As at 31 December 2021, the carrying amount of the Disposed COMEC Shares were approximately HK\$3.16 million. As a result of the Eighth COMEC Disposal, the Group is expected to recognise a gain of approximately HK\$0.19 million (before taxation and without deduction of expenses related to the Eighth COMEC Disposal), which is calculated based on the difference between the carrying amount of the Disposed COMEC Shares as at 31 December 2021 and the aggregate consideration of the Eighth COMEC Disposal (exclusive of transaction costs). The actual amount of gain or loss as a result of the Eighth COMEC Disposal to be recorded by the Group will be subject to the review and final audit by the auditor of the Company.
