- (d) As to any other alterations in the terms of this Contract or of Specifications or both, if such compliance makes such alterations of the terms necessary; and/or

Agreement as to such alterations or changes under this Paragraph shall be made in the same manner as provided above for modifications and/or changes of the Specifications and/or Plans.

- (3) If however the alterations or changes are compulsorily required by the Classification Society or the other regulatory bodies authorized to be made, then, notwithstanding any dispute between the BUYER and the SELLER relating to the adjustment of the Contract Price or extension of the time for

The BUYER shall deliver to the SELLER at its shipyard the items as specified in the Specifications which the BUYER shall supply on BUYER's account (the "BUYER Supplied Items") by the time designated by the SELLER which shall be provided to the Buyer one month earlier.

Should the BUYER fail to deliver to the SELLER such BUYER Supplied Items within the time specified, the delivery of the VESSEL shall automatically be extended for a period of such delay, provided such delay in delivery of the BUYER Supplied Items shall affect the delivery of the VESSEL. In such event, the BUYER shall pay to the SELLER all losses and damages sustained by the SELLER due to such delay in the delivery of the BUYER Supplied Items and such payment shall be made upon delivery of the VESSEL.

Furthermore, if the delay in delivery of the BUYER Supplied Items should exceed fifteen (15) days, the SELLER shall be entitled to proceed with construction of the VESSEL without installation of such items in or onto the VESSEL, without prejudice to the SELLER's right hereinabove provided, and the BUYER shall accept the VESSEL so completed.

The SELLER shall be responsible with reasonable care for storing and handling of the BUYER Supplied Items as specified in the Specifications after delivery to the SELLER and shall install them on board the VESSEL at the SELLER's expenses.

Otherwise the Delivery Date as stipulated in Article VII hereof shall be extended by the delays so caused by the BUYER. In the event of unfavorable weather on the date specified for the Trial Run, the same shall take place on the first available day thereafter that the weather conditions permit. The parties hereto recognize that the weather conditions in Chinese waters in which the Trial Run is to take place are such that great changes in weather may arise momentarily and without warning and, therefore, it is agreed that if during the Trial Run of the VESSEL, the weather should suddenly become unfavorable, as would have precluded the continuance of the Trial Run, the Trial Run of the VESSEL shall be discontinued and postponed until the first favorable day next following, unless the BUYER shall assent by telefax or email of its acceptance of the VESSEL on the basis of the Trial Run made prior to such sudden change in weather conditions.
