INTRODUCTION

The purpose of this circular is to give you information regarding the resolutions to be proposed at the AGM including ordinary resolutions for, *inter alia*, (i) the re-election of the retiring Directors; and (ii) granting to the Directors the Issue Mandate and the Repurchase Mandate upon the expiry of the current general mandates to issue Shares and repurchase Shares granted to the Directors at the last annual general meeting of the Company.

LETTER FROM THE BOARD

RE-ELECTION OF RETIRING DIRECTORS

In accordance with bye-law 102A of the Bye-laws, Ms. Chung Hoi Yan, Mr. Chu Chun On, Franco and Mr. Liu Rongrui will retire by rotation and, being eligible, will respectively offer themselves for re-election at the AGM.

The Nomination Committee had evaluated the performance of Ms. Chung Hoi Yan, Mr. Chu Chun On, Franco and Mr. Liu Rongrui for the year ended 30 April 2022 and found their performance satisfactory. Therefore, the Nomination Committee nominated the retiring Directors to the Board for it to propose to Shareholders for re-election at the AGM.

Pursuant to the Company's own code on corporate governance practices, every non-executive Director should be appointed for a fixed term of not more than three years, subject to re-election. Accordingly, the term of appointment for the retiring non-executive Directors offering themselves for re-election shall be a fixed term of not more than three years, commencing on the date of their re-election (being the date of the AGM or the date to which it is adjourned, as the case may be) and ending on the earlier of (i) the day immediately preceding the third anniversary of their re-election; and (ii) the time of their retirement by rotation pursuant to the Bye-laws.

Ms. Chung Hoi Yan, Mr. Chu Chun On, Franco and Mr. Liu Rongrui, being independent non-executive Directors, have respectively confirmed their independence with reference to the factors set out in Rule 3.13 of the Listing Rules. Having considered the requirements and obligations of each independent non-executive Director, including the factors to be taken into account in assessing their independence under Rule 3.13 of the Listing Rules, the Board believes that Ms. Chung Hoi Yan, Mr. Chu Chun On, Franco and Mr. Liu Rongrui continue to be independent.

Biographical details of the retiring Directors who are proposed to be re-elected at the AGM as required to be disclosed under the Listing Rules are set out in Appendix I to this circular.

The re-election of the retiring Directors will be individually put to vote by the Shareholders at the AGM.

ISSUE MANDATE AND REPURCHASE MANDATE

At the annual general meeting of the Company held on 28 October 2021, ordinary resolutions were passed to grant general mandates to the Directors, *inter alia*, (a) to allot, issue and otherwise deal with additional Shares up to a maximum of 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the relevant resolution; and (b) to repurchase Shares in accordance with the Listing Rules up to 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the relevant resolution. - (b) the expiration of the period within which the next annual general meeting of the Company is required by law or the Bye-laws to be held; or

Save as disclosed above, there are no other matters concerning Mr. Liu that need to be brought to the attention of Shareholders nor is there any information to be disclosed pursuant to Rule 13.51(2)(h) to (v) of the Listing Rules.

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide information to you with regard to the Repurchase Mandate.

1. LISTING RULES RELATING TO THE REPURCHASE OF SECURITIES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities (which shall include, where the context permits, shares of all classes and securities which carry a right to subscribe or purchase shares) on the Stock Exchange subject to certain restrictions amongst which the Listing Rules provide that the shares proposed to be repurchased by a company must be fully paid-up and all repurchases of shares by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution of shareholders either by way of general mandate to the directors to make such repurchases or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 225,622,110 Shares. Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no Shares are allotted and issued or repurchased by the Company prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 22,562,211 Shares, representing 10% of the issued share capital of the Company as at the date of passing the proposed resolution on the Repurchase Mandate.

3. REASONS FOR THE REPURCHASE

The Directors believe that the ability to repurchase Shares is in the best interests of the Company and the Shareholders as a whole. Repurchases may, depending on the market conditions and funding arrangements of the Company at the time, result in an increase in net asset value and/or earnings per Share. The Directors are seeking a general mandate to repurchase Shares so as to give the Company flexibility to do so if and when appropriate. The number(s) of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, a repurchase would be effected where the resulting reduction in the issued capital of the Company was considered beneficial. The Directors believe that an ability to repurchase Shares gives the Company additional flexibility that would be beneficial. Shareholders can be assured that the Directors would only make such repurchases in circumstances where they consider them to be in the interest of the Company because they consider the Shares can be purchased on favourable terms.

4. FUNDING OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for such purpose in accordance with the Company's memorandum of association and Bye-laws, the Listing Rules and the applicable laws of Bermuda. The Companies Act 1981 of Bermuda (as amended) provides that the amount of capital paid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or from the proceeds of a fresh issue of shares made for the purpose. The Companies Act 1981 of Bermuda (as amended) further provides that the amount of premium payable on repurchase may only be paid out of either the funds that would otherwise be available for distribution or dividend or out of the share premium account of the Company. The Shares repurchased will be treated as cancelled and the amount of the Company's issued share capital will be diminished by the nominal value of such Shares, but the aggregate amount of the Company's authorised share capital will not be thereby reduced.

On the basis of the consolidated financial position of the Company as at 30 April 2022 (being the date to which the latest published audited consolidated financial statements of the Company have been made up) and in particular the working capital position of the Company at that time and the number of Shares in issue as at the Latest Practicable Date, the Directors consider that there would not be a material adverse impact on the working capital position and that there would not be a material adverse impact on the gearing position of the Company in the event that repurchases of all the Shares the subject of the proposed mandate were to be carried out in full during the proposed mandate period. However, no repurchase would be made in circumstances that would have a material adverse impact on the working capital or gearing position of the Company (as compared with the financial position disclosed in its latest published audited financial statements) unless the Directors consider that such repurchases were in the best interests of the Company.

5. DIRECTORS' INTERESTS

To the best of the knowledge of the Directors having made all reasonable enquiries, there are no Directors or close associates of the Directors who have a present intention, in the event that the Repurchase Mandate is granted by the Shareholders, to sell any of the Shares to the Company.

6. CORE CONNECTED PERSONS

No core connected persons of the Company have notified the Company that they have a present intention to sell any of the Shares to the Company and no such persons have undertaken not to sell any of the Shares held by them to the Company in the event that the Repurchase Mandate is granted by the Shareholders.

7. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases of the Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of Bermuda and the regulations set out in the memorandum of association and Bye-laws of the Company.

8. SECURITIES REPURCHASES MADE BY THE COMPANY

During the six months preceding the Latest Practicable Date, the Company had not repurchased any of the Company's listed securities (whether on the Stock Exchange or otherwise).

9. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the previous twelve months immediately prior to the Latest Practicable Date were as follows:

Month	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2021		
September	0.520	0.430
October	0.500	0.410
November	0.430	0.370
December	0.360	0.280
2022		
January	0.470	0.305
February	0.465	0.350
March	0.390	0.265
April	0.405	0.315
May	0.400	0.355
June	0.510	0.375
July	0.485	0.380
August	0.475	0.355
September (up to the Latest Practicable Date)	0.390	0.265

10. TAKEOVERS CODE AND THE PUBLIC FLOAT REQUIREMENT

If as a result of a share repurchase, a shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code and, if such increase results in a change of control, may in certain circumstances give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Ms. Hui Sau King Florence is beneficially interested in an aggregate of approximately 16.7% of the issued share of the Company. In the event that the Repurchase Mandate is exercised in full, the shareholding in the Company held by her would be increased to approximately 18.5% of the issued share capital of the Company. Such increase is not expected to give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors are not aware of any consequences which will arise under the Takeovers Code as a result of any repurchases to be made under the Repurchase Mandate. Furthermore, the Company and the Directors have no current intention to exercise the Repurchase Mandate, to such extent as would give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

Further, the Company may not repurchase its own Shares on the Stock Exchange if that repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the Company's issued share capital.
