Performance figures of the Fund are calculated according to the value of the respective underlying assets of the Fund or the net asset value per unit of the Fund (as the case may be), and are not calculated according to the Fund's market price on the exchange. The Fund's market price on the Stock Exchange of Hong Kong may be different from its net asset value per unit.

Investment involves risk. Past performance information presented is not indicative of future performance. Please refer to the Offering Circular of the Fund for further details including the risk factors.

Note:

1. The performance of the Fund was achieved under the following circumstances that no longer apply: the Fund recognized an over-provision of tax as a gain in its valuation and resulted in an increase in the Fund's net asset value of around 5.13% on 13 October 2015.
2. Calendar year performance is the gain or loss of the Fund throughout a particular year.
3. Cumulative performance is the gain or loss of the Fund over certain period of time up to the relevant date.

The Fund is a close-ended fund and no investor may demand redemption of their units.

The listing of the Fund on the Stock Exchange of Hong Kong does not guarantee a liquid market and the Fund may be delisted. The Fund's market price on the Stock Exchange of Hong Kong may be different from its net asset value per unit. Currency movement may affect the value of investments. Investment in emerging market involves higher risks. The Fund mainly invests directly and indirectly in China A-shares, which are subject to specific risks and restrictions as disclosed in the Offering Circular. The Fund differs from a typical trust and investors should read the Offering Circular for details including the risk factors. The document has not been reviewed by the Securities and Futures Commission.
