## PROPOSED ADOPTION OF NEW ARTICLES OF ASSOCIATION

The board of directors (the “**Board**”) of Ulferts International Limited (the “**Company**”) announces that in order to provide more flexibility to the Company in relation to the conduct of general meetings, the Board proposes to amend the existing articles of association of the Company (the “**Existing Articles**”) to allow general meetings to be held as a hybrid meeting where shareholders of the Company (the “**Shareholders**”) may attend by electronic means in addition to being present in person physically. The amendments also explicitly set out other related powers of the Board and the chairman of the general meetings, including making arrangements for attendance as well as ensuring the security and orderly conduct of such general meetings. Other proposed amendments to the Existing Articles are for house-keeping purposes. The Board proposes to adopt a new set of articles of association (the “**New Articles**”) in substitution for, and to the exclusion of, the Existing Articles.

The proposed adoption of the New Articles is subject to the approval of the Shareholders by way of a special resolution at the forthcoming annual general meeting of the Company to be held on 25 August 2022 (the “**AGM**”). A circular containing, among other things, particulars relating to the proposed amendments to the Existing Articles brought about by the adoption of the New Articles together with a notice convening the AGM will be despatched to the Shareholders in due course.
