### **INSIDE INFORMATION ANNOUNCEMENT PROFIT WARNING**

This announcement is made by Lippo China Resources Limited (the “Company”, together with its subsidiaries, the “Group”) pursuant to rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined in the Listing Rules).

The Board of Directors of the Company (the “Board”) wishes to inform the shareholders of the Company (the “Shareholders”) and potential investors that based on information currently available to the Company, it is estimated that the Group may record a net fair value loss on financial instruments at fair value through profit or loss of approximately HK\$23 million for the six months ended 30 June 2022 (the “Period”), as compared to a net fair value gain of approximately HK\$218 million for the six months ended 30 June 2021 (the “Last Period”).

Based on information currently available to the Company, the Board estimates that the Group may record a consolidated loss attributable to shareholders of approximately HK\$130 million for the Period, as compared to a consolidated profit of approximately HK\$168 million for the Last Period. The variance of results for the Period as compared with the Last Period was largely attributable to the net fair value loss on financial instruments at fair value through profit or loss of the Group during the Period while a net fair value gain was recorded in the Last Period.

The information contained in this announcement is only a preliminary assessment by the Board based on information currently available to the Company and is not based on any figures or information that has been audited by the Company's auditor. The Company expects to announce the unaudited consolidated interim results of the Group for the Period in late August 2022.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
