CLARIFICATION ANNOUNCEMENT

This announcement is made by the Company on a voluntary basis.

Reference is made to the announcement of the Company dated June 30, 2022 in relation to, among others, the distribution of Class B Shares indirectly controlled by the controlling shareholder (the “**Announcement**”). Unless otherwise defined herein, capitalized terms used herein shall have the same meaning ascribed to them in the Announcement.

The Company noted the recent misconception in the market regarding the disposal of Shares of the Company by Prof. Tang Xiao’ou (“**Prof. Tang**”), an executive director and a controlling shareholder of the Company. The Company hereby clarifies that, Prof. Tang has not disposed any Shares beneficially owned by him, and the Company was also informed by Prof. Tang that he remains confident in the long-term value and prospects of the Group, and has no plan to sell any Shares of the Company.

As disclosed in the Announcement, Prof. Tang distributed all the Class B Shares held by the Limited Partnerships to the respective Limited Partners without consideration, and therefore such distribution is not a disposal of Shares for any economic benefits. The distributed Shares are owned by the Limited Partners of the respective Limited Partnerships, and the Limited Partners are independent third parties and pre-IPO investors of the Company. Prof. Tang was deemed to be interested in and control such distributed Shares only by virtue of his indirect shareholding in the general partner of the Limited Partnerships.

The Company was informed by Prof. Tang that such distribution has now been completed. Accordingly, the Limited Partnerships and the general partner, and Prof. Tang no longer hold any Class B Shares.
