**POSITIVE PROFIT ALERT**

This announcement is made by the board (the “**Board**”) of directors of Huafa Property Services Group Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to the Inside Information Provisions (as defined under the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”)) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the laws of Hong Kong) and Rule 13.09(2)(a) of the Listing Rules.

The Board would like to inform the shareholders of the Company and potential investors that, based on the preliminary review on the unaudited management accounts of the Group for the six months ended 30 June 2022, the profit attributable to owners of the Company for the six months ended 30 June 2022 is expected to record an increase of more than 40% as compared with that for the corresponding period in 2021. The increase was mainly attributable to the increase in property management services income resulting from the increase in aggregate revenue-bearing gross floor area and the increase in revenue derived from value-added services of the Group’s property management business segment, which improved the performance of the results of the Company as a whole.

As the Company is still in the process of finalizing the results of the Group for the six months ended 30 June 2022, the information contained in this announcement is only based on the preliminary assessment by the Company’s management on the basis of the unaudited management accounts of the Group and other information available for the time being, and such information has not been audited by the auditors of the Company or reviewed by the audit committee of the Company. The unaudited interim results for the six months ended 30 June 2022 are expected to be published by the end of August 2022.
