PROFIT WARNING

This announcement is made by Sino ICT Holdings Limited (the “**Company**” and, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the information currently available, the Group is expected to record a loss attributable to equity holders of the Company of not more than HK\$2,000,000 for the six months ended 30 June 2022 (“**Period 2022**”) as compared to the profit attributable to equity holders of the Company for the six months ended 30 June 2021 (“**Period 2021**”) of approximately HK\$32,887,000.

Based on the information available, the Board considered that the change from profit to loss attributable to equity holders of the Company for the Period 2022 compared to the Period 2021 was mainly attributable to the establishment of joint ventures and subsidiaries in the first half of this year in line with the Group’s strategic plan to expand new businesses. The newly established companies are now in the investment period and therefore the related expenses have increased. Furthermore, exchange rate fluctuations were relatively high in the Period 2022, resulting in an increase in foreign exchange losses; gains from investment in securities decreased; in addition, the pandemic of COVID-19 continued and the domestic outbreak in China spread to many places, which also affected the SMT equipment manufacturing business of the Group.

The Company is still in the process of finalising the interim results of the Group for the Period 2022. The information contained in this announcement is only a preliminary assessment by the management of the Group based on information currently available to the Group. Such information has not been reviewed by the audit committee of the Company and may be subject to adjustments or amendments. Further details of the interim financial information of the Group for the Period 2022 will be published in due course pursuant to the requirements of the Listing Rules.

Shareholders and potential investors are advised to exercise caution when dealing with the shares of the Company.
