## PROPOSAL TO RESTORE PUBLIC FLOAT

As disclosed in the announcement of the Company dated 31 December 2021 (the “**December Announcement**”), Ally Good, the controlling shareholder of the Company, has indicated to the Company that it has entered into the LOI so as to assist the Company to restore the public float by disposing some of its existing Shares to the Potential Purchaser (the “**Potential Partial Disposal**”), subject to the formal agreement and the factors as disclosed in the December Announcement.

Due to the epidemic control measures imposed in the People's Republic of China and Hong Kong in relation to the COVID-19 pandemic, the Company was unable to conduct any marketing presentation nor to arrange any site visit for the Potential Purchaser. As a result, save for the LOI, no formal agreement in respect of the Potential Partial Disposal has been entered into as at the date of this announcement. Subject to, amongst others, the relaxation of the epidemic control measures and the market conditions, it is currently intended that (a) the Potential Purchaser will conduct site visit and due diligence on the Company in or around October 2022; (b) subject to the results of due diligence, Ally Good and the Potential Purchaser will negotiate and enter into a formal agreement in relation to the Potential Partial Disposal (the "**Transaction Agreement**") between November 2022 and early December 2022; and (c) subject to the terms and conditions of the Transaction Agreement, the Potential Partial Disposal will be completed in or around December 2022.

The Company is also considering other feasible proposal(s) to restore the public float of the Company to the Minimum Prescribed Percentage, including but not limited to, allotment of new Shares to potential investors. The Company will continue to publish announcement(s) on a regular basis to update its Shareholders and potential investors on the status of the public float and the measures that may be introduced by the Company to restore its public float as soon as practicable.

**The Potential Partial Disposal is subject to the execution of a formal sale and purchase agreement. There is no assurance that the Potential Partial Disposal will materialise or eventually be consummated. Shareholders of the Company and potential investors are advised to exercise caution when dealing in the Shares.**
