shall be borne by the Company.

8.3 Notwithstanding the foresaid, if the Company conducts a share consolidation or subdivision after the 10 per cent. limit has been approved in general meeting, the maximum number of Shares that may be issued upon exercise of all Options to be granted under this Scheme and any other share option schemes of the Company under the 10 per cent. limit as a percentage of the total number of issued Shares at the date immediately before and after such consolidation or subdivision shall in any event be the same.

17.03(3)

9. SHARE CAPITAL

9.1 The exercise of any Option shall be subject to the members of the Company in general meeting approving any necessary increase in the authorised share capital of the Company. Subject thereto the Board shall make available sufficient authorised but unissued share capital of the Company to meet subsisting requirements on the exercise of Options.

9.2 The Options do not carry any right to vote in general meetings of the Company, or any right to dividend or transfer or any other rights, including those arising on the liquidation of the Company.

17.03(10)

10. DISPUTES

Any dispute arising in connection with this Scheme (whether as to the number of Shares, the subject of an Option, the amount of the Subscription Price or otherwise) shall be referred to the decision of the Auditors or the independent financial adviser to the Company who shall act as experts and not as arbitrators and whose decision shall, in the absence of manifest error, be final and binding on the Company and the Grantees. The costs of the Auditors or the independent financial adviser to the Company shall be shared equally between the Company and the relevant Grantee.

11. ALTERATION OF THIS SCHEME

Those specific provisions of this Scheme which relate to the matters set out in Rule 17.03 of the Listing Rules cannot be altered to the advantage of Participants, and changes to the authority of the Board in relation to any alteration of the terms of this Scheme shall not be made, in either case, without the prior approval of Shareholders in general meeting. Any alterations to the terms and conditions of this Scheme which are of a material nature, or any change to the terms of Options granted, must also, to be effective, be approved by the Shareholders in general meeting, except where the

17.03(18)

alterations take effect automatically under the existing terms of this Scheme. The Scheme so altered must comply with Chapter 17 of the Listing Rules.

12. CANCELLATION

- 12.1 Any Options granted but not exercised may be cancelled if the Grantee so agrees. 17.03(14)
