*To the Shareholders*

Dear Sir or Madam,

**PROPOSAL FOR ADOPTION OF  
THE 2022 SHARE OPTION SCHEME AND  
NOTICE OF EXTRAORDINARY GENERAL MEETING**

**INTRODUCTION**

Reference is made to the circular (the “**Original Circular**”) and the notice (the “**Original Notice**”) of the Company dated 31 August 2022. For the avoidance of doubt, the Original Circular and the Original Notice are superseded by this circular in full.

The purpose of this circular is to provide you with information relating to the ordinary resolution to be proposed at the EGM for the adoption of the 2022 Share Option Scheme and the notice of the EGM, and to seek your approval of such ordinary resolution at the EGM.

## LETTER FROM THE BOARD

### ADOPTION OF THE 2022 SHARE OPTION SCHEME

On 19 September 2022, the Board have resolved to propose the adoption of the 2022 Share Option Scheme to be approved and adopted by the Shareholders. In approving the adoption of the 2022 Share Option Scheme, the Board has considered the factors including that (i) all the restricted share units under the restricted share units scheme adopted by the Shareholders on 18 October 2019 have been granted and vested thus no further restricted share units can be granted in the future; and (ii) the 2022 Share Option Scheme is different in nature compared with other share award scheme of the Company in terms of fund raising and tax treatments.

The purpose of the 2022 Share Option Scheme is to provide the Participants with the opportunity to acquire proprietary interests in the Company, to provide the incentives to the Participants, and to recognize their contributions made and to be made to the growth and development of the Group and for such other purposes as the Board may approve from time to time.

As at the Latest Practicable Date, there were 1,006,240,400 Shares in issue. Assuming there is no change in the number of issued Shares during the period from the Latest Practicable Date to the Adoption Date, the maximum number of Shares issuable pursuant to the 2022 Share Option Scheme and any other schemes of the Company (if any) in aggregate will be 50,312,020 Shares, being 5% of the total number of Shares in issue on the date of approval of the 2022 Share Option Scheme. The 2022 Share Option Scheme does not have a trustee.

The Service Provider Sublimit of the 2022 Share Option Scheme will be 10,062,404 Shares, being 1% of the total number of Shares in issue on the date of approval of the 2022 Share Option Scheme. The basis for determining the Service Provider Sublimit includes the potential dilution effect arising from grants to Service Providers, the actual or expected increase in the Group's revenue or profits which is attributable to Service Providers and the extent of use of Service Provider in the Group's business. Considering the fact that the individual limit under Listing Rule 17.03D(1) is also 1%, that there is no other share schemes involving grant of options over new Shares of the Company, the Group's hiring practice and organizational structures and that Service Providers have contributed to the long-term growth of the Company's business, the Board is of the view that the Service Provider Sublimit is appropriate and reasonable.

Operation of the 2022 Share Option Scheme is conditional upon:

- (a) the passing of an ordinary resolution by the Shareholders at the EGM to approve and adopt the 2022 Share Option Scheme and to authorize the Directors to grant Options to the Participants and to allot, issue and deal with the Shares which fall to be issued by the Company pursuant to the exercise of the Options granted under the 2022 Share Option Scheme; and

## LETTER FROM THE BOARD

- (b) the Listing Committee of the Stock Exchange granting approval of the listing of, and permission to deal in, any Shares to be issued pursuant to the exercise of Options under the 2022 Share Option Scheme. Application will be made to the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares to be issued upon the exercise of the Options granted under the 2022 Share Option Scheme.

### **Explanation of the terms of the 2022 Share Option Scheme**

A summary of the principal terms of the 2022 Share Option Scheme is set out in the Appendix to this circular. This serves as a summary of the terms of the 2022 Share Option Scheme but does not constitute the full terms of the same.

The exercise price of the Options granted under the 2022 Share Option Scheme shall be a price solely determined by the Board subject to a minimum amount set out in the rules of the 2022 Share Option Scheme, and the Board may specify in the 2022 Share Option Offer Letter the performance targets that need to be achieved by a Participant and the clawback mechanism for the Company to recover or withhold any Options granted to any Participants. The vesting period of Options granted under the 2022 Share Option Scheme shall be determined by the Board subject to a minimum period set out in the rules of the 2022 Share Option Scheme.

To ensure the practicability in fully attaining the purpose of this 2022 Share Option Scheme, the Board and the remuneration committee of the Company are of the view that the shorter vesting period prescribed in sub-paragraph 7.3(c) of the appendix to this circular is appropriate and aligns with the purpose of the 2022 Share Option Scheme.

It is believed that by providing the Board or CEO, a committee or any other authorised agent(s) as deemed appropriate at the sole discretion of the Board with the discretion to offer Options in such flexible terms, in particular, determining the Option Subscription Price, prescribing a vesting period before Options can be exercised, requiring the Participant to achieve any performance targets as may be stipulated in the 2022 Share Option Offer Letter before his or her Options can be exercised and/or setting any clawback mechanism for the Company to recover or withhold any Options granted to any Participants, the Group will be in a better position to attract and retain such Participants to continue serving the Group whilst at the same time providing them with further incentive in achieving the goals of the Group, and thereby, to achieve the purpose of the 2022 Share Option Scheme. The Company will make relevant disclosure in the announcement to comply with Listing Rules 17.06B(7) and (8) when granting the Options to the Participants in the future.

## **LETTER FROM THE BOARD**

### **Value of the Options**

It is not practicable to state the value of all the Options that can be granted pursuant to the 2022 Share Option Scheme as if they had been granted on the Latest Practicable Date as a number of factors crucial for the calculation of the value of Options cannot be determined. Such factors include the Option Subscription Price, exercise period, any vesting period, any performance targets set and any other terms and conditions that the Board may impose with respect to the Options. Therefore, at this stage, any calculation of the value of the Options as at the Latest Practicable Date based on the large number of speculative assumptions would not be meaningful and would be misleading to the Shareholders.

### **Document on display**

A copy of the rules of the 2022 Share Option Scheme will be published on the websites of Stock Exchange and the Company for display for a period of not less than 14 days before the date of the EGM and the rules of the 2022 Share Option Scheme will be made available for inspection at the EGM.

### **EXTRAORDINARY GENERAL MEETING**

As at the Latest Practicable Date, to the best knowledge of the Directors and having made all reasonable enquiries, no Shareholder has any material interest in the proposed adoption of the 2022 Share Option Scheme. As such, no Shareholder is required to abstain from voting on the resolution in relation thereto.

A form of proxy for use at the EGM is enclosed. If you are not able to attend the EGM, you are requested to complete the form of proxy and return it in accordance with the instructions printed thereon and return it to the Company's share registrar, Computershare Hong Kong Investor Services Limited, at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wan Chai, Hong Kong as soon as possible and in any event not less than forty-eight (48) hours before the time appointed for holding the EGM or any adjournment of it. Completion and return of the form of proxy will not preclude you from attending and voting in person at the EGM or any adjournment of it, if you so wish.

The register of members of the Company will be closed from Friday, 21 October 2022 to Wednesday, 26 October 2022, both days inclusive, during which period no transfer of shares will be effected. In order to be eligible to attend and vote at the EGM to be held on Wednesday, 26 October 2022, all share transfer documents accompanied by the relevant share certificates and other relevant documents, if any, must be lodged with Computershare Hong Kong Investor Services Limited, the share registrar of the Company, at Shops 1712–1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, for registration no later than 4:30 p.m. on Thursday, 20 October 2022.

Under Rule 13.39(4) of the Listing Rules, vote(s) of Shareholders at general meeting(s) must be taken by poll. As such, the chairman of the EGM shall pursuant to the Articles demand each of the resolutions to be proposed at the EGM be put to the vote by way of a poll.

## LETTER FROM THE BOARD

An announcement will be made by the Company following the conclusion of the EGM to inform you of the results of the EGM.

### **RECOMMENDATION**

The Directors (including the independent non-executive Directors) are of the opinion that the proposed adoption of the 2022 Share Option Scheme is in the best interests of the Company and the Shareholders as a whole, and therefore recommend that the Shareholders vote in favour of the resolution to be proposed at the EGM.

The Directors reserve the right at any time prior to the EGM to make such amendments to the 2022 Share Option Scheme as they may consider necessary or appropriate provided that such amendments do not conflict with any materials aspects with the summary in this Appendix.*

## **1. PURPOSE**

The purpose of the 2022 Share Option Scheme is to provide the Participants with the opportunity to acquire proprietary interests in the Company, to provide incentives to the Participants, and to recognize their contributions made and to be made to the growth and development of the Group and for such other purposes as the Board may approve from time to time.

## **2. BASIS OF ELIGIBILITY OF THE PARTICIPANTS**

For Employee Participants, assessing factors include: the individual performance, time commitment, responsibilities or employment conditions according to the prevailing market practice and industry standard, the length of engagement with the Group and the individual contribution or potential contribution to the development and growth of the Group.

For each category of Service Providers, assessing factors include: the individual performance of relevant Service Providers, the length of business relationship with the Group, the materiality and nature of the business relationship with the Group (such as whether they relate to the core business of the Group and whether such business dealings could be readily

replaced by third parties), track record in the quality of services provided to and/or cooperation with the Group and the scale of business dealings with the Group with regard to factors such as the actual or expected change in the Group's revenue or profits which is or may be attributable to the Service Provider.

- (e) in the event a notice is given by the Company to its members to convene a general meeting for the purposes of considering, and if thought fit, approving a resolution to voluntarily wind up the Company, other than for the purposes of a reconstruction, amalgamation or scheme of arrangement, the Company shall on the same date as or soon after it despatches such notice to each member of the Company give notice thereof to all Grantees, and thereupon, each Grantee (or where permitted under sub-paragraph 7.4(b) his or her legal personal representative(s)) shall, subject to the provisions of all applicable laws, be entitled to exercise all or any of his Options (to the extent which has become exercisable and not already exercised) at any time not later than 5 Business Days prior to the proposed general meeting of the Company by giving notice in writing to the Company, accompanied by a remittance for the full amount of the aggregate Option Subscription Price for the Shares in respect of which the notice is given, whereupon the Company shall as soon as possible and, in any event, no later than the Business Day immediately prior to the date of the proposed general meeting referred to above, allot the relevant Shares to the Grantee credited as fully paid. If such resolution is duly passed, all Options shall, to the extent that they have not been exercised, thereupon cease and determine; and

- (f) in the event of a compromise or arrangement between the Company and its creditors (or any class of them) or between the Company and its members (or any class of them) in connection with a scheme for the reconstruction or amalgamation of the Company (other than a general offer or a scheme of arrangement contemplated in sub-paragraphs 7.4(c) or (d) above), the Company shall give notice thereof to all Grantees on the same date as or soon after it gives notice of the meeting to its members or creditors to consider such a scheme or arrangement, and thereupon any Grantee (or his or her legal personal representative(s)) may forthwith and until the expiry of the period commencing from such date and ending on the earlier of the date falling 2 calendar months thereafter or the date on which such compromise or arrangement is sanctioned by the court of competent jurisdiction, exercise any of his or her Options (to the extent which has become exercisable and not already been exercised) but the exercise of the Option shall be conditional upon such compromise or arrangement being sanctioned by the court of competent jurisdiction and becoming effective. The Company may thereafter require such Grantee (or his or her legal personal representative(s)) to transfer or otherwise deal with the Shares issued as a result of such exercise of his or her Option so as to place the Grantee in the same position as nearly as possible would have been the case had such Shares been subject to such compromise or arrangement.
- 7.5 The Shares to be allotted upon the exercise of an Option will be subject to all the provisions and articles of association of the Company and the Companies Ordinance for the time being in force and will rank *pari passu* in all respects with the fully paid Shares in issue as from the date of their allotment and issue, and accordingly will entitle the holders to participate in all dividends or other distributions to be paid or made on or after the date of allotment and issue other than any dividend or other distribution previously declared or recommended or resolved to be paid or made with respect to a record date which shall be before the date of allotment and issue, provided always that when the date or exercise of the Option falls on a date upon which the register of members is closed then the exercise of the Option shall become effective on the first Business Day in Hong Kong on which the register of Shareholders is re-opened. A Share allotted upon the exercise of an Option, however, shall not carry any voting right until the completion of the registration of the Grantee as the holder thereof.
- 7.6 The outstanding Options granted may not be exercised if all or part of the exercise of the Option will result in the holding of the total issued Shares by the public falling below 25% (or such other percentage stipulated under the Listing Rules).
- 7.7 In the event the Grantee has been suspended from his duties or performance of the relevant contract of employment, directorship, appointment or engagement by the relevant member of the Group, no Option can be exercised until such suspension has been lifted.

**8. LAPSE OF OPTION**

An Option shall lapse automatically and not be exercisable (to the extent not already exercised) on the earliest of:

- (a) the expiry of the Option Period (subject to paragraphs 4 and 15);
- (b) the date on which the Grantee commits a breach of sub-paragraph 7.1;
- (c) the expiry of the periods referred to in sub-paragraph 7.4(a), (b), (c) or (d);

9.1 Subject to the Listing Rules:

- (a) The total number of Shares which may be issued upon exercise of all options to be granted under the 2022 Share Option Scheme and any grants made under any other scheme of the Company shall not exceed 50,312,020, representing 5% of

the total number of Shares in issue on the Adoption Date (the “Scheme Mandate Limit”), unless the Company seeks the approval of the Shareholders in general meeting for refreshing the Scheme Mandate Limit in accordance with sub-paragraph 9.1(c) provided that options lapsed in accordance with the terms of the 2022 Share Option Scheme or any other schemes of the Company will not be counted for the purpose of calculating whether the Scheme Mandate Limit has been exceeded.

- (b) Subject to above sub-paragraph 9.1(a), within the Scheme Mandate Limit, the total number of Shares which may be issued upon exercise of all options to be granted to Service Providers shall not exceed 10,062,404 Shares, representing 1% of the total number of Shares in issue on the Adoption Date (the “Service Provider Sublimit”).
- (c) The Company may seek approval of its Shareholders in general meeting for refreshing the Scheme Mandate Limit and the Service Provider Sublimit such that the total number of Shares which may be issued upon exercise of all options to be granted under the 2022 Share Option Scheme and any grants made under any other schemes of the Company as refreshed shall not exceed up to 10% of the total number of Shares in issue as at the date of approval of the Shareholders on the refreshment of the Scheme Mandate Limit and the Service Provider Sublimit provided that Options previously granted under the 2022 Share Option Scheme or any grants made under any other schemes (including those outstanding and lapsed in accordance with the 2022 Share Option Scheme or any other schemes or exercised options) will not be counted for the purpose of calculating such limit as refreshed. For the purpose of seeking the approval of Shareholders under this sub-paragraph 9.1(c), a circular containing the information required under the Listing Rules must be sent to the Shareholders. Any refreshment of Scheme Mandate Limit (and the Service Provider Sublimit) to be made within three years from the Adoption Date (or the date of shareholders’ approval for the last refreshment) shall be subject to independent shareholders’ approval pursuant to Listing Rule 17.03C(1).
- (d) The Company may seek separate approval of the Shareholders in general meeting for granting Options beyond the Scheme Mandate Limit provided that the proposed Grantee(s) of such Option(s) must be specifically identified by the Company before such approval is sought. For the purpose of seeking the approval of the Shareholders under this sub-paragraph 9.1(d), the Company must send a circular to the Shareholders containing, amongst other terms, a generic description of the specified proposed Grantees of such Options, the number and terms of the Options to be granted, the purpose of granting such Options to the proposed Grantees with an explanation as to how the terms of Options serve such purpose and the information as required under the Listing Rules.

9.2 The Company may grant Options beyond any of the limits as set out in paragraphs 9.1 above to such extent as may be permitted under the Listing Rules from time to time.

## 10. MAXIMUM ENTITLEMENT OF SHARES OF EACH PARTICIPANT

- 10.1 (a) Subject to sub-paragraphs 10.1(b), (c) and (d), the total number of Shares issued and to be issued upon exercise of the Options granted to each Participant (excluding any Options lapsed in accordance with sub-paragraph 8) in any 12-month period shall not exceed 1% of the total number of Shares in issue.
- (b) Notwithstanding sub-paragraph 10.1(a), where any further grant of Options to a Participant would result in the Shares issued and to be issued upon exercise of all options granted and to be granted to such Participant under the 2022 Share Option Scheme and any grants made under any other schemes of the Company (excluding any Options lapsed in accordance with sub-paragraph 8) in the 12-month period up to and including the date of such further grant representing in aggregate over 1% of the total number of Shares in issue, such further grant must be separately approved by the Shareholders in general meeting with such Participant and his Close Associates (or his Associates if the Participant is a connected person within the meaning of the Listing Rules) abstaining from voting. The number and terms (including the Option Subscription Price) of the Options to be granted to such Participant shall be fixed before the Shareholders' approval and the date of the Board meeting for proposing such further grant should be taken as the date of grant for the purpose of calculating the Option Subscription Price. In such a case, the Company shall send a circular to its Shareholders containing, amongst other terms, the identity of such Participant, the number and the terms of the Options to be granted (and options previously granted to such Participant) and such other information as required under the Listing Rules.
- (c) In addition to paragraph 9 and sub-paragraphs 10.1(a) and 10.1(b), any grant of Options to a Participant who is a Director, chief executive or substantial shareholder of the Company or their respective Associates must be approved by the independent non-executive Directors (excluding any director who is a proposed Grantee of the relevant Options) and shall comply with the requirements of Rule 17.04 of the Listing Rules.
- (d) In addition to paragraph 9 and sub-paragraphs 10.1(a) and 10.1(b), where the Board proposes to grant any Option to a Participant who is a substantial Shareholder or an independent non-executive Director of the Company, or any of their respective Associates, which would result in the Shares issued and to be issued upon exercise of all options already granted and to be granted under the 2022 Share Option Scheme and any grants made under any other schemes of the Company (including options exercised, cancelled and outstanding) to him in the 12-month period up to and including the date of such grant representing in

aggregate more than 0.1% of the total number of Shares in issue, such further proposed Share Option Offer is subject to the approval of Shareholders in general meeting with such Participant and his Associates and all core connected persons of the Company (which has the meaning ascribed to it under the Listing Rules) abstaining from voting in favour of the resolution at such general meeting and/or such other requirements prescribed under the Listing Rules from time to time. Any vote taken at the meeting to approve the grant of such Options must be taken on a poll.

10.2 In the event of any alteration in the capital structure of the Company whether by way of a capitalisation issue, rights issue, subdivision or consolidation of Shares or reduction of the share capital of the Company (other than an alteration of share capital as a result of an issue of Shares as consideration in a transaction), the maximum number of Shares referred to in sub-paragraphs 9.1 and 9.2 and 10.1 will be adjusted in such manner as stated in paragraph 11, which, in all cases of adjustments other than that made on a capitalisation issue, shall be confirmed by an independent financial adviser or the Auditors (acting as experts and not as arbitrators) to the Directors in writing to satisfy the requirements as stated in paragraph 11 below.

## 11. ALTERATION OF CAPITAL STRUCTURE

In the event of any alteration in the capital structure of the Company whilst any Option remains exercisable, whether by way of a capitalisation issue, rights issue, subdivision or consolidation of shares or reduction of the share capital of the Company (other than an alteration of share capital as a result of an issue of Shares as consideration in respect of a transaction), the Company will adjust (if any):

- (i) the number of Shares subject to the Option so far as unexercised; and/or
- (ii) the Option Subscription Price,

provided that, following such adjustment, the proportion of the issued share capital of the Company (as interpreted in accordance with the supplementary guidance attached to the letter from the Stock Exchange dated 5 September 2005 to all issuers in relation to share option scheme, the Listing Rules and such applicable codes, guidance notes and/or interpretation of the Listing Rules from time to time promulgated by the Stock Exchange) which the Grantee is entitled to subscribe for pursuant to each Option shall be the same as immediately before such adjustment.

Any adjustment required by this paragraph 11, other than as a result of a capitalisation issue, shall be subject to a written confirmation to the Directors by an independent financial adviser or Auditors that such adjustment satisfies the requirements of the foregoing provision. The capacity of the independent financial adviser or the Auditors in this paragraph is that of experts and not of arbitrators and their certification shall, in the absence of manifest error, be final and binding on the Company and the Grantees. The costs of the independent financial adviser or the Auditors shall be borne by the Company.

The method of adjustment of number of Shares subject to the Option so far as unexercised is set out as below:

*Capitalisation issue*

The method of adjustment of the Option Subscription Price is set out as below:

*Capitalisation issue*

$$P = P_0 \div (1 + n)$$

Where: “P<sub>0</sub>” represents the Option Subscription Price before the adjustment; “n” represents the ratio of the capitalization issue; “P” represents the Option Subscription Price after the adjustment.

*Rights issue*

$$P = P_0 \times (P_1 + P_2 \times n) \div (P_1 \times (1 + n))$$

Where: “P<sub>0</sub>” represents the Option Subscription Price before the adjustment; “P<sub>1</sub>” represents the closing price as at the record date; “P<sub>2</sub>” represents the subscription price; “n” represents the ratio of allotment; “P” represents the Option Subscription Price after the adjustment.

*Consolidation of Shares or share subdivision or reduction of the share capital*

$$P = P0 \div n$$

Where: “P0” represents the Option Subscription Price before the adjustment; “n” represents the ratio of share consolidation or share subdivision or reduction of share capital; “P” represents the Option Subscription Price after the adjustment.

## **12. DISPUTES**

Any dispute arising in connection with the 2022 Share Option Scheme (whether as to the number of Shares subject to an Option, the amount of the Option Subscription Price or otherwise) shall be referred to the decision of the Board whose decision shall be final, conclusive and binding.

## **13. ALTERATION OF THE 2022 SHARE OPTION SCHEME**

13.3 The amended terms of the 2022 Share Option Scheme or the Options must still comply with the relevant requirements of Chapter 17 of the Listing Rules.

13.4 Any change to the authority of the Board or scheme administrators in relation to any alteration to the terms of the 2022 Share Option Scheme must be approved by the Shareholders in general meeting.

## **14. CANCELLATION OF THE OPTIONS GRANTED**

Subject to paragraph 7.4, the Board may at any time at its absolute discretion cancel any Option granted but not exercised. Where the Company cancels Options and new Options are to be issued to the same Option holder, the issue of such new Options may only be made under the 2022 Share Option Scheme with available unissued Options (to the extent not yet granted and excluding the cancelled Options) within the limit approved by the Shareholders as mentioned in paragraph 9.

**15. TERMINATION OF THE 2022 SHARE OPTION SCHEME**

The Company by ordinary resolution in general meeting or the Board may at any time terminate the operation of the 2022 Share Option Scheme and in such event no further Options will be offered but in all other respects the provisions of the 2022 Share Option Scheme shall remain in full force and effect.
