Based on the preliminary estimates made by the Company, it is estimated that the net profit of the Group attributable to the equity shareholders of the parent company for the first half year of 2022 may decrease by approximately 40% to 50% as compared to the corresponding period for the year 2021. The preliminary estimated financial information of the Group for the first half year of 2022 set out in this announcement have not been audited or reviewed by the Company's auditors. Details of the financial information of the Group for the first half year of 2022 will be disclosed in the 2022 interim results announcement and the 2022 interim report of the Company.

The Company's shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

This announcement is made by China Reinsurance (Group) Corporation (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the "**SFO**") and Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**").

I. ESTIMATED RESULTS DURING THIS PERIOD

1. Period of Estimated Results: 1 January 2022 to 30 June 2022.
2. Estimated Results: based on the preliminary estimates made by the Company, it is estimated that the net profit of the Group attributable to the equity shareholders of the parent company for the first half year of 2022 may decrease by approximately 40% to 50% as compared to the corresponding period for the year 2021.
3. The estimated results have not been audited or reviewed by the Company's auditors.

II. RESULTS OF THE CORRESPONDING PERIOD FOR THE YEAR 2021

1. Net profit attributable to the equity shareholders of the parent company: RMB4,011 million
2. Earnings per share (basic and diluted): RMB0.09

III. MAJOR REASONS FOR THE ESTIMATED DECREASE IN RESULTS

The estimated decrease in results of the Group for the first half year of 2022 was mainly due to the year-on-year decline in investment income resulted from the significant volatility and weakening trend in the capital markets.
