GRANT OF THE GENERAL MANDATE, THE REPURCHASE MANDATE AND THE EXTENSION MANDATE

The Company's existing General Mandate, Repurchase Mandate and Extension Mandate were approved by the Shareholders on 13 August 2021. Unless otherwise renewed, the existing mandates to issue and repurchase Shares will expire at the conclusion of the Annual General Meeting.

The following ordinary resolutions will be proposed at the Annual General Meeting to authorise the Directors:

- (a) to exercise the power of the Company to allot, issue or otherwise deal with new Shares with an aggregate number not exceeding 20% of the aggregate number of issued Shares as at the date of Annual General Meeting;
- (b) to repurchase Shares with an aggregate number not exceeding 10% of the aggregate number of issued Shares as at the date of the Annual General Meeting; and
- (c) to extend the General Mandate by an amount representing the aggregate number of the Shares repurchased by the Company pursuant to and in accordance with the Repurchase Mandate.

An explanatory statement containing information for such purpose is set out in the Appendix I to this circular.

RE-ELECTION OF DIRECTORS

According to the Bye-Laws, one-third of the Directors for the time being shall retire from office by rotation provided that every Director shall be subject to retirement at an annual general meeting at least once every three years.

Pursuant to Bye-law 99, Mr. Yeung Chi Hung, Johnny ("**Mr. Johnny Yeung**"), Mr. Yuen Yee Sai, Simon ("**Mr. Simon Yuen**"), Mr. Chow Man Yan, Michael ("**Mr. Michael Chow**"), Mr. Yeung Siu Chung, Ben ("**Mr. Ben Yeung**"), and Ms. Chow Lai Fung ("**Ms. Chow**") would retire from the office of Directors by rotation at the Annual General Meeting and they, being eligible, will offer themselves for re-election at the Annual General Meeting.

The Nomination Committee, having reviewed the Board's composition, nominated Mr. Johnny Yeung, Mr. Simon Yuen, Mr. Michael Chow, Mr. Ben Yeung and Ms. Chow to the Board for it to recommend to Shareholders for re-election at the Annual General Meeting. The nominations were made in accordance with the Company's nomination policy and the objective criteria (including without limitation,

LETTER FROM THE BOARD

gender, age, cultural and educational background, ethnicity, professional experience, skill, knowledge and length of service), with due regard for the benefits of diversity, as set out under the Company's board diversity policy. The Nomination Committee had also taken into account the respective contributions of Mr. Johnny Yeung, Mr. Simon Yuen, Mr. Michael Chow, Mr. Ben Yeung and Ms. Chow to the Board and their commitment to their roles.

The Nomination Committee was satisfied that each of Mr. Johnny Yeung, Mr. Simon Yuen, Mr. Michael Chow, Mr. Ben Yeung and Ms. Chow has the required character, integrity and experience to continue fulfilling the role of an executive Director. The Board accepted the Nomination Committee's nominations and recommended Mr. Johnny Yeung, Mr. Simon Yuen, Mr. Michael Chow, Mr. Ben Yeung and Ms. Chow to stand for re-election by Shareholders at the Annual General Meeting. The Board considers that the re-election of Mr. Johnny Yeung, Mr. Simon Yuen, Mr. Michael Chow, Mr. Ben Yeung and Ms. Chow is in the best interest of the Company and Shareholders as a whole.

Brief biographical details of the Directors who will be proposed for re-election at the Annual General Meeting are set out in Appendix II to this circular.

ADOPTION OF THE NEW SHARE OPTION SCHEME

The Board proposes to the Shareholders to adopt the New Share Option Scheme at the Annual General Meeting. The principal terms of the New Share Option Scheme are set out in Appendix III of this circular. Apart from the amendments as required by the Listing Rules from time to time, there is no difference in the terms of the New Share Option Scheme and the Existing Share Option Scheme.

The Existing Share Option Scheme was adopted by the Company on 3 August 2012 and is valid and effective for a period of 10 years commencing on 3 August 2012 (being the date of fulfillment of all conditions on the adoption of the Existing Share Option Scheme). The Existing Share Option Scheme will expire prior to the Annual General Meeting. Upon expiry of the Existing Share Option Scheme, no further option can be granted thereunder, but its provisions shall remain in full force and effect to the extent necessary to give effect to the exercise of any options granted thereunder prior to its expiry which remain outstanding, and the exercise of such options shall be subject to and in accordance with the terms on which they were granted, the provisions of the Existing Share Options and the Listing Rules. As at the Latest Practicable Date, 41,013,900 Shares (representing approximately 9.6% of the total issued Shares) are available to grant under the Existing Share Option Scheme. As at the Latest Practicable Date, there were no outstanding options granted but not yet exercised under the Existing Share Option Scheme. To the Directors' best knowledge, information and belief, the Company does not plan to grant any option under the Existing Share Option Scheme before its expiry.

The Directors consider that the New Share Option Scheme, which will be valid for 10 years from the date of its adoption, will provide the Company with more flexibility in long term planning of granting of the share options to eligible persons in a longer period in the future (i.e. considering granting share options after the expiry of the Existing Share Option Scheme). The purpose of the New Share Option Scheme is to enable to Group to grant Options to the Eligible Participants as incentives or rewards for their contribution to the Group. Eligible Participants include, among others, (i) any Eligible Employee; (ii) any non-executive Director; and (iii) any Non-employee Eligible Participant. The Board considers that it is an advantage to the

LETTER FROM THE BOARD

Company to maintain a stable and long term relationship with each of the aforementioned groups as their continuous support to the Group helps the Group to deliver quality products, build customer loyalty, generate funds and develop the business of the Group.

Non-employee Eligible Participants are expected to have business dealings with and/or make significant contributions to the development and growth of the Group through their contractual performance and commercial interactions with the Group. The Board considers that the grant of Options to the Non-employee Eligible Participants will offer incentives for advisors, consultants and service providers to provide better services to the Group, for customers to maximise the quantity of their orders and increase loyalty to the Group, for suppliers to offer more economic and quality supplies to the Group, for business partners and joint venture business partners to refer and introduce potential business opportunities to the Group, thereby optimising performance efficiency and benefiting the long-term growth of the Group as a whole. Accordingly, the Board considered that it is also justifiable that a potential grant of Options under the New Share Option Scheme in accordance with the Listing Rules to Non-employee Eligible Participants will positively affect the quality and behavior of them and benefit the Group. The Board believes that including Non-employee Eligible Participants as a category of Eligible Participants will provide greater flexibility to the Company in incentivising and rewarding such persons who are expected to make continuing contributions to the Group. In particular, the Board is of the view that the grant of the Options is necessary to be wide enough to cover an Invested Entity. While an Invested Entity is not a member of the Group, the Group still has interest in such entities. If an Invested Entity grows well, the Group will directly and indirectly benefit from its growth. The New Share Option Scheme will allow the Company to have flexibility to provide incentive to these parties and reward them for their contribution to the Group or an Invested Entity, and to consolidate their loyalty and business relationship with the Group and the Invested Entity. The inclusion of personnel relating to the Invested Entity as Eligible Participants under the New Share Option Scheme could inspire these participants to pursue more business opportunities and to work more closely with the Group.

Since it is expected that the Non-Employee Eligible Participants will make an effort to contribute to the development of the Group, the Board will assess the eligibility of the abovementioned Non-Employee Eligible Participants based on the following factors: (i) the special skills or technical knowledge possessed by them which is beneficial to the continuing development of the Group; (ii) whether they have contributed to the business development of the Group; (iii) their period of cooperation with the Group; (iv) their performance conditions; and (v) whether they will contribute to the medium-to-long-term business development of the Group.

The New Share Option Scheme does not provide for any minimum period for holding of options or any performance target before exercise of options which can provide appropriate incentives or rewards to the Eligible Participants for their contribution to the Group. Under the New Share Option Scheme, the Board will have discretion in determining the Subscription Price (subject to the Listing Rules) in respect of any Option. The Directors are of the view that the flexibility given to the Directors to determine the Subscription Price will place the Group in a better position to reward its employees and retain human resources that are valuable to the growth and development of the Group as a whole.

LETTER FROM THE BOARD

Options may be exercised during such period (including the minimum period, if any, for which an Option must be held before it can be exercised) as may be determined by the Directors and commences after a certain vesting period and ends in any event not later than ten years from the date of grant of the relevant Option(s), subject to the provisions for early termination thereof. Options may be granted upon payment of HK\$1 as consideration for each grant.

Adoption of the New Share Option Scheme is subject to the passing of an ordinary resolution by the Shareholders to approve its adoption and to authorise the Directors to grant Options thereunder and to issue and allot Shares pursuant to the exercise of the subscription rights under the Options granted pursuant to the New Share Option Scheme at the Annual General Meeting.

The adoption of the New Share Option Scheme will also be conditional upon the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, any Shares which may fall to be issued pursuant to the exercise of the subscription rights attaching to the Options on the Stock Exchange (which may be subject to conditions and limitations). Application will be made to the Stock Exchange for the listing of, and permission to deal in, the Shares which may fall to be issued pursuant to the exercise of the subscription rights attaching to the Options which may be granted under the New Share Option Scheme.

Once the New Share Option Scheme is adopted, any alterations to the terms and conditions thereof, which are of a material nature, must be approved by the Shareholders in general meeting, except where the alterations take effect automatically under the existing terms of the New Share Option Scheme.

VALUE OF THE OPTIONS

The Directors consider that it is not appropriate to state the value of the Options that may be granted pursuant to the New Share Option Scheme as if they had been granted at the Latest Practicable Date. The Directors believe that any statement regarding the value of the Options as at the Latest Practicable Date will not be meaningful to the Shareholders and to a certain extent would be misleading to the Shareholders, taking into account the number of variables which are crucial for assessing the value of the Options which have not been determined. Such variables include the Subscription Price, the Option Period and all other relevant variables. The Subscription Price is equal to the highest of (i) the closing price of the Shares as stated in the daily quotation sheet issued by the Stock Exchange on the date of the Offer; (ii) the average closing price of the Shares as stated in the daily quotation sheets issued by the Stock Exchange for the five Business Days immediately preceding the date of the Offer; and (iii) nominal value of the Shares.

Scheme mandate limit and maximum number of Shares issuable

Subject to obtaining of the Shareholders' approval of the adoption of the New Share Option Scheme, pursuant to Rule 17.03 of the Listing Rules, the total number of Shares which may be issued upon the exercise of all the options to be granted under the New Share Option Scheme and any other share option schemes of the Company must not, in aggregate, exceed 10% of the issued share capital of the Company as at the date of approval of the adoption of the New Share Option Scheme initially. Based on the 425,839,000 Shares in issue as at the Latest Practicable Date and assuming that there is no change in the issued share capital of the Company before the Annual General Meeting, the maximum number of Shares to be issued upon the exercise of Options that may be granted under the New Share Option Scheme under such initial mandate limit is 42,583,900 Shares. The Company may seek approval of the Shareholders in general

LETTER FROM THE BOARD

meetings to refresh the 10% initial mandate limit. Notwithstanding that the mandate limit may be refreshed, the Board shall not grant Options which would result in the maximum aggregate number of Shares which may be issued upon exercise of all the outstanding options granted but yet to be exercised under the New Share Option Scheme and any other share option schemes of the Company which entitle the holders to acquire or subscribe for Shares exceeding, in aggregate, 30% of the issued share capital of the Company from time to time.

No Directors is trustee of the New Share Option Scheme or have a direct or indirect interest in the trustee.

No Shareholder has a material interest in the adoption of the New Share Option Scheme, and hence no Shareholder is required to abstain from voting on relevant resolution at the Annual General Meeting.

PROPOSED AMENDMENTS TO BYE-LAWS

Reference is made to the announcement of the Company dated 30 June 2022 in relation to, among others, the Proposed Amendments.

The Board proposes to amend the existing Bye-laws for the purposes of, among others, bringing the Bye-laws into line with the latest legal and regulatory requirements, including the applicable laws of Bermuda and the amendments made to Appendix 3 to the Listing Rules which took effect on 1 January 2022. The Board proposes to adopt the Amended Bye-laws in substitution for and to the exclusion of the existing Bye-laws.

The Proposed Amendments (marked-up against the existing Bye-laws) are set out in Appendix IV to this circular.

The legal advisers to the Company as to Hong Kong laws and the Bermuda laws have respectively confirmed that the Proposed Amendments comply with the applicable requirements of the Listing Rules and do not violate the laws of Bermuda. The Company also confirms that there is nothing unusual in the Proposed Amendments from the perspective of a company listed on the Stock Exchange.

The Proposed Amendments are prepared in the English language and the Chinese translation is for reference only. In case there are any inconsistencies between the English version and the Chinese version of the Proposed Amendments, the English version shall prevail.

The Proposed Amendments and adoption of the Amended Bye-laws are subject to the approval of the Shareholders by way of a special resolution at the Annual General Meeting.

VOTING BY POLL

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates to purely a procedural or administrative matter to be voted by a show of hands. Therefore, all the resolutions put to the vote in the Annual General Meeting will be taken by poll. The chairman of the Annual General Meeting will explain the detailed procedures for conducting a poll at the commencement of the Annual General Meeting.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. Therefore, the Directors recommend you to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting.

ADDITIONAL INFORMATION

Your attention is drawn to the additional information set out in the Appendices to this circular.

Yours faithfully,
By order of the Board
Fujikon Industrial Holdings Limited
Yeung Chi Hung, Johnny
Chairman & Chief Executive Officer

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide the requisite information to enable you to make an informed decision whether to vote for or against the resolution to approve the grant of the Repurchase Mandate to the Directors.

LISTING RULES RELATING TO THE REPURCHASE OF SECURITIES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which the securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general repurchase mandate or by specific approval of a particular transaction.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 425,839,000 Shares. Subject to the passing of the proposed resolution for the grant of the Repurchase Mandate and on the basis that no Shares are allotted and issued or repurchased by the Company prior to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 42,583,900 Shares, which represents 10% of the number of issued Shares as at the date of passing such resolution.

REASONS FOR THE REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders as a whole. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Repurchase Mandate will only be exercised when the Directors believe that such repurchases will benefit the Company and the Shareholders.

FUNDING OF REPURCHASES

In repurchasing securities, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association, the Bye-laws, the Listing Rules and the applicable laws of Bermuda.

Taking into account the current working capital position of the Group, the Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Group as compared with the position as at 31 March 2022, being the date of the latest published audited financial statements of the Company. The Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements and/or the gearing position of the Group which in the opinion of the Directors are from time to time appropriate for the Group.

SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the twelve months preceding the Latest Practicable Date were as follows:

UNDERTAKINGS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases under the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of Bermuda and the regulations set out in the memorandum of association of the Company and the Bye-laws.

CONNECTED PERSON

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates, has any present intention to sell any Shares to the Company if the Repurchase Mandate is approved at the Annual General Meeting and exercised.

No connected person has notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best of the knowledge and belief of the Directors, Mr. Johnny Yeung, Mr. Simon Yuen and Mr. Michael Chow, together with the companies directly or indirectly owned by them respectively, namely Loyal Fair Group Limited ("**Loyal Fair**"), Sky Talent Enterprises Limited ("**Sky Talent**") and Asia Supreme Limited ("**Asia Supreme**"), are parties acting in concert and interested in an aggregate of 197,827,500 Shares, representing approximately 46.46% of the existing issued Shares as at the Latest Practicable Date. On the basis that there were 425,839,000 Shares in issue as at the Latest Practicable Date and assuming that there will be no issue or repurchase of Shares prior to the date of the Annual General Meeting, if the Repurchase Mandate were exercised in full, the aggregate shareholding interest held by the above parties acting in concert would increase to approximately 51.62% of the then issued share capital of the Company.

On the basis of the shareholding of Mr. Johnny Yeung, Mr. Simon Yuen, Mr. Michael Chow, Loyal Fair, Sky Talent and Asia Supreme as at the Latest Practicable Date, an exercise of the Repurchase Mandate in full will result in the above parties being obliged to make a mandatory offer under Rule 26 of the Takeovers Code. However, the Directors have no present intention to exercise the Repurchase Mandate to the extent that would trigger such obligation.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.

SECURITIES REPURCHASE MADE BY THE COMPANY

The Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise) during the six months preceding the Latest Practicable Date.

available in liquidation *pari passu* with the holders of the Shares in issue on the day prior to the date of such resolution. Subject thereto, all Options then outstanding shall lapse and determine on the commencement of the winding-up;

- (e) if the Grantee is a company wholly owned by one or more Eligible Participants:
 - i. the provisions of paragraphs 7.4(a), 7.4(b), 8.1(c) and 8.1(d) shall apply to the Grantee and to the Options granted to such Grantee, *mutatis mutandis*, as if such Options had been granted to the relevant Eligible Participant, and such Options shall accordingly lapse or fall to be exercisable after the event(s) referred to in paragraphs 7.4(a), 7.4(b), 8.1(c) and 8.1(d) shall occur with respect to the relevant Eligible Participant; and
 - ii. the Options granted to the Grantee shall lapse and determine on the date the Grantee ceases to be wholly owned by the relevant Eligible Participant provided that the Directors may in their absolute discretion decide that such Options or any part thereof shall not so lapse or determine subject to such conditions or limitations as they may impose; and

- 9.2 The total number of Shares which may be allotted and issued upon exercise of all Options (excluding, for this purpose, options which have lapsed in accordance with the terms of the New Share Option Scheme and any other share option scheme of the Company) to be granted under the New Share Option Scheme and any other share option scheme of the Company must not in aggregate exceed 10 per cent. of the Shares in issue at the date of approval of the New Share Option Scheme ("**General Scheme Limit**") provided that:

Where any further grant of Options to a Grantee under the New Share Option Scheme would result in the Shares issued and to be issued upon exercise of all options granted and proposed to be granted to such person (including exercised, cancelled and outstanding options) under the New Share Option Scheme and any other share option schemes of the Company in the 12-month period up to and including the date of such further grant representing in aggregate over 1 per cent. of the Shares in issue, such further grant must be separately approved by shareholders of the Company in general meeting with such Grantee and his/her associates abstaining from voting. The number and terms (including the Subscription Price) of the Options to be granted must be fixed before shareholders' meeting, and the date of the Board meeting for proposing such further grant should be taken as the Offer Date for the purpose of calculating the Subscription Price under note (1) to Rule 17.03(9) of the Listing Rules.
- 9.4 Without prejudice to paragraph 5.2, where any grant of Options to a substantial shareholder of the Company or an independent non-executive Director or any of their respective associates, would result in the Shares issued and to be issued upon exercise of all Options already granted and to be granted (including Options exercised, cancelled and outstanding) to such person in the 12-month period up to and including the date of such grant:
- (a) representing in aggregate over 0.1 per cent. of the Shares in issue; and

- (b) no such adjustment shall be made the effect of which would be to enable a Share to be issued at less than its nominal value;
- (c) the issue of Shares or other securities of the Group as consideration in a transaction shall not be regarded as a circumstance requiring any such adjustment; and
- (d) any such adjustment shall be in compliance with the Listing Rules and such applicable rules, codes, guidance notes and/or interpretation of the Listing Rules from time to time promulgated by the Stock Exchange.

In respect of any adjustment referred to in this paragraph 10.1, other than any adjustment made on a capitalisation issue, the Auditors or such independent financial adviser must confirm to the Directors in writing that the adjustments satisfy the requirements of the relevant provisions of the Listing Rules.

12. SHARE CAPITAL

The exercise of any Option shall be subject to the members of the Company in general meeting approving any necessary increase in the authorised share capital of the Company. The Company by resolution in general meeting may at any time terminate the operation of the New Share Option Scheme and in such event no further Options will be offered but in all other respects the provisions of the New Share Option Scheme shall remain in force to the extent necessary to give effect to the exercise of any Options (to the extent not already exercised) granted prior thereto or otherwise as may be required in accordance with the provisions of the New Share Option Scheme and Options (to the extent not already exercised) granted prior to such termination shall continue to be valid and exercisable in accordance with the New Share Option Scheme.
