### 2. RE-ELECTION OF RETIRING DIRECTORS

Pursuant to Bye-law 87 of the Bye-laws, Dr. Ho Chung Tai, Raymond (“**Dr. Ho**”) and Ms. Lai Ka Fung, May (“**Ms. Lai**”) shall retire by rotation at the AGM and, being eligible, offer themselves for re-election.

The Company’s nomination and remuneration committee (“**Nomination and Remuneration Committee**”) has reviewed the qualifications, skills and experience of the retiring Directors and considers that they can contribute the appropriate knowledge, expertise and diversity in perspectives to the Board with reference to the board diversity policy and the nomination policy of the Company. The Nomination and Remuneration Committee has further assessed the independence of Dr. Ho and Ms. Lai based on reviewing their annual written confirmations of independence pursuant to Rule 3.13 of the Listing Rules and considered that both of them remain independent to the Company. Ms. Lai has been an independent non-executive Director for more than nine years, but does not have management role in the Group since her appointment on 18 February 2012. She has expressed her willingness to exercise independent judgement and has been giving objective views to the Company. There is no evidence that length of tenure is having an unfavourable influence on her independence. In addition, the Nomination and Remuneration Committee has also considered that like other independent non-executive Directors, Ms. Lai is able to continue to have effective oversight of the management. The Board is satisfied that, as well proven by the valuable independent judgement and advice given by Ms. Lai over the years, she has the required character, integrity, independence and experience to perform the role of an independent non-executive Director. The Board is not aware of any circumstances that might influence Ms. Lai in exercising her independence and experience to perform the role of an independent non-executive Director. The Board, having considered the recommendation of the Nomination and Remuneration Committee, is of the view that Dr. Ho and Ms. Lai will continue to contribute to the Board with their skills, experience and diversity of perspectives appropriate to the requirements of the Group’s business as well as devotion to the Group. The Board believed that their re-election as Directors would be in the best interests of the Company and the Shareholders as a whole.

Brief biographical details of the retiring Directors who are proposed to be re-elected at the AGM are set out in Appendix I to this circular.

Therefore, the chairman of the AGM will demand a poll regarding the voting for all the resolutions set out in the notice of AGM.

### **7. RECOMMENDATIONS**

The Directors consider that the proposed resolutions in relation to the re-election of retiring Directors, the granting of the Repurchase Mandate and the Issue Mandate and the extension of the Issue Mandate are in the best interests of the Company and the Shareholders as a whole and, accordingly, recommend the Shareholders to vote in favour of all the resolutions to be proposed at the AGM. *This appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to you for your consideration as to whether to vote for or against the ordinary resolution to be proposed at the AGM for granting the Repurchase Mandate.*

### **1. THE LISTING RULES**

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions.

### **2. SHARE CAPITAL**

As at the Latest Practicable Date, the total number of Shares in issue was 1,169,287,752 Shares.

Subject to the passing of the proposed ordinary resolution to approve the Repurchase Mandate and on the basis that no further Shares are issued, allotted or repurchased by the Company prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 116,928,775 Shares, being 10% of the total number of Shares in issue as at the Latest Practicable Date.

### **3. REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and the Shareholders for the Directors to have a general authority from the Shareholders to enable the Company to repurchase the Shares in the market. Repurchases of the Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

### **4. FUNDING OF REPURCHASES**

Repurchases would be funded entirely from the Company's available cash flow or working capital facilities legally available for the purpose and in accordance with the memorandum of association of the Company and the Bye-laws, the Listing Rules and the applicable laws of Bermuda.

There might be a material adverse effect on the working capital or gearing level of the Company (as compared with the position disclosed in the Company's latest published audited financial statements for the year ended 31 March 2022) in the event that the Repurchase Mandate is exercised in full at time. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstance, have a material adverse effect on the working capital or gearing level of the Company which, in the opinion of the Directors, are from time to time appropriate of the Company.

**5. SHARE PRICES**

The highest and lowest prices per Share at which the Shares have traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date were as follows:

**6. DIRECTORS' UNDERTAKING**

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the proposed resolution in accordance with the Listing Rules and all applicable laws of Bermuda and in accordance with the regulations set out in the memorandum of association of the Company and the Bye-laws.

**7. DIRECTORS AND CONNECTED PERSONS**

As at the Latest Practicable Date, none of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, any of their respective close associates, as defined in the Listing Rules, has any present intention to sell any Shares to the Company or its subsidiaries, as defined in the Companies Ordinance (Chapter 622 of the Laws of Hong Kong) in the event that the Repurchase Mandate is approved by the Shareholders.

As at the Latest Practicable Date, no core connected person, as defined in the Listing Rules, has notified the Company that he/she has a present intention to sell any Shares to the Company or has undertaken not to sell any of the Shares held by him/her to the Company, if in the event that the Company is authorised to make the repurchases of Shares.

**8. EFFECT OF THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING**

If, as a result of a securities repurchase pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code.

Accordingly, a Shareholder, or a group of the Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of any such increase. As at the Latest Practicable Date, Mr. Li Weibin, the Chairman of the Company and an executive director was beneficially and interested in total of 713,275,040 Shares, representing approximately 61.00% of the total number of Shares in issue, which comprises (i) 53,464,480 Shares personally held by Mr. Li, representing approximately 4.57% of the total number of Shares in issue, and (ii) 659,810,560 Shares held by Wealth Keeper International Limited (a company wholly and beneficially owned by Mr. Li), representing approximately 56.43% of the total number of Shares in issue. The shareholding percentage of Mr. Li will be increased to approximately 67.78% if the Repurchase Mandate is exercised in full. On the basis of the current shareholding position of the Company, the Directors are not aware of any consequences which may arise under the Takeovers Code if the Repurchase Mandate is exercised. The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in the number of Shares in the hand of public falling below the prescribed minimum percentage of 25%.

**9. SHARE REPURCHASES MADE BY THE COMPANY**

No repurchases of Shares have been made by the Company or any of its subsidiaries, whether on the Stock Exchange or otherwise, in the previous six months immediately preceding the Latest Practicable Date.
