without extra cost to the BUYER. Upon completion of such alterations or corrections of such nonconformity, the SELLER shall promptly perform such further shop trials or any other tests, as may be deemed necessary to prove the fuel consumption of the Main Engine's conformity with the requirement of this CONTRACT and the Specifications and if found to be satisfactory, give the BUYER notice of such correction and as appropriate, successful completion accompanied by copies of such results, and the BUYER shall, within Six (6) Business Days after receipt of such notice, notify the SELLER by telefax or email of its acceptance or reject the re-shop trial together with the reasons therefor.
