## II. COMMUNICATION WITH THE ACCOUNTING FIRM

The relevant data of the results forecast are the preliminary estimation made by the financial department of the Company and have not been audited by accounting firm. The Company has made preliminary communication with accounting firm on related matters of the forecast for the interim results, and there is no difference between the Company and the accounting firm on the results forecast in the Current Reporting Period.

## III. REASONS FOR CHANGES IN THE RESULTS

1. During the Current Reporting Period, with the rapid development of new energy industry, the market demand for lithium salt products continued to grow, the price of lithium salt products remained at a high level, the sales volume and the average sales price of products of the Company increased as compared with the corresponding period last year, which result in the significant year-on-year increase of the Company's operating results.
2. During the Current Reporting Period, the change in non-recurring gains and losses of the Company was mainly due to the decline in the share price of part of financial assets held by the Company.

## IV. OTHER RELEVANT INFORMATION

The results forecast is only a preliminary estimation made by the financial department of the Company and has not been audited by certified public accountants. Details of the financial information shall be subject to the 2022 interim report to be published by the Company. Shareholders of the Company and investors are advised to make cautious decision and be aware of the investment risks.
