This announcement is made by Chinney Investments, Limited (the “Company”, together with its subsidiaries, the “Group”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the “SFO”).

The board of directors of the Company (the “Board”) wishes to inform the shareholders of the Company and potential investors that, based on a preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 March 2022, the Group is expected to record a decrease in profit attributable to owners of the Company for the year ended 31 March 2022 by approximately 30% as compared to the profit attributable to owners of the Company of approximately HK\$77.9 million for the year ended 31 March 2021.

The expected decline in profit was primarily due to :

- (1) Further fair value losses recorded arising from revaluations of the Group’s investment properties as at 31 March 2022 as compared with the fair value losses on investment properties in the last corresponding year. Under the impact of the Covid-19 pandemic, the property market in the Mainland China was continuously adversely affected and experienced a general drop in rental return.

Such fair value losses are non-cash in nature and will not affect the overall financial position of the Group.

- (2) The decrease in share of profits in an associate as compared with last year; such decrease was caused by (i) the drop in profit margins as a result of cost overrun and rising material costs under the impact of pandemic; and (ii) the anti-pandemic subsidies granted by the Hong Kong Government reduced as compared with last corresponding year.

Notwithstanding the above information, the overall operation, financial position and cash flow condition of the Group remain healthy.

The Company is still in the process of finalizing the consolidated annual results of the Group for the year ended 31 March 2022. The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group for the year ended 31 March 2022 and the information currently available to it, which was neither reviewed by the Company's audit committee nor audited by the Company's auditor. Shareholders of the Company and potential investors are advised to read carefully the annual results announcement of the Company for the year ended 31 March 2022, which is expected to be published in late June 2022.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
