The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) of the Company and potential investors that, based on the information currently available to the Company and the preliminary review by the Board of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2022, the Group is expected to record a net profit of approximately RMB9.02 million for the six months ended 30 June 2022 as compared to the net profit of approximately RMB1.52 million for the six months ended 30 June 2021, representing an increase of approximately 494.66%.
